# **UVU Multi Car Parking Permit Form 2008-2010**

## **MultiCar Permit Regulations**

1. The initial purchase price of the MultiCar permit is the same price as a standard yellow student permit. Each additional vehicle costs \$5 and it is limited to five vehicles per permit.
2. Only one hangtag will be issued per student. Each vehicle on this form will also be issued a yellow MultiCar decal.
4. Students must display both a valid yellow MultiCar hangtag and have a valid MultiCar decal properly applied in a registered vehicle in order for the permit to be valid for parking at UVU.
5. The MultiCar permit is valid in the same parking areas as standard yellow permits; it is not valid in other areas of campus, such as employee lots.
6. Parking with only the MultiCar decal displayed, but no hangtag, makes the permit invalid. Any vehicle displaying a MultiCar decal without the proper hangtag will be cited.
