CAE SimuFlite Announcement and Application

General Description of the Scholarship

CAE SimuFlite, a Dallas-based aviation training corporation, will award four corporate aircraft training scholarships in 2008. These scholarships will be awarded to students or recent graduates of University Aviation Association member institutions. The aims of the scholarship are to:

- (1) Provide additional industry-based training opportunities for university aviation students: and,
- (2) To broaden the awareness of corporate aviation career paths among university aviation students.

The scholarship will include Citation initial training resulting in a type rating upon successful completion of the course. The applicant is responsible for all travel and housing related costs.

Scholarship Criteria

- (1) For current students of, or graduates of University Aviation Association member institutions.
- (2) Current students must be graduating by May 2008 or must not have graduated with a Baccalaureate Degree more than **two years before the application deadline**. (March 31, 2008)
- (3) Applicants must be candidates for, or have received and **aviation-related Baccalaureate Degree from a University Aviation Association member institution**.
- (4) Applicants must have a minimum of 3.25 on a 4.0 scale overall cumulative grade point average.
- (5) Applicants must possess a current 1st class medical, commercial Pilot License with a multi-engine and instrument rating, and a Certified Flight Instructor rating with instrument airplane endorsement.
- (6) Applicants must have flown a minimum of 50 hours PIC or SIC within the previous 12 months.
- (7) Applicants must have a minimum of 50 hours of multi-engine time.
- (8) Applicants must be available for training during June, July, or August 2008. Recipients of this scholarship will be trained together as a crew.
- (9) Applicants must demonstrate an interest in corporate or business aviation by writing a 250-word essay on how this scholarship will fit into their plans to enter corporate/business aviation. This essay must demonstrate how the applicant will use the CAE SimuFlite Scholarship to pursue a flight-related career. (Tip: have a friend or professional double-check your essay and application for grammatical errors.)
