* Peer Tutoring *

This course is supported by tutors from Academic Tutoring. Tutors are students that have completed this course, and they understand the concepts well enough to help you work through questions you have.

The tutoring program is certified by the College Reading & Learning Association, which means that tutors are trained to share learning and study strategies during tutorial sessions. While tutors will not complete or correct homework for you, or help you on take-home tests or quizzes, they will help you understand and reinforce concepts that you are learning in this class.
