Principles of Leadership

FACULTY
Workbook

THE CENTER *for*
the **ADVANCEMENT**
of **LEADERSHIP**

Principles of Leadership is a survey course comprised of concepts known to advance the understanding and practical application of leadership within many life areas. Concepts covered within this course include:

- Lesson 1** Definition & History of Leadership
- Lesson 2** Leadership Theories
- Lesson 3** Developing Your Personal Leadership Style
- Lesson 4** Creating the Vision
- Lesson 5** Setting Goals
- Lesson 6** Time & Meeting Management
- Lesson 7** Four Styles of Communication
- Lesson 8** Power in Diversity
- Lesson 9** Making Decisions
- Lesson 10** Managing Conflict
- Lesson 11** Developing Power
- Lesson 12** Team Building
- Lesson 13** Managing Change
- Lesson 14** Ethics
- Lesson 15** Coaching Skills

Each module includes conceptual content, exercises, case studies, quiz questions and other supportive material to allow for multiple delivery strategies.

This course is designed for upper level high school and first-year college students who are interested in the study of leadership, while advancing their personal and interpersonal effectiveness.

All content within this publication was written, edited and produced by the Center for the Advancement of Leadership at Utah Valley University.
