

College of Engineering and Technology - Current CPL Options

Department	Type of Assessment	Notes
Architecture Engineering Design	Challenge Exams	Most courses can be challenged.
	Experiential Credit	Students can inquire about EGDT courses. Some SURV classes. They would need to show evidence of Proficiency.
Computer Science	Credits earned through extra-institutional settings, including military service.	Willing to evaluate it and accept if it is equivalent to course.
	AP	CS 1400
	Dantes (DSST)	CS 1030 (not required for degree, but beneficial for new students in program)
	Challenge Exams	CS 1400, 1410 most common. CS 2420. Student can inquire for other CS courses.
	Experiential Credit	CS 2550 most common. Students can inquire for other CS courses. Students submit work to show proficiency.
Software Engineering	Credits earned through extra-institutional settings, including military service.	Willing to evaluate it and accept if it is equivalent to course.
	AP	CS 1400
	Dantes (DSST)	CS 1030 (not required for degree, but beneficial for new students in program)
	Challenge Exams	CS 1400, 1410 most common. CS 2420. Student can inquire for other CS courses.
	Experiential Credit	CS 2550 most common. Students can inquire for other CS courses. Students submit work to show proficiency.
Construction Technologies	Credits earned through extra-institutional settings, including military service.	Willing to accept, but have not had to bring them in before.
	OSHA 30 hour card	CMGT 1150
	IBC (Commercial Inspector)	BIT 1010
	LEED GA Credential	CMGT 405G
	IRC Certification	BIT 1020
	Utah Real Estate License	CMGT 3900 (9 credits of upper div electives)
	Challenge Exams	Most CMGT, BIT, FAC courses can be challenged.
	Experiential Credit	Most CMGT, BIT, FAC courses can be challenged. Most common are: CMGT 2010, 1020, 1190, 1220. Rarely for upper division. All students would need to present a portfolio.

College of Engineering and Technology - Current CPL Options

Department	Type of Assessment	Notes
Culinary Arts	Credits earned through extra-institutional settings, including military service.	Willing to accept if applicable. Possible to use as internship requirement.
	Experiential (ServeSafe Certification)	CA 1490
Digital Media	Credits earned through extra-institutional settings, including military service.	Willing to accept.
	Challenge Exams	Most entry level classes can be challenged.
	Portfolio Assessments	Must submit portfolio for admittance to program.
	Experiential credit	Most entry level classes can be challenged. Students must show evidence of proficiency.
Engineering Technology	Experiential credit	Rare. Circumstantial. Meet with department chair. Present evidence of experience.
Information Systems	Credits earned through extra-institutional settings, including military service.	Yes, as applicable. Often get credit for intro IT courses.
	CLEP	INFO 1120
	Dantes (DSST)	INFO 3120
	Challenge Exams	All IM and INFO classes can be challenged. Most IT classes can be challenged.
Technology Management	Credits earned through extra-institutional settings, including military service.	Yes, anything technical.
	Challenge Exams	TECH 2020, 3050, 3400, 3700, 3850
	Experiential Credit	TECH 2020, 3050, 3400, 3700, 3850 (may be changing). Take a portfolio course for formal process of getting credit for AAS degree.
Transportation Technologies	Credits earned through extra-institutional settings, including military service.	Willing to accept if equivalent.
	Challenge exams	Most courses are available for challenge.
	Experiential Credit	Students would need to show evidence of proficiency. Available for most courses.

College of Health and Public Service - Current CPL Options

Department	Type of Assessment	Notes
Criminal Justice	POST	CJ 1800, CJ 1810
	IACP	CJ 491R
	Drug Recognition Expert certification	FSCI 3850
	Department Challenge Test	CJ 1010, CJ 1300, CJ 1330, CJ 1340, CJ 1390, CJ 2330, CJ 4250
Aviation	FAA certificate	AVSC 1110, 1230, 1240, 1250, 2300, 2310, 2440, 2450, 2400, 2410, 4300, 4310, 2420, 2430, 2510, 2500, 3090
	Experiential credit	AVSC 3300, 3400, 3600
Community Health	First Aid/CPR	HLTH 1200
Emergency Services	POST	CJ 1800, CJ 1810
	Fire Certs	Fire I Skills, Fire I Fundamentals, Fire II, Hazmant Ops and Awareness
	EMT	Emergency Med Technician
	AEMT	Advanced Emergency Med Technician
	Paramedic Certifications	ESEC 3210, 3220, 3225, 3230, 3235, 3240, 3245, 3250, 3255, 4210, 4220, 4230, 4240
	Wildland	ESWF 1400
	Critical Care	ESEC 4150
	Fire Certifications	ESFF 1370, 1380, 2410, 2420, 2430, 2700, ESFO 1350, 2020, 2030, 2050, 2080, 2100, 2110 211A, 2310
	Wildland Certifications	ESWF 2000, 2010, 2110, 2150, 2301, 2340, 2600, 2700, 2800, 2900, 3000, 3020, 3300, 3360, 3390, 4000, 4390

College of Humanities and Social Sciences - Current CPL Options

Department	Type of Assessment	Notes
Languages		<p>Once students pass 3050 (any language) with a C- or better grade, students can buy P credits for 1010, 1020, 2010 & 202g. If students would like to receive a letter grade, they can do so by registering to a specific section of [language] 1010 & 1020 where students take the final and final grade is the grade for the course.</p> <p>Students who have learn a foreign language in the US (LDS missions) -202g, 3030</p> <p>Native speakers, students who have lived abroad for at least 1 year and immerse in the language fully –3050</p> <p>3050 is a pre requisite to any upper division course.</p> <p>They register for course but if there are any doubts/concerns -Oral interview with coordinator</p>
		Other than that we only have ACT or AP scores/classes.

College of Science - Current CPL Options

Department	Type of Assessment	Notes
Biology	ACT Score	English composite of 21+ - Allows student to take Biol 1610/1615 at the same time as pre-req
	AP Scores	Score 4 or 5 allows students to receive credit for Biol 1610 or Biol 1900 – Biology elective Score 3 allows students to receive credit for Biol 1010/1015 – General Biology and lab
	CLEP	Score 50+ allows students to receive credit for Biol 1010 – General Biology or Biol 1900 – Biology elective
	Experiential credit	Current chair Jim Price gives quite a bit of experiential credit, primarily for biotech students who are working in biotech jobs while earning their bachelor's degrees from us. He treats their work experience as if they were doing an internship and requires them to document hours, provide a supervisor recommendation and write a short paper that describes what they did and what they learned in their work experience.
Chemistry	AP Scores	Passed with a score of 3 allows students to receive credit for CHEM 1010, CHEM 1110, and CHEM 1115 (8 credits total) Passed with a score of 4 or 5 allows students to receive credit for CHEM 1210, CHEM 1900 (8 credits total)
	CLEP	Passed in the Testing Center with a score of 50+ allows students to receive credit for CHEM 1010 and CHEM 1900 (6 credits total)
	Prerequisite credits	To assist with completion, chemistry accepts any passed score (3, 4 or 5) on either AP Calculus test as an acceptable prerequisite for CHEM 1010, 1110 and 1210. A 26+ on the math section of the ACT will also satisfy this prerequisite. If a student gets a 4 or 5 on AP Chemistry we will allow them to move into CHEM 1220 and take the CHEM 1215 lab and 1225 lab at the same time to help them move along in their program.
Earth Science	AP Scores	Passed with a score of 3+ allows students to receive credit for ENVT 1110 AP Human Geography - Passed with a score of 3+ allows students to receive credit for GEOG 1400
	Prior Learning	Upon review may allow students to receive credit for special topics credit or internship credit (variable amounts)
Math	Varies	The Math Department awards credit based on a variety of PLA's, including Challenge Exams, AP Calculus AB/BC, AP Statistics, ACT scores, CLEP (QL 1900 only), and ALEKS.
Physics	AP Scores	AP Physics 1 Test
		Passed with a score of 3, 4, or 5 allows students to receive credit for PHYS 1900 (3 credits)
		AP Physics 2 Test
		Passed with a score of 3, 4 or 5 allows students to receive credit for PHYS 1900 (3 credits)
		AP Physics C: Mechanics Test
		Passed with a score of 3 allows students to receive credit for PHYS 1010 (3 credits)
		Passed with a score of 4 or 5 allows students to receive credit for PHYS 2010 and PHYS 2015 (5 credits total)
		AP Physics C: Electricity & Magnetism Test
	Passed with a score of 3 allows students to receive credit for PHYS 1010 (3 credits)	
	Passed with a score of 4 or 5 allows students to receive credit for PHYS 2020 and PHYS 2025 (5 credits total)	

School of the Arts - Current CPL Options

Department	Type of Assessment	Notes
Art & Design	AP	Art History: 3= ART 1010, 4=ARTH 2710, 5=ARTH 2710 & ARTH 2720; 2D Design 3,4,5=ART 1900; 3D Design 3,4,5=ART 1900; Drawing 3,4=ART 1020, 5=ART 1110
	DANTES (DSST)	Art of the Western World: 53+ Score gives credit for ART 1900
	International Baccalaureate (IB)	HL 5-7 = ART 1010 + ART 1900 SL 5-7 = ART 1010
	Challenge Exams	For Art History courses the department requires students to take the exams for the course to demonstrate their understanding of the content.
	Portfolio Assessments	For each course they differ slightly. Students are required to submit a portfolio of their work related to what is taught in the course. Typically students are asked to submit 10-15 samples of work that demonstrate the fulfillment of the course objectives and key skills being taught in that particular course. The department relies upon course syllabi, course objectives, and the course description to create a list of the skills being evaluated. If the work in the portfolio meets the standards of the course, the student is granted challenge credit. If the work in the portfolio is lacking in standards taught in the course, the student must take the course.
Dance	International Baccalaureate (IB)	HL 5-7 = 6 credits; SL 5-7 = 3 credits
	Challenge Exams	For technique and other studio courses if a student comes into the department having performed in a recognized professional dance company.
	Individual Performance Assessments	Technique - Placement auditions in all technique courses are conducted during the first week of classes to assess the level of technical skills. Performance - Auditions are held during the first week of classes for performance companies and teams to assess varying aspects of performance in each genre. The department does not give credit for course work. The student moves up or down in level based on the placement audition.
Music	AP	Music Theory: 3=MUSC 1100, 4=MUSC 1100 & 1110, 5=MUSC 1100, 1110 & 1130
	International Baccalaureate (IB)	HL 5-7 = MUSC 1010 & MUSC 1900
	Challenge Exams	There is a piano proficiency exam that students must pass during the degree, and they can meet this through taking regularly offered courses or any external means that brings them to the Music Department's established baseline.
	Individual Performance Assessments	Assess music proficiency through an audition as outlined on the department web site for different music concentrations. This also includes a portfolio of compositions/arrangements/song writing from commercial music majors.
Theatre	International Baccalaureate (IB)	HL 5-7 = THEA 1013 & THEA 1900; SL 5-7 = THEA 1013
	Challenge Exams	For studio courses, students must audition and meet the skill/technique level taught in the course. If met, credit for the course is granted. If not met, the student must take the course.
	Individual Performance Assessments	For studio courses, students must audition and meet the skill/technique level taught in the course. If met, credit for the course is granted. If not met, the student must take the course.

School of Education - Current CPL Options

Department	Type of Assessment	Notes
No PLAs in place for any program in the School of Education.		

University College - Current CPL Options

Department	Type of Assessment	Notes
SLSS		All courses in the department are electives; no PLA opportunities are currently in place.
Developmental Math		students can challenge 1030 placement through an exam. Transfer credit is accepted for like coursework.
Literacies & Composition		Placement in ENGH 0890 can be challenged by taking the UVU English Placement Quiz (a directed self-placement protocol). Transfer credit is accepted for like coursework.
ELL	challenge credit	ESL 2110 Advanced Listening/Speaking: Level 6 Standardized Oral Exit Exam & Listening Exam
		ESL 2120 Advanced Reading/Vocabulary: Level 6 Standardized Reading Exit Exam
		ESL 2130 Advanced Writing: Level 6 Standardized Writing Exit Exam
		ESL 2140 Advanced Grammar: Level 6 Standardized Grammar Exit Exam

Woodbury School of Business - Current CPL Options

Department	Type of Assessment	Notes
All	Challenge credit	We offer challenge credit for MGMT 2240, MGMT 2340 and any other course where that is appropriate.
	CLEP	CLEP is for GE credit usually, so I have not seen any of that used or asked for in WSB courses other than ECON.
	AP	AP is the same way as CLEP, but a few students are able to test out of 2240/Calculus if they have had AP calculus.
