Section II – To be completed by all students

Initials	I understand and agree to the following:
	I may not receive Federal Financial Aid for attendance at more than one school at a time. If I am attending another institution while attending UVU, I will contact the UVU Financial Aid office to ensure that I am in compliance with federal regulations.
	I am responsible for my financial aid and will ensure all required documentation is submitted in sufficient time to allow for processing which may take up to 10 weeks.
	I am responsible for paying my tuition by the published deadline dates whether my financial aid has been received or not. Failure to do so will result in additional fees as well as my classes being dropped. I am responsible for any late fees or charges I incur and I am responsible for getting my classes reinstated if they are dropped.
	If I owe a financial aid repayment for any reason, I am accountable to pay the amount due. If I do not pay it will be sent to collections and I will be responsible for any collection costs, reasonable attorney fees, or court fees incurred by UVU in an effort to collect this debt.
	It is my responsibility to keep my address and phone number updated and current on UVLink.
	It is my responsibility to stay informed of my financial aid status, which can be obtained through my UVLink account. I need to check UVLink often for any updates concerning my financial aid.
	Business dealings with facilities providing flight training are done at my own discretion as UVU has no connection with any flight training facility outside of UVU.
