Stewardship Conversation Outline for Colleges and Schools

Note that for academic divisions, Scott Wood and Laurie Sharp will be providing you with your division's performance-based funding data in the next couple of weeks. Due to that timing, your presentations have been scheduled for November. Additional data is available at [CQE | \(uvu.edu\)](https://uvu.edu/cqe)

The screenshot shows the UVU Business Intelligence & Research Services website. The header includes the UVU logo and the text "BUSINESS INTELLIGENCE & RESEARCH SERVICES". Navigation links include "INFO ABOUT UVU", "KEY INDICATORS", "EXECUTIVE BRIEFINGS", "RESEARCH", "REQUEST", "RESOURCES", "LEARNING OPPORTUNITIES", and "ABOUT BIRS". There are also buttons for "APPLY TO UVU", "WHY UVU", and "MYUVU", along with a search icon.

Completion, Quality, and Efficiency Metrics (CQE)

The following data are intended to provide top level indicators in institutional performance, focused on supporting the institutional goal of reaching 45% completion by 2025. These data have been grouped together to stimulate discussion as the final items and format of these data are being discussed.

Step 1: Summarize the State of the School/College

Suggested Time Allocation: 10 minutes

Provide a summary of the following information for the school/college:

1. Enrollments for the school/college and departments
2. Cost per full-time equivalent for the school/college and departments
3. Completion rates (i.e., awards made within one-and-a-half time, such as 1.5 years for a one-year certificate, 6-years for a bachelor's degree)
4. Major shifts in course enrollments
5. High-value awards for the school/college and departments

Performance Funding

< \$2.0 Million

Timely Completion; \$2.6 Million set aside last year to continue the one time-funding.

Enrollment Growth

\$0 ~ \$4.5 Million

Legislative Growth Formula – Still catching up
Need to refill contingency funds (**down \$8 Million last year**)

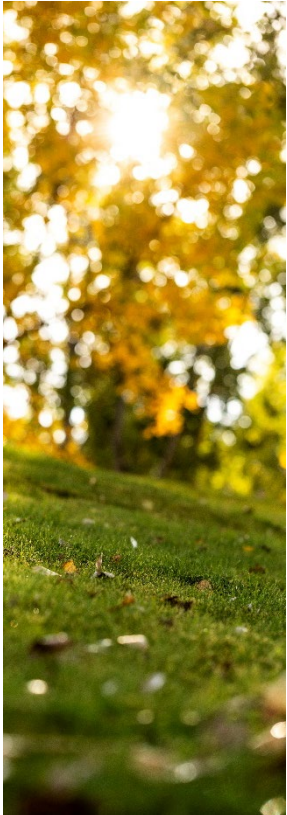

Refocusing

- In years past, these PBA conversations focused on resource requests that made up less than 0.4% of our overall budget.
- The shift is not a change in direction. We are using the same metrics.
- Moving forward, we are refocusing on how we are doing as a university with ALL of our resources – including the other 99.6% that was glossed over during the stewardship conversations.

Step 1: Summarize the State of the Administrative Unit/Division

Suggested Time Allocation: 10 minutes

Provide a summary of the following information for the administrative unit/division:

Employee Information: Number of employees by employee classification (i.e., full-time exempt, full-time classified, part-time hourly, part-time student workers), etc. FTE and employee counts can be provided by the Budget Office.

Operational Information: Revenue generated, operating expenses, etc.

Metrics to Measure Success: Identify measures that the Administrative Unit/Division measures its success by. Similar to “CQE” metrics for Academic Affairs.

Step 2: Provide Evidence for Constraints on Enrollments and Completion

Suggested Time Allocation: 5-7 minutes

Use evidence to indicate specific challenges within the school/college/division to expand student enrollment and facilitate timely completion.

Step 3: Reference Strategic Planning Efforts

Suggested Time Allocation: 5-7 minutes

For the school/college, list the three strategic goals and objectives delineated in the 2023-2024 administrative assessment plan document. Respond to the following questions:

1. How do these goals align with strategic planning efforts with [Vision 2030](#) or other UVU [master plans](#)?
2. How will the reallocation of available resources within the school/college meet strategic goals and achieve intended outcomes?

“The reputation of an institution is, in part, a reflection of the reputation of its president.”

- The Chronicle of Higher Education

- Publishing articles in higher-education publications.
- Joining regional and national higher-education boards.
- Serving on panels and making presentations at conferences.
- Becoming active and visible in the community.
- Making judicious comments to the news media on higher-education issues.
- Building pride in the institution’s accomplishments among trustees, alumni, faculty, students, and community.
- Assembling an engaged board of trustees.
- Becoming media-savvy.
- Inviting well-known scholars to campus so that they can become ambassadors for the college.

Strategic Plans Moving Forward

What / So What / Now What

IA PRIORITIES FOR 2023-2024

Strengthen the foundation for ongoing giving, support, and engagement for UVU's students, programs, and priorities.

Vision 2030 – Engage C

Raise at least \$50M towards \$350M EverGREEN Campaign goal (2026) to transform opportunities for students.

1. Enhance internal and external partnerships to increase campaign awareness, effectiveness, and giving.

2. Establish and transform data culture to improve all aspects of the EverGREEN Campaign.

3. Launch aggressive alumni strategy to dramatically increase alumni affinity, engagement, and giving.

Strengthen staff confidence, competence, and collaboration to improve student impact, IA effectiveness, and the donor experience.

MEASURABLE OUTCOMES 2023-2024

Raise at least \$50M

- **Increase #/amount of gifts in: Principal, Major, Annual, Planned, Alumni, and Employee Giving**
- 80% from Principal donors (\$40M), 15% from Major donors (\$7.5M), 5% from all others (\$2.5M)
- Execute critical events leading to increased giving (eg. Scholarship Ball, PES trip, CET groundbreaking)
- Raise at least \$20M toward endowment to surpass \$100M

Enhance partnerships

- Outside of UVU: **Complete board audit and improvement**, Ambassador program, increase # of ECMs, Silicon Slopes
- Within UVU: UEC, Campaign leadership group (Academic units, Athletics, SA, MarComm)

Establish and transform data culture

- **Launch campaign dashboard** w/varying levels of access to detail – provides real-time campaign health check
- Consolidate and onboard appropriate technologies to enhance IA processes and donor experience

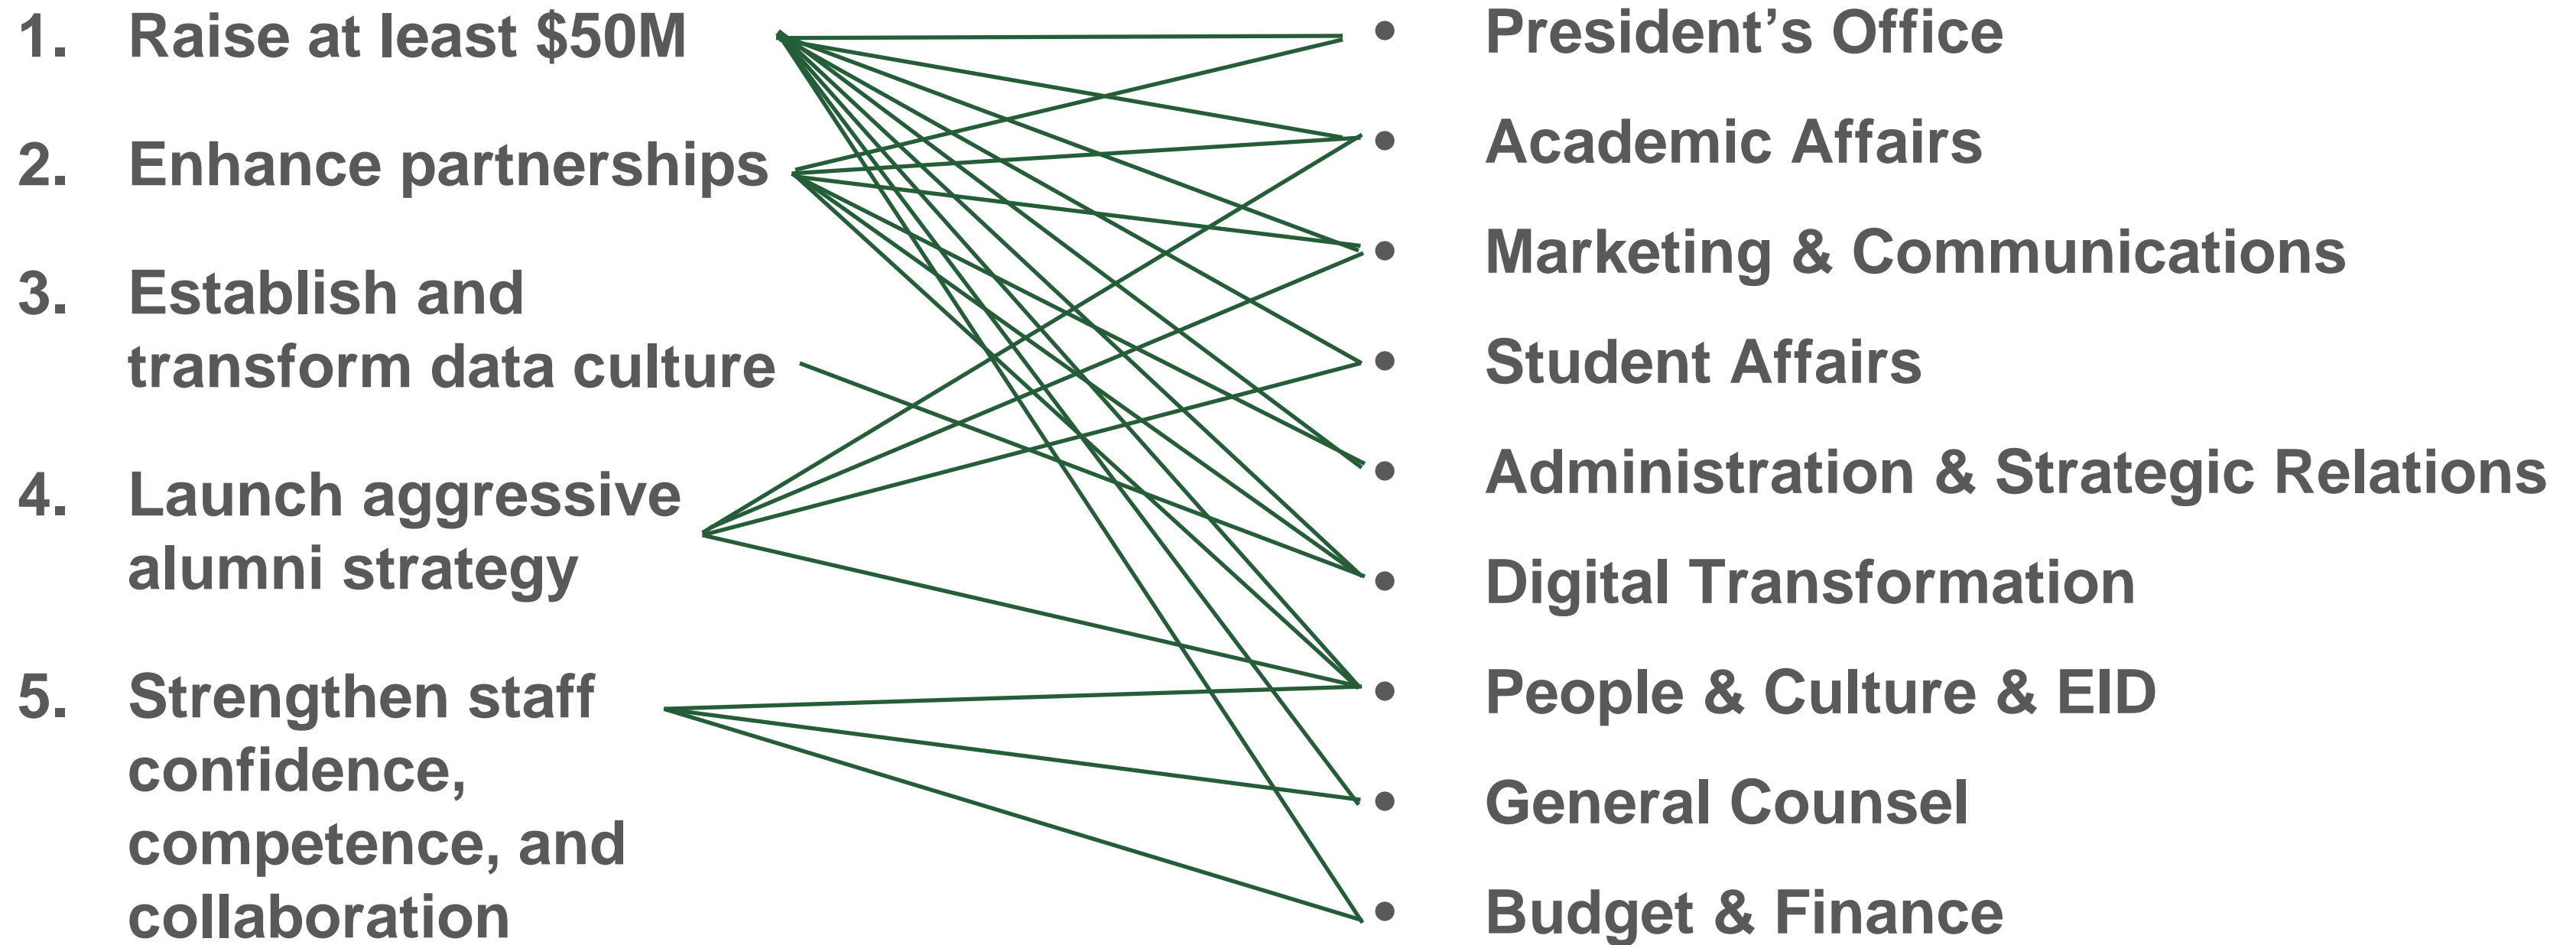

Launch aggressive alumni strategy

- **Build cross-campus Alumni Coalition** to amplify alumni connections (establish alumni liaison in each school/college)
- Launch Phase One of Wolverines on the Road
- Re-engage student alumni ambassadors to create culture of "alumni mentality" with current UVU students
- Engage Top 100 key alumni

Strengthen staff competence, confidence, and collaboration

- **Continue cross-training and "line-of-sight" impact discussions**
- Improve internal communication and collaboration through unified Share Point site.
- Transform onboarding and campaign training processes (over 40% of the division is new in the last year)
- Enhance capacities and leadership in a variety of areas: prospect research, donor relations, annual and planned giving, and database management
- Strengthen CASE understanding and compliance

Finance Constraints on Enrollments and Completion

Lack of clarity into college spending at the program and course level impairs the ability to shift resources to bottleneck areas.

The length of the faculty hiring process shifts spending from permanent lines to adjunct hires, tying up appropriated dollars for vacant lines.

Even with appropriation increases for compensation, inflation is eating into the areas where appropriations and tuition has been “frozen.”

Building has outpaced donors' payment schedules, tying up reserves.

Continuing Education Constraints

Significant workload carried by a number of part-time employees

Lack of articulation agreement between Continuing Education and Academic Affairs has prevented earning credit for coursework or certifications.

Revolving door in leadership has impeded long-term planning and investment in marketing, relationship building, and course adaptation.

Loss of multiple positions to other organizations has knee-capped the division in key areas.

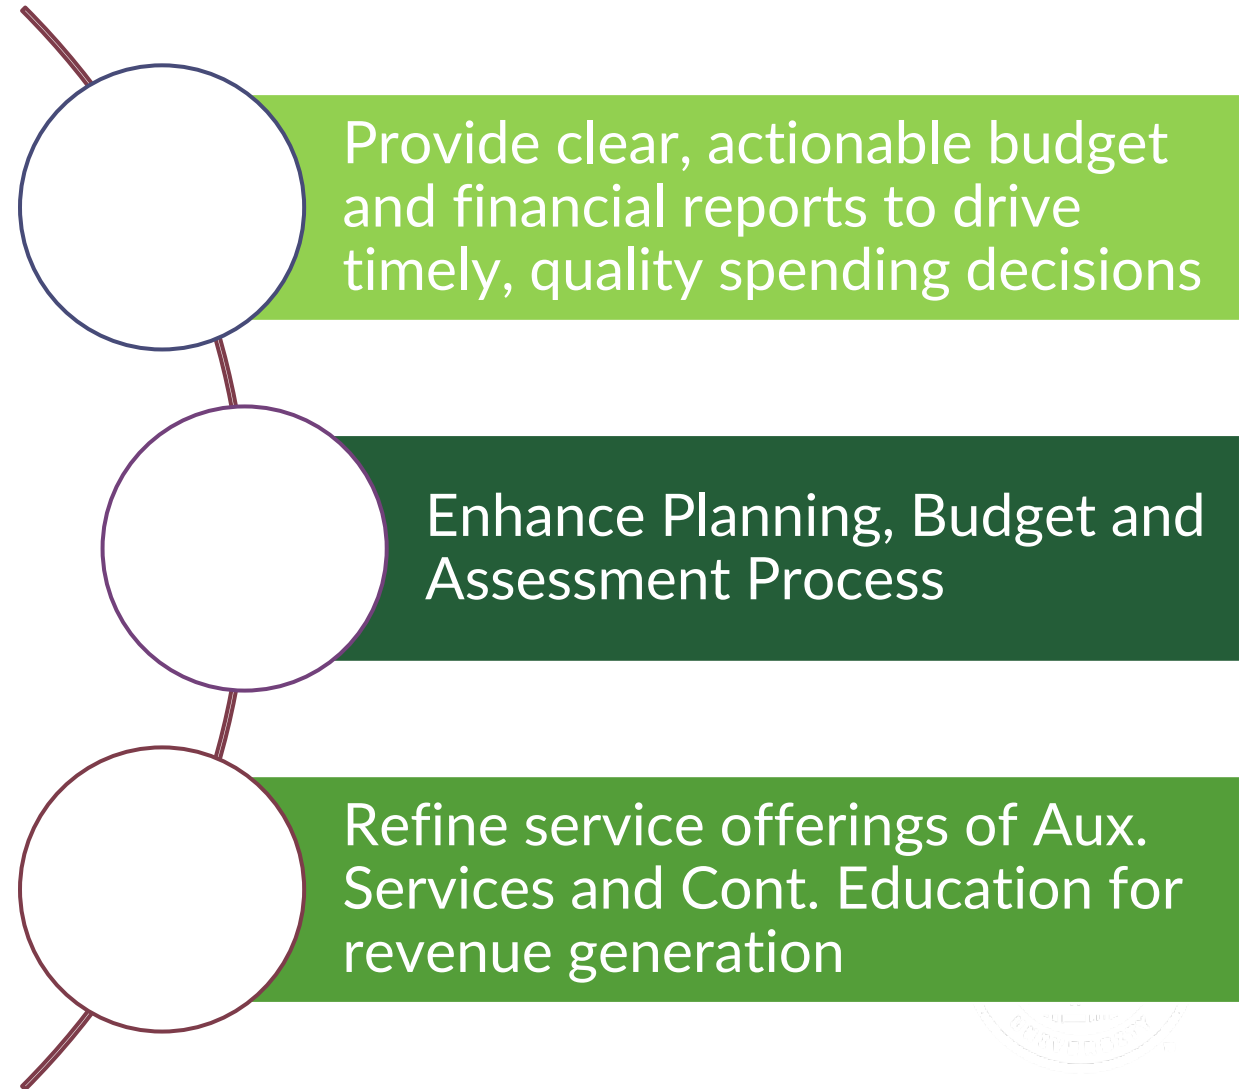

Step 3: Reference Strategic Planning Efforts

2. Enhance Planning, Budget and Assessment Process

Refocus PBA conversations on entirety of budget.

Partner with Academic Affairs to implement software package for granular analysis of program enrollments and costs.

Shift resources to address enrollment and completion constraints.

3. Refine service offerings of Auxiliary Services and Continuing Education for revenue generation

Reducing part-time headcount in dining services through attrition.

Organizing ConEd around principles of operational excellence.

Creating custom executive education offerings.

Restarting workshop and conference services.

Giving the campus store a name.

Greatly expanding our licensed merchandise offerings.

Increase stackable credentials working with Academic Affairs

Current Refresh Cycles

- Classrooms 7-years
- Network Edge 7-years
- Security Firewalls 7-years
- Cameras replace at failure

Industry standard is 5 years!

WHAT DOES a 7-year REFRESH CYCLE LOOK LIKE?

15% of UVU's network and classrooms are running at iPhone 7 levels—still making phone calls but requiring more resources, support, and customization to remain stable.

START

Ernie was feeling the pressure of his course load and decided to drop a 3 credit class.

Ernie's action triggers the Coordinated Care Network and is sent a text alert. A ticket was created to inform him of the potential consequences of his decision.

Ernie logs onto his ticket dashboard and sees the alert. He can read more about the ticket or elect to talk to an advisor.

Ernie wants to talk to his advisor to better understand the effects of his decision.

Ernie can easily make an appointment with his academic advisor on the dashboard.

The academic advisor realizes Ernie needs more info from a department advisor. The academic advisor updates Ernie's ticket to reflect their conversation and it alerts the department advisor.

The department advisor has read the past conversation and is ready with the right info when Ernie comes to meet with her. Ernie has a great chat with this advisor.

Ernie now feels he can make an informed decision. The academic advisor logs their conversation and Ernie closes the ticket.

Strategic Planning – ASR Goal #2

Strengthen UVU Athletics programs and position UVU as a strong mid-major

- **Student Athlete Experience & Welfare**
 - Supports 'Achieve' & completion through excellence in creative activities, and through comprehensive services and excellent staff.
- **Competitive Excellence**
 - Supports 'Achieve' & mastery of learning outcomes. Also supports 'Engage' by expanding community engagement opportunities.
- **Community Engagement**
 - Supports 'Engage' & outreach by strengthening the foundation for ongoing giving, support, and engagement for UVU's students, programs and priorities.

Vision 2030

The UVU Athletics department strategic plan implements the Achieve, Include, and Engage strategy of Vision 2030. UVU Athletics' main focus is to support the mission of UVU and help the student-athletes become **Champions in the classroom, Champions in competition, Champions in the Community and Champions in life.**

- **Achieve**: Student-Athletes, coaches, administrators and staff seek excellence and commit to fulfilling their responsibilities while emphasizing the significance of acting with honesty and integrity.
- **Include**: UVU Athletics strives to build an inclusive culture where student-athletes and employees of diverse backgrounds receive all the support they need to achieve their maximum potential academically, athletically, in the community and in their careers/life.
- **Engage**: UVU Athletics will foster a culture that offers student-athletes, coaches and staff the opportunity to develop academically, athletically and professionally, to win championships, and become engaged citizens.

CELEBRATION

The word "CELEBRATION" is rendered in a bold, white, 3D sans-serif font. The letters are thick and have a slight shadow beneath them, giving them a three-dimensional appearance. The word is centered horizontally and surrounded by a dense, scattered cloud of small, rectangular confetti pieces. The confetti is multi-colored, featuring bright red, blue, green, and yellow pieces. The background is a plain, bright white, which makes the colorful confetti and the white text stand out prominently.

KEY ISSUES FOR THE 2023-24 PBA CYCLE

- Not likely to be considerable new funding to UVU this year.
 - Growth funding
 - Performance funding
 - Waiting for resolve on '22 targets
 - '23 targets: timely completion, high yield awards, access
- PBA tends to focus on budgeting new funds and less on assessment of current funding.
- We *all* hold fiduciary obligations to the university, its students, and tax-payers and a duty to further our institutional mission.

ACADEMIC AFFAIRS OPERATING BUDGET

- UVU 2023-24 operating budget: \$329M
- Academic Affairs 2023-24 operating budget: \$201M
- 92% of AA operating budget supports salary, wages, and benefits
 - \$109M supports salaried faculty and staff
 - \$50M supports salaried benefits
 - \$17.9M supports hourly faculty
 - \$6.5M supports hourly staff
 - \$1.9M supports hourly benefits
- 8% of AA operating budget supports other expenses
 - Current expenses (\$15.1M)
 - Travel (\$1.1M)

ACADEMIC AFFAIRS OPERATING BUDGET - BREAKDOWN

- 85% of the Academic Affairs operating budget is directly controlled by colleges/schools
- 15% of the Academic Affairs operating budget is managed by the Office of Academic Affairs
 - 2% of the Academic Affairs operating budget is managed by the provost
 - 13% of the Academic Affairs operating budget is managed by associate provosts
- Provost's direct budget Includes:
 - Salary, wages, and benefits, contingencies, Honors Program, Faculty Senate, Research Office, Constitutional Studies, centers, etc.

ACADEMIC AFFAIRS BY STUDENT CREDIT HOUR (SCH)

- 83% of SCH production is generated by 4 Schools
 - CHSS, COS, SCET, WSB
- 64% of the Academic Affairs operating budget is managed by same 4 schools
- SCH production varies considerably between departments
- SCH production tends to be highest in CHSS, COS, WSB
- SCH production tends to be lowest in SOA
- Key influencers: general education requirements, majors, student interest

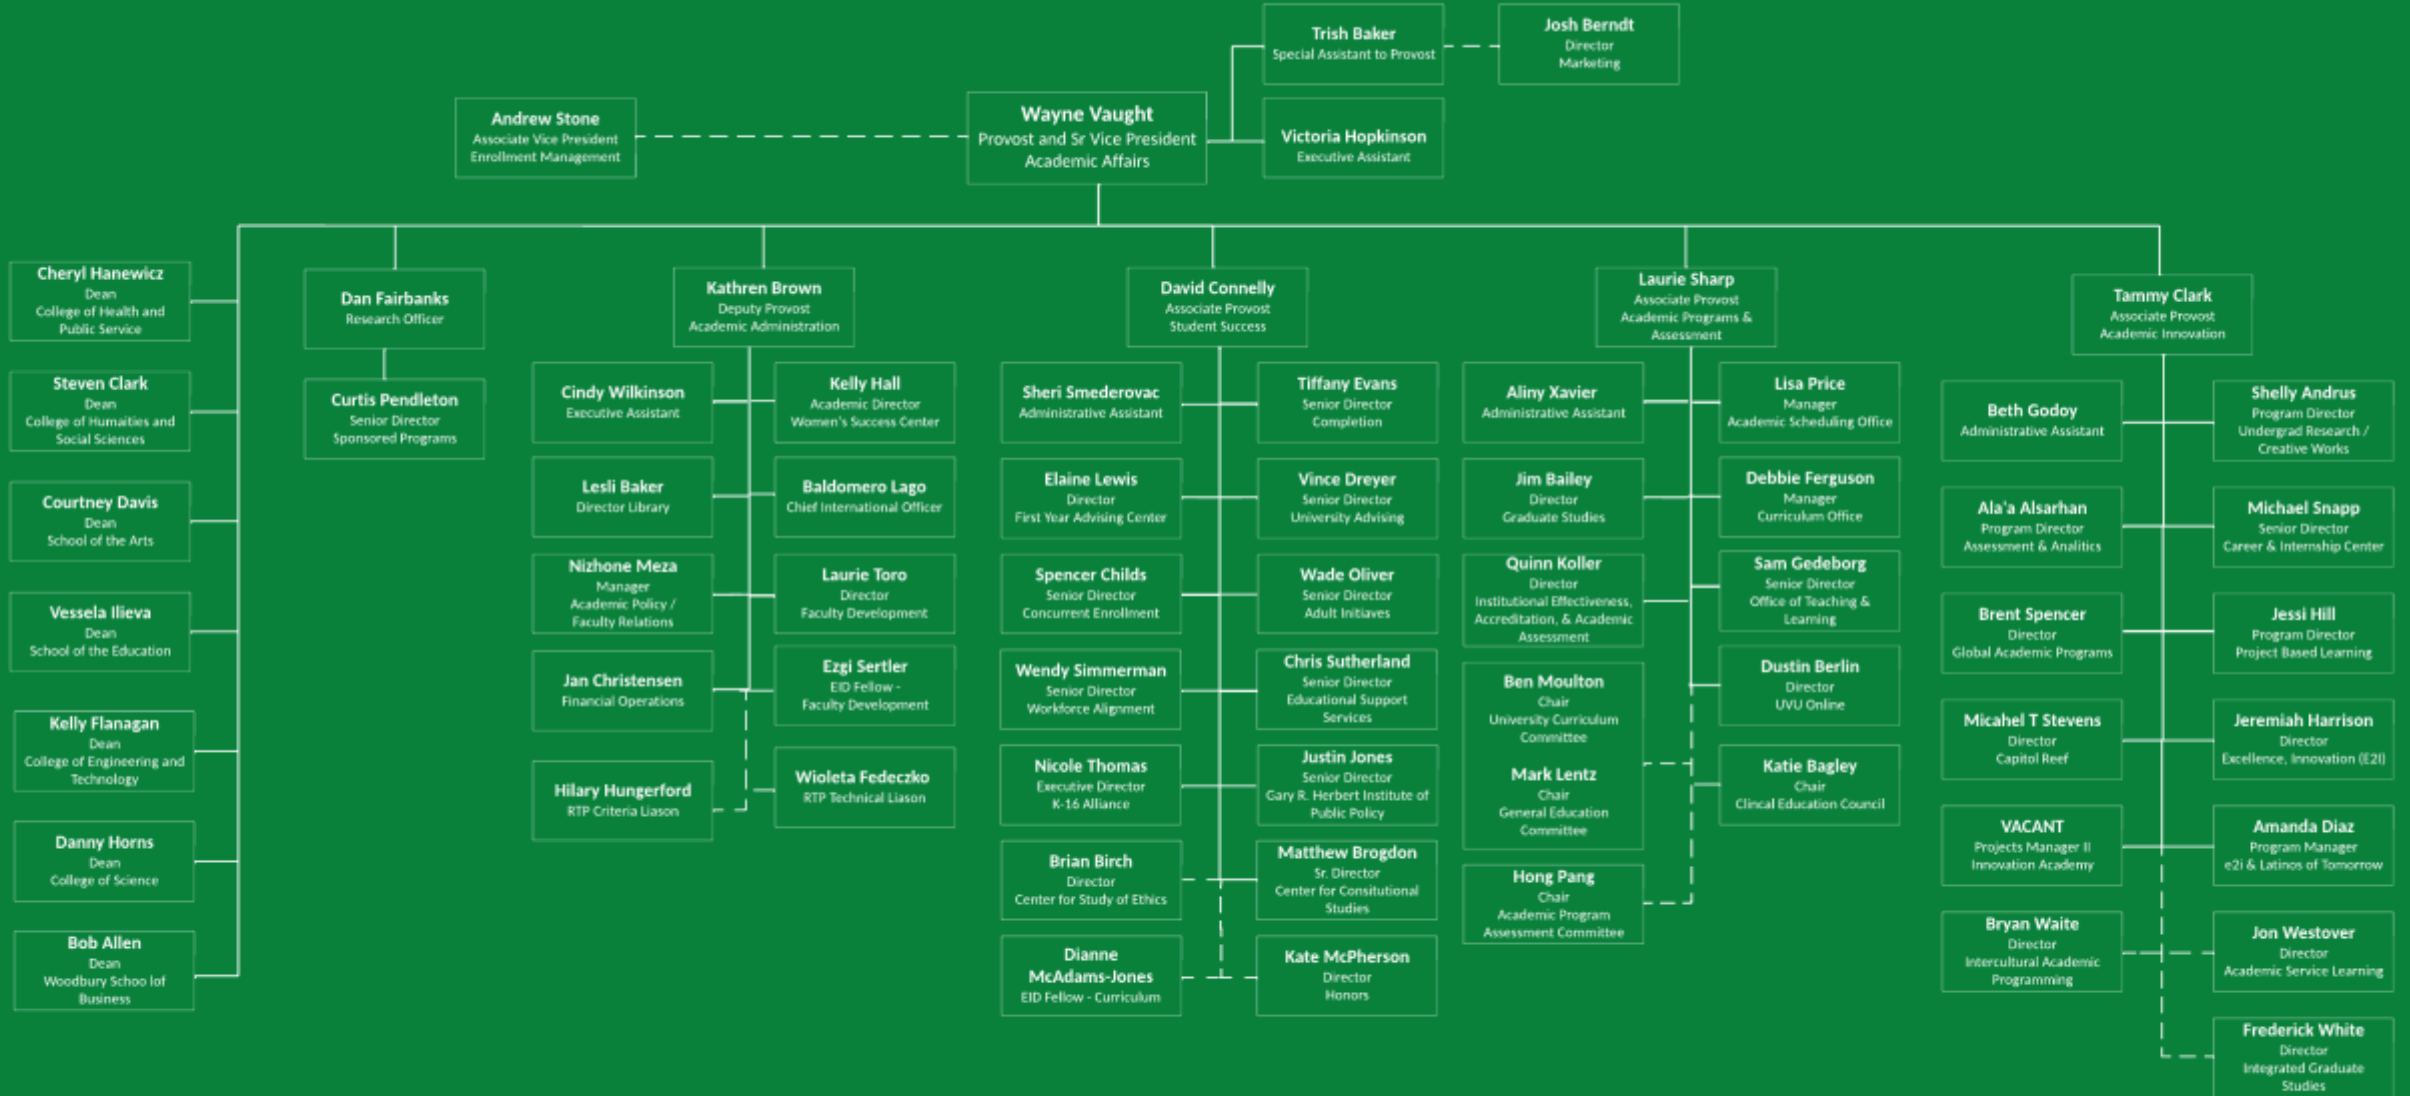

KEY AREAS OF FISCAL FOCUS

- **Quarterly financial reviews**
- **Improved assessment tools and trainings**
 - Introduction of Gray Associates software
- **Improved dashboards and data at fingertips**
 - Working with BIRS to ensure essential data available without request
 - Training and effective utilization of data
- **Effective strategies and financial planning**
 - Horizon document, etc.
- **Points of emphasis**
 - Departments do not own budgets or faculty/staff lines
 - Colleges/schools/academic divisions do not own budgets or faculty/staff lines
 - Strategic allocations and reallocations of existing resources are critical to long-term success as an institution and will have a greater impact than focus on new money.

ACADEMIC AFFAIRS ORGANIZATION CHART

ACADEMIC ADMINISTRATION

- Employee Information:
 - Fulton Library (incl. Roots of Knowledge): 37FT, 19PT; 30 PT student workers
 - Office of Global Engagement: 3FT; 1 PT; 1 PT student worker
 - Office of Faculty Development: 4FT; 4 PT student workers
 - Office of the Deputy Provost: 3FT; 1 PT student worker

 - Travel: \$5,179

FACULTY INSTRUCTIONAL CREDIT HOUR (ICHE)

- USHE Policy R312 mandates regional universities to demonstrate an average of 24 ICHE per academic year. It is generally expected that this is divided over the Fall and Spring semesters.
 - UVU FT Faculty ICHE Average for Fall 2023: 11.45
- Workload is impacted by
 - Faculty type: lecturer and tenure-track/tenured
 - Discipline-based accreditation (AACSB, ABET, etc.)
 - Governance obligations (department chair, Senate presidency, etc.)
- UVU Adjunct Faculty ICHE Average for Fall 2023: 4.74

METRICS TO MEASURE SUCCESS

Excluding the Library, our division is focused on faculty success so that faculty will provide excellent learning environments for students. The Library strives to offer materials and support to students to assist their persistence and to the faculty to provide useful materials for courses and research.

1. Fulton Library

1. Material usage numbers (databases, circulation materials, equipment loans)
2. Civitas data on student usage of library resources and impact on persistence

2. Office of Global Engagement

1. Number of conferences and events that include and develop faculty
2. Number of students attending conference and events

3. Office of Faculty Development

1. Number of unique faculty members who participate in a university-sponsored pedagogical or developmental experience through the Office of Faculty Development (SCOTs and POET; workshops, trainings, learning circles)
2. Number of unique faculty members using Faculty Success for annual reviews and the RTP process
3. Number of mediations focused on improving faculty's working environment

ENROLLMENT AND COMPLETION CONSTRAINTS

- Our area is focused on providing material support to students and developing faculty. We do not directly impact enrollment or timely completion as courses in a school or college would. However, we indirectly affect students and directly affect faculty.
- Our challenges:
 - UVU has the smallest student-to-librarian ratio for four-year universities in the USHE system. This impacts librarians' ability to help students in the Library, to engage with classes, and to offer courses.
 - Limited funds to add to and replace databases and aging Library loaner equipment: hotspots, laptops, skeletons, etc.
 - Lack of funds to onboard and train adjunct/hourly faculty.

STRATEGIC PLANNING EFFORTS

- 1. How do these goals align with strategic planning efforts with Vision 2030 or other UVU master plans?**
 1. Engage, a: Expand engaged learning and community engagement opportunities for students, faculty, and staff
 2. Achieve, b: Support completion through excellence in teaching, scholarship, and creative activities
 3. Achieve, c: Improve completion through seamless processes, comprehensive services, and excellent staff
- 2. How will the reallocation of available resources within the administrative unit/division meet strategic goals and achieve intended outcomes?**
 1. Units in the division regularly review positions to ensure they are relevant, compensated at median market rates, and receive adequate training in their areas.
 2. Units in the division regularly review faculty participation in events to make sure funds are used in experiences that contribute to faculty success and faculty find meaningful.
 3. The Fulton Library annually reviews databases and materials to maintain the best resources possible for students and faculty.

Financial Stewardship Strategies

- Fall 2022:
 - The Assistant to the Dean - Academic Affairs developed a fiscal year snapshot for each unit that showed expenditures by category.
- Spring 2023:
 - Each unit analyzed their respective fiscal year snapshot to identify patterns and look for improvement areas.
 - Each unit developed a budget for FY24 using a zero-based approach.
 - Associate Provost for Academic Programs and Assessment worked with leadership team to right-size budget and positions and make needed reallocations.

PLANNING EFFORTS - UP NEXT...

- Top 30 dashboards and analysis in support of faculty efforts.
- Poison Pair Analysis and action steps.... work with programs as this touch's enrollments and pathways.
- Predictive Analytics
 - Civitas contract?
 - Usage and understanding is strong but....

ENROLLMENT FUTURE

- Currently 6k students a year do not return to UVU (Snow College)- no credential and no transfer- this is our contribution to SCND.
- What if we retain 3K (50%) of those each year for 5 years (we assume the first group is graduating after 5 years).

ENROLLMENT IN 2030 IS....

- 2% from the SEM if maintained gives us 50K in 2030 but.....
- Keep it simple- (math!!!) we retain 15K- now we enroll... 65K in 2030
- I hope you are saying- that can be done and in fact we should do MORE.....
- The NEW/RETAINED revenue from this...\$74M- 60/40- 2023 rate...anyone else have a source for that much new on-going revenue? (that is the equivalent of a \$1.8b endowment at 4%)

Every one-percentage point increase in the 8-Year Outcome Measure means that the lives of 72 students have been changed forever.

COMPLETION RATES

ENROLLMENT AND COMPLETION CONSTRAINTS

- ❖ Accreditation requirements
 - Stipulate space per student
 - Determine how fast a program can grow
- ❖ Limited cohort size (times per year)

Dental Hygiene – 20 (1x)	Respiratory Therapy – 20 (1x)
Nursing – 80 (2x)	Physician Assistant – 30 (1x)
Paramedic – 24 (3x)	Forensic Science – 12 (2x)
- ❖ New programs may take years to gain initial accreditation
 - OTA in 2026
 - PTA in 2028
- ❖ Healthcare Initiative not fully funded (e.g., 3rd cohort funding for Paramedic)
- ❖ USHE Grants now needed for some funding which takes considerable time and effort

STRATEGIC GOAL #1: IMPLEMENT HEALTHCARE EXPANSION

Alignment w/Vision 2030 and Master Plans	Resources and Reallocations
<ol style="list-style-type: none">1. Expand to Lehi 2 to meet needs of Dental Hygiene, Paramedic, Respiratory Therapy (RT), and Law Enforcement Academy (AMP resources)2. Student Budget-Related FTE by Academic Year in CHSS:

Course Level	# Change since 2018	% Change since 2018	FTE in 2022 Academic Year
Remedial	-135	-72.3%	51.7
Lower-Division	-732.7	-7.5%	8,982.0
Upper-Division	+694.8	+22.6%	3,665.9
Graduate	+333.5	+207%	442.7
All CHSS Courses	+160.5	+1.2%	13,242.2

Trends in FTE indicate that the decline in headcount is due to more graduates

- More students are taking major-specific upper- and graduate- level coursework over the last 5 years.
- The number of students engaged in CHSS lower-division courses has decreased.

ENROLLMENT AND COMPLETION CONSTRAINTS

Financial challenges are among the greatest barriers to student completion in Utah.

Development of Open Educational Resources:

- CHSS support for development and incorporation of OERs.
- There have already been 8 OER projects approved and funded this year.
 - In the 2022 Academic Year, there were 6,366 students who would benefit.
- Goal to save students hundreds of thousands of dollars each year.

STRATEGIC PLANNING EFFORTS

Strategic Goals from the CHSS 23-24 Administrative Assessment Plan:

1. Better communicate student learning outcomes.
2. Increase use of high impact practices (HIPs) in CHSS.
3. Assess and improve the Humanities and Social Sciences AA/AS degree.

Vision 2030 Vision Statement:

“Utah Valley University will be students’ first choice for accessible, relevant, high-quality education.”

STRATEGIC PLANNING EFFORTS

How will the reallocation of available resources within the administrative unit/division meet strategic goals and achieve intended outcomes?

- The goals identified in the 2023-2024 Administrative Assessment Plan will not require additional funding or resources beyond those already available within CHSS.

Reallocations of resources within CHSS will be used to ensure:

1. CHSS meets accreditation requirements for all programs
2. Students are provided high-quality, rigorous educational opportunities
3. CHSS programs have sufficient faculty and staff to support their core functions.

STRATEGIC PLANNING EFFORTS

Reallocation Process for Faculty and Staff Lines within CHSS:

CHSS reviews every open line to determine if it should be reallocated. This year CHSS reviewed 19 faculty lines for reallocation, informed by factors such as:

- Accreditation Requirements
- Service/Leadership Needs
- Program Student Headcount (current and 5-year trajectory)
- Program Student FTE (current and 5-year trajectory)
- Number of Majors/FT Faculty (current and 5-year trajectory)
- Number of Student FTE/FT Faculty (current and 5-year trajectory)
- Number of adjuncts/FT faculty (current and 5-year trajectory)

Impact:

- Significant barrier to retention and completion.
- Cannot meet student demand, particularly in Art & Design.
- Impacts both student and faculty/staff retention.

Analysis:

- Not an issue of mismanagement.
- Continuation of historic funding issues coupled with growth.
- Now more visible.

Changes Made:

- Targeted interdepartmental reallocations.
- Reduction of non-essential classes/support.
- Careful scheduling.
- Caps on curricular production support.
- Limitations on R&R.

ENROLLMENT AND COMPLETION CONSTRAINTS

Key Challenge: Facilities & Production Support

Limited Funding

\$0 approp. funding for Theatre and Art & Design to support production and exhibition expenditures.

Reliance on fluctuating revenues to fund curricular programming.

A&D, without ticket sales, must reallocate from its operating budget.

Increased Expenses/Decreased Resources

Inflation significantly increased production and exhibition costs
SOA greatly impacted by 2020 Covid budget cuts.

Significant R&R needs.
Limitations impact the student experience, patron experience, as well as safety/risk management.

Considerable efforts to reduce expenses, reallocate funds, utilize any carry-forward, and limit production support.

SOA/Noorda charges internal/external users to cover overhead costs.

SOA at risk of not meeting academic program minimums.

Increase marketing efforts with goal of increasing \$2 student tickets sold.

500+ students per year directly involved in HIPS funded by SOA.

ENGAGE

Create and expand opportunities for students to engage with the UVU Museum of Art.

Curate Noorda Series with focus on student and community audiences and engagement.

Continue Sundance Summer Musical partnership

SOA engages with thousands of visitors, patrons, and audience members.

EID

Continue marketing initiatives to ensure that historically marginalized communities are engaged with opportunities to attend events and interact with guest artists.

Take action based on student BIPOC Committee recommendations and student climate surveys.

STRATEGIC PLANNING EFFORTS

Expand recruiting efforts to support program enrollment and quality.
Include | Achieve | Operational Effectiveness

Targeted recruitment plan for one low-enrolled program in each department to increase enrollment rates based on individual program needs.

Increase financial support [through internal realloc.] for recruitment efforts across SOA.

Utilize Concurrent Enrollment courses, the TYE Center, and the UVU Museum of Art for recruiting opportunities.

Support development of online offerings within SOA to strategically broaden SOA educational offerings across delivery modalities.

Update website and department recruitment materials across SOA.

Focus fundraising efforts on increasing SOA scholarships.

SOA hosted numerous recruitment events in 22/23, bringing thousands of high school students to campus for conferences and performances.

STRATEGIC GOALS AND OBJECTIVES

2023-2024 ADMINISTRATIVE ASSESSMENT PLAN (1)

Goal 1: Support Student Success Through Improved Recruitment, Retention, and Completion

Objectives

- 1.1 Support and enhance existing and develop new recruitment activities and events.
- 1.2 Enhance student retention experiences and initiatives.

UVU's Vision 2030 Strategy - #3 Achieve:
Enhance Student Success
Through Improved Recruitment, Retention, and Completion

STRATEGIC GOALS AND OBJECTIVES

2023-2024 ADMINISTRATIVE ASSESSMENT PLAN (2)

Goal 2: Increase Student Success Through Inclusive, Accessible, and Flexible Programs and Initiatives

Objectives

2.1 Continue to develop and implement courses and programs in multiple modalities while considering related trends in student and industry needs.

2.2 Enhance the equity, inclusion, and diversity initiatives of the School of Education.

About the Curriculum

The UVU School Counseling program offers a comprehensive 2-year curriculum, spanning across 6 semesters, including summers. Students have the flexibility to choose between two cohort options: face-to-face or online. For our face-to-face program, coursework is held on the UVU campus on Monday and Tuesday nights from 5:00-8:00 pm, with some online courses for added flexibility. Our online cohort completes asynchronous online classes and attends in person live skills labs over two weekends during the first fall and spring semesters of the program. The curriculum aligns with the CACREP accreditation learning standards and the Utah State Board of Education Standards for Utah School Counselor Education Programs.

Students in the program complete a practicum and internship. The practicum consists of 100 hours in a school setting which occurs during the first spring semester students are in the program. During this time, students work directly under the supervision of a professional school counselor. Additionally, during the practicum, students meet for 1.5 hours each week in a small group with a mentor who is a school counseling leader in the state.

UVU's Vision 2030 Strategy - #1 Include:
Provide Accessible, Flexible, and Affordable Education
in an Environment That is Inclusive for All.

STRATEGIC GOALS AND OBJECTIVES

2023-2024 ADMINISTRATIVE ASSESSMENT PLAN (3)

Goal 3: Enhance Student Success and Societal Impact through Collaboration with Community and Industry

Objectives

MAJOR SHIFTS IN ENROLLMENTS & CONSTRAINTS

- Increased enrollments in Architecture
 - Higher enrollments lead to competitive program admission
 - The current cohort limit due to space and faculty is 20 students
 - This fall semester, we turned away 17 qualified students
- Increased enrollments in 2-year Engineering Design classes supporting other programs such as Architecture, Engineering, and Construction Technologies.
- Decreased enrollments in the Surveying and Mapping program.
- Engineering (12%) and Construction Technologies (16%) have seen significant growth
 - Engineering needs have been offset with Engineering Initiative funds
 - Additional Engineering completions will lead to more Engineering Initiative requests and funding
 - We will have to reallocate a college faculty position to Construction Technologies when available

STRATEGIC PLANNING EFFORTS

1. Provide faculty resources, support, and development to enhance their ability to meet the needs of their students and positively contribute to the culture of our college.
 1. Acquire agreed-upon and approved RTP criteria for each department. **All departments have an approved RTP criteria document.**
 2. Help faculty members understand and achieve the college's vision, strategies, and desired culture. **I have visited with each faculty member during the past year, have had college town hall meetings, and communicate through a monthly digital newsletter.**
2. Enhance Smith College of Engineering and Technology programs to increase student completion and success.
 1. Determine program alignment with the needs of industry. **Using Advisory Boards and Hanover Research to help determine industry needs and program alignment.**
 1. Ensure appropriate programs are accredited. **Acquired accreditation for several programs and continue to seek others**

STRATEGIC PLANNING EFFORTS

3. Finalize funding for the CET building, fund essential laboratory equipment, and acquire funding for engaged learning and project-based academic activities.
 1. Raise funds through the naming of various areas of our new building. **We have renderings of all nameable spaces and are working with IA and potential donors.**
 2. Raise funds and seek donations of equipment. **We continue to write proposals and seek gifts of equipment, software, and funds.**
 3. Seek funding for high-visibility student projects and activities.
 1. **We reallocated \$71,000 of college resources to fund student projects.**
 2. **We received \$3.9 million in equipment requests and reallocated \$660,000 of college resources to acquire high priority equipment**
 3. **We reallocated \$225,000 of college resources to purchase the second year of Pluralsight for campus use; thanks to WSB and Dx for contributing**

ADDITIONAL INITIATIVES

- Hire an assistant dean for safety and operations
 - **Reallocation of one faculty position and additional salary from college salary contingency funds**
- Create two engineering departments, Mechanical and Civil Engineering (MCE) and Electrical and Computer Engineering (ECE)
 - **Engineering Initiative funds used for chair stipend**
 - **Reallocation of college funds for MCE admin**
- Hire a full-time graduate coordinator to support our three and potentially a fourth graduate program
 - **Reallocation of college salary contingency funds**
- Modernization of Transportation Technologies and Automation and Electrical Technology
 - **Will increase student FTE and reduce cost per student**

Total Reallocations of approximately \$400,000; more to come!

2. Enrollment and Completion Constraints

Completion Challenges

MGMT Dept: highest FTE (~33% of WSB) and Number of Majors (~42% of WSB); but...

- Low Timely Completion: **28.4%** for Bachelors
- Low First Gen Timely Completion: **22.2%**, representing ~33% of Mgmt. Majors

Enrollment Challenges

Overall: need more sophisticated recruiting effort

Financial Planning: dropping the last five years, but significant recent turn-around

Accounting: initial drop due to curriculum change; second drop due to market forces; recovering

Risk Management: poor start; significant effort to turn around; Spring enrollments show promise

MFPA: program committee investigating issues and recommending changes

MBA: market forces driving enrollment down, but strong recruiting team keeping us level

Hospitality: downward trend, but some WARM cannibalization and starting to recover

Leadership: currently down, but new certificates/minors should help

New Programs: launch well / promote (Real Estate, Leadership, HCL)

P & C SERVICE DESK

- Total average number of calls per month: 783
- Average calls requiring follow-up per month: 241

*Based on data from July – November 2023

Implemented JIRA in People & Culture to help track calls and workload in the individual P&C areas.

HRIS RECORDS

Converted 53 reports out of 63 from Argos to Power BI.

- Ending Argos will save the institution \$30K per year.

Released Supervisor Review data to supervisors through Power BI.

- Supervisors can see comments and average ratings for each competency.
- They can also see past review information.

Implemented VisualVault to replace BMI as our electronic employee file application and PeopleAdmin Records onboarding paperwork.

- Saves the file room employees 2 hours a day by not exporting and importing paperwork into digital records.

UVU VETERAN SUCCESS CENTER

JTAN VALLEY UNIVERSITY

Our mission is to facilitate the successful navigation of student veterans, service members, and their dependents from registration to graduation.

Learning Outcomes

To accomplish this mission, the VSC staff advocate for the military community by providing opportunities for camaradery and mentorship and are subject matter experts on federal and state education funding programs that assists with:

- Utilize Education Benefits
- Navigate the Higher-Ed System and Individual Education Plan
- Create a Lasting Community of Professional Veterans
- Access Veteran and Military-Connected Resources

Programs & Services

Military-Connected Orientation. Online orientation specific to veterans, military spouses, & military dependent children that provides an introduction to the Veteran Success Center and a walk through for VA education benefits.

Secondary Advising. School Certifying Officials provide 1:1 advising for military-connected students using VA education benefits.

Semester Wellness Check a. Peer-to-peer engagement to inquire about student wellbeing and continued enrollment. Connect students to resources and ensure benefits are taken advantage of.

Veteran Success Scholarship. Support veterans and military-connected students based on military-connected status, academic achievement as well as needs based awards.

VA Work Study Program. Work study program provided through VA funding for military-connected students that are actively using VA education benefits.

Back-to-School Benefit Guide. In person orientation specific to veterans, military spouses, & military dependent children that provides an introduction to the Veteran Success Center and a walk through for VA education benefits.

Veteran's Thanksgiving. Celebration for many of our military-connected students that have relocated to Utah that do not have traditional ties to the area. This is a community building event that helps build the Veteran Family at UVU.

Veteran's Graduation. Recognition through specific regalia for Veterans, Spouses, and Dependent Children.

United We March. This event is one of the best team building events that the VSC co-hosts and also brings funding in for our military-connected students.

Veterans Day Celebration. Recognition throughout the 11th of November to recognize the service and sacrifice that our Veterans have given to our country. Multiple events throughout the day to show UVU's support and also brings awareness to the military-connected students, staff, and faculty at UVU.

Student Leadership & Involvement

Purpose/Mission
The Department of Student Leadership and Involvement (SLI) facilitates opportunities that enhance the academic experience by promoting student involvement and event attendance, developing leadership skills, and preparing students to take an active societal roles on campus and in their communities.

Learning Outcomes
SLI accomplishes this mission by designing learning opportunities for students to grow and develop as an individual while working with their peers, staff, faculty, administrators, and community professionals. Because students engaged with our department, they will be able to do one or more of the following:

- Describe the purpose of the SLI program in which they are participating in and discuss the impact it has within the university community.
- Demonstrate effective communication through active listening, absorbing information, and verbally presenting information in one on one, small or large group settings in a respectful manner.
- Examine and prioritize their workload by identifying and categorizing tasks based on their purpose, necessary attention, and time needed to complete them.
- Navigate group dynamics when working with others by demonstrating self-awareness and anticipating the strengths and influence of others.
- Report a higher level of confidence in their ability to lead and work with others, communicate verbally and in writing, manage their time, problem solve, and make decisions.

Programs and Services
The co-curricular and extra-curricular experiences that students have with the Department of Student Leadership and Involvement contribute to their academic persistence, retention, and completion. Furthermore, these experiences add to the vibrancy of their college experience increasing their affinity to UVU. The programs and offerings provided by SLI are listed below:

- ACTION LEARNING:** With weekly offerings students are able to participate in activities learning new skills/hobbies that they have interest in. Students are able to connect with their peers and participate as their schedule allows.
- CLUBS:** Empowers and encourages student freedom to create groups dedicated to specific interests, hobbies, and academic focuses. By participating in a club, students have the opportunity to increase their leadership and communication skills, meet new people, and do more of what they love.
- INTERRESIDUAL ENGAGEMENT:** Builds a community inclusive of all worldviews (religious, spiritual, and secular identities) by providing physical space, educational events/activities, and opportunities for dialogue to build respect, relationships, and understanding.
- LEAD CERTIFICATION PROGRAM:** Students have the opportunity to earn a one or two-year distinction certifying completion of prescribed teaching activities focused on four key areas of professional and personal development: Learn, Engage, Acquire, and Discover.
- OFF-CAMPUS HOUSING:** Assists students in having a positive student living experience by facilitating on site residence life events/activities and connecting students to housing related resources and information including housing laws, independent living tutorials, contract navigation, etc.
- SPIRIT SQUAD:** Provides performance-based entertainment at Athletic and campus events promoting an atmosphere of interaction, enthusiasm, and support for UVU.
- STUDENT GOVERNMENT (UVUSA):** Made up of elected and appointed officers, students are responsible for representing the student voice across campus. Student officers actively participate in policy change, advocate for student needs, and provide activities/events to enhance the student experience.

Recreation & Wellness

Purpose/Mission
Our mission is to enrich the quality of life for students, faculty, and staff by providing a broad range of recreation, wellness, and student engagement opportunities that complement the academic experience.

Learning Outcomes
We actively promote the pursuit of a balanced, healthy lifestyle to our diverse university community. Students that engage in our programming will be able to do the following:

- The Outdoor Adventure Center (OAC) Adventure Trip Leaders (ATL) will be able to communicate the significance of outdoor learning and the benefits students can receive from participating in various OAC programs and events.
- Participants of intramurals & Club Sports will have a sense of belonging and association. Students will experience a connection to the staff, fellow students, and the university while feeling welcomed, supported, and safe.
- Wellness interns, as a result of internship, will be able to plan and implement events with diverse topics to reach broad audiences.
- Student staff will have engaging experiences and access to leadership opportunities which will help enhance and develop their personal and leadership skills.
- Students who work within intramurals will be able to identify meaningful transferable skills between what they learn through their IM sports employment and how it relates to future professional careers after graduation.

Programs and Services
We create curricular and co-curricular learning experiences to engage and empower students within the Recreation & Wellness department. We contribute to their academic persistence, retention, and completion, as well as to the vibrancy of their communities and their personal and professional lives. Some of our programs and services are listed below:

- Student Life & Wellness Center.** 175,000 sq. ft. building that includes a 1/8-mile indoor track, 3 Basketball Courts, Multi-Activity Court, Fitness/Dance rooms, Weight Room, Cardio Equipment, Bowling Alley, and Gaming Center.
- The Project Climbing Wall.** 40 ft. tall climbing surface featuring over 10,000 holds and 3,000 sq. ft. Climbing Carrels and climbing gear available for rent.

Student Rights & Accountability

Purpose/Mission
We focus on fairness and equality while promoting responsibility, individual growth, education, and development. We are committed to education and restorative justice. We engage students to critically think about and learn from adversity.

Learning Outcomes
The Office of Student Rights & Accountability (including the [University Ombuds](#)) strives to protect student rights, encourage student development, promote improved behavior, and help students learn from mistakes. These not only improve the university experience while at UVU but are also vital tools to help students succeed in the long term, in accordance with UVU Policy 541. We aim to help students:

- Understand their rights and responsibilities as students more completely.
- Create and maintain a support system that will help them respond favorably to mistakes or adversity during their UVU student experience.
- Access services and resources to which they were previously unaware.
- Overcome obstacles and issues to achieve their personal educational goals and navigate UVU successfully.

Programs and Services

Student Code of Conduct

- Investigate and resolve conduct violation including cheating, plagiarism and classroom disruptions.
- Maintain due process rights when a violation occurs.
- Consult an resource and resolution options, including educational resolution.

Classroom & Group Presentations

- Deliver tailored workshops on behavior change, communication and safety procedures.

Ombuds

- Provides mediation for the campus community.
- Facilitate informal resolution of conflicts and misunderstandings.

- CLUBS:** Empowers and encourages student freedom to create groups dedicated to specific interests, hobbies, and academic focuses. By participating in a club, students have the opportunity to increase their leadership and communication skills, meet new people, and do more of what they love.
- INTERRESIDUAL ENGAGEMENT:** Builds a community inclusive of all worldviews (religious, spiritual, and secular identities) by providing physical space, educational events/activities, and opportunities for dialogue to build respect, relationships, and understanding.
- LEAD CERTIFICATION PROGRAM:** Students have the opportunity to earn a one or two-year distinction certifying completion of prescribed teaching activities focused on four key areas of professional and personal development: Learn, Engage, Acquire, and Discover.
- OFF-CAMPUS HOUSING:** Assists students in having a positive student living experience by facilitating on site residence life events/activities and connecting students to housing related resources and information including housing laws, independent living tutorials, contract navigation, etc.
- SPIRIT SQUAD:** Provides performance-based entertainment at Athletic and campus events promoting an atmosphere of interaction, enthusiasm, and support for UVU.
- STUDENT GOVERNMENT (UVUSA):** Made up of elected and appointed officers, students are responsible for representing the student voice across campus. Student officers actively participate in policy change, advocate for student needs, and provide activities/events to enhance the student experience.

Impact Outcomes

813 middle school students have participated in UVU PREP since 2013.

42% were students of color. UVU PREP enrolls proportionally more students of color than the current population of Utah County on average.

41% identified as female. This is nearly 20% higher than Utah's current rate of women in STEM occupations.

ACADEMIC GAINS

UVU PREP students complete pre- & post-tests for each of the 9 classes they participate in. They are also surveyed on their attitudes towards various STEM topics after having participated in the program.

+34% Average annual academic gains in STEM courses offered at UVU PREP.

Top 5 STEM Attitudes Gains - 2021

Attitude	Gain
"When something is hard, it makes me want to work more on it, not less."	+17%
"I see myself as an engineering person."	+17%
"I expect to do well in next year's science class."	+16%
"Learning science can help me get a good job."	+15%
"I am good at science."	+15%

ALUMNI SUCCESS

At least 67% of UVU PREP alumni have enrolled in college. Of those students...

89% attended UVU as their first institution of higher education.

73% of alumni's most recent college enrollment was at UVU.

44% are likely still in high school and participating in concurrent enrollment.

Multiple UVU PREP Alumni have returned as Mentors to give back to the program they enjoyed as middle schoolers.

STRATEGIES

TOP 8 reasons students "stop out"

FINANCES

paying for college, supporting family, relocating for housing

- Increased awareness of financial resources (Orientation, Financial Aid & Scholarships, Money Management Resource Center, Advisors/Counselors, student success courses/workshops)
- Increased amount of resources available (scholarships, completion grants)
- Outreach calls to students with incomplete FAFSA

ACADEMIC INTEGRATION

not doing well in classes, not prepared for university level work, loss of interest

- Onboarding, Orientation, First-Year Experience, First-Year Advising Center
- Early Intervention and Outreach (Civitas, Early Alert, Structured Enrollment, Retention Mentors, Advisors, Resiliency Project)
- Support services and tutoring
- Increased access to high-impact practices

SOCIAL INTEGRATION

not making a personal connection, difficulty adjusting to university life, no sense of belonging

- First-Year Experience
- Freshman Advocates and mentors
- Student Life programs

UNIVERSITY BARRIERS

course scheduling conflicts, policies and procedures, curriculum alignment issues, challenges with faculty and staff

- Student Success & Completion Committee, Faculty Senate and Deans all working on addressing these areas
- Scheduling guidelines, policy changes, stackable credentials, faculty and staff training, technology enhancements

EXTERNAL RESPONSIBILITIES

work and family obligations including caring for children or parents

- Wee Care Childcare Center
- Online, evening and weekend classes
- Extended hours at student support offices

SERVICE

full-time church missions or military

- Leave of Absence
- Veteran Success Center

TRANSFERRING

any of the above, program availability, enrolled to raise GPA and transfer to 1st choice of institution

- Auto awarding of GE Certificates and associate degrees
- Continuation of Wolverine Completion Grant to incentivize completion of a UVU degree
- Participation in state articulation agreements

HEALTH

physical and mental

- Wellness workshops and programs
- Increased number of medical professionals and counselors

COMMENTARY

What First Generation College Students Really Need

Students who are the first in their family to attend college cite mental health support as the single most important resource schools can provide.

Another Round of Campus Budget Turmoil

Public colleges in Nebraska and Ohio and private institutions in Iowa, Ohio and Oklahoma are the latest affected.

By [Doug Lederman](#)

What does **STEWARDSHIP** mean for us now and in the next decade?

How Will AI Affect Jobs - How many jobs will AI replace by 2030

Artificial intelligence (AI) could replace the equivalent of 300 million full-time jobs, a report by investment bank **Goldman Sachs** says. It could replace a quarter of work tasks in the US and Europe but may also mean new jobs and a productivity boom. And it could eventually increase the total annual value of goods and services produced globally by 7%. The report also predicts two-thirds of jobs in the U.S. and Europe "are exposed to some degree of AI automation," and around a quarter of all jobs could be performed by AI entirely.

PURPOSE:

TO GUIDE RESOURCE ALLOCATIONS

This process connects the resource allocation decision-making process with university and divisional:

- Assessment
- Planning
- Priorities
- Initiatives

The process promotes accountability, collaboration, communication, efficiency, equity and transparency.

x x x **School and Colleges were asked to provide a summary of key academic metrics, including:**
x x x

1. Enrollments for the school/college and departments
 2. Cost per full-time equivalent for the school/college and departments
 3. Completion rates (i.e., awards made within one-and-a half time, such as 1.5 years for a one-year certificate, 6-years for a bachelor's degree)
 4. Major shifts in course enrollments
 5. High-value awards for the school/college and departments

GUIDANCE:

ADMINISTRATIVE UNITS

Provide a summary of the following information for the administrative unit/division:

Employee Information: Number of employees by employee classification (i.e., fulltime exempt, full-time classified, part-time hourly, part-time student workers), etc. FTE and employee counts can be provided by the Budget Office.

Operational Information: Revenue generated, operating expenses, etc.

Metrics to Measure Success: Identify measures that the Administrative Unit/Division measures its success by. Similar to “CQE” metrics for Academic Affairs

GUIDANCE – ALL

Provide Evidence for Constraints on Enrollments and Completion:

Use evidence to indicate specific challenges within the school/ college/division to expand student enrollment and facilitate timely completion.

GUIDANCE – ALL

Reference Strategic Planning Efforts:

List the three strategic goals and objectives delineated in the 2023-2024 administrative assessment plan document. Respond to the following questions:

1. How do these goals align with strategic planning efforts with Vision 2030 or other UVU master plans?
2. How will the reallocation of available resources within the school/college meet strategic goals and achieve intended outcomes?

Highlights

Props to **President Tuminez** for “encouraging” me to let you celebrate your wins – at least a little bit.

Recognition to **University Marketing and Communications** for their Dashing Dashboards.

Institutional Advancement for the SMART Goals win. Check out their measurable outcomes for 2023-2024!

The Olympic Medal goes to **Finance and Auxiliary Services** for taking on and hopefully killing off Argos.

University of the Future
Smart Campus

Penny pincher award to **Digital Transformation** for their slide on reallocations and savings. Happy to hear that they're also moving on from Argos.

Clear accountability kudos to **Administration and Strategic Relations** report out on the results of previously funded PBA requests.

Most quotable quote goes to the **Provost**, “We ALL have a fiduciary obligation to the university, its students, and taxpayers; and a duty to further our institutional mission.” And bonus points for the informative slide on “Academic Affairs by Student Credit Hours.”

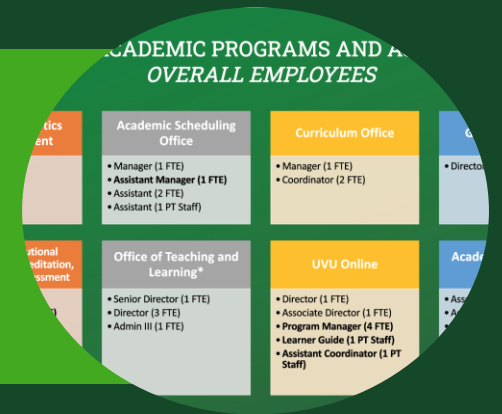

The **Deputy Provost’s Office of Academic Administration** is recognized for its excellence in benchmarking our staffing metrics against USHE. It’s worthy of a revisit.

The **Associate Provost for Student Success** had multiple base hits for the very enlightening discussions around Student Success, Course Enrollment, and Advisor Activity.

And a certificate of appreciation for the **Associate Provost of Academic Programs and Assessment** for having the hard conversation around position reallocations.

The **Associate Provost of Academic Innovation** earned the “Persistence Lifts” Prize for great data and insights. We’re looking forward to the ROI analysis.

Utilitarian Honors go to the **College of Health and Public Service** for their simple but data-laden slides (and the Wolverine Fire Engine!). The discussion around accreditation constraints was also very helpful.

The Biggest Tease Trophy goes to the **College of Humanities and Social Sciences** either for leading with lowest cost or mentioning student ratios but not providing them - yet. I await with bated breath.

High Commendation is made for the **College of Sciences** very specific, data-driven discussion around the constraint on timely completions due to lack of labs, and a follow-up Laurel for creatively reallocating a faculty line to lab manager to partially address the constraint.

The Breaking Stereotypes Distinction falls on the **School of the Arts** for having beautiful yet quantitatively-rich dashboards! (Check out the DFTE rankings!)

The **College of Education** is a Profile in Courage for Radical Candor for addressing hard news head on. They acknowledged the declining enrollments without spin, and provided guidance on how they were responding.

The Spirit Award goes to the **Smith College of Engineering and Technology** for taking a positive perspective to identifying constraints as a move towards better allocation of resources. And honorable mention for the great table of programs and their associated costs and revenues.

And the Plaque for Quant Jock was won by the **Woodbury School of Business** for being the most numerically-driven. It's enough to make a CFOs heart skip a beat in joy.

And coming down the stretch was **People and Culture** with the Mash up of the Bible's Book of Numbers by a Russian author (Great per person metrics, and twice as long as everyone else!).

The Bite the Hand that Feeds You Award goes to **Student Affairs** for, well, if you were watching, you know. But also an Enthusiastic Oorah for discussing the specific measurement tools for impact, great breakdown of enrollment by demographics, and discussion of impact reports.

A Participation Trophy to the **Office of General Counsel** for making the attempt at injecting humor into a sober-minded process.

Overall, this was an incredibly informative series of discussions that are moving towards actionable information.

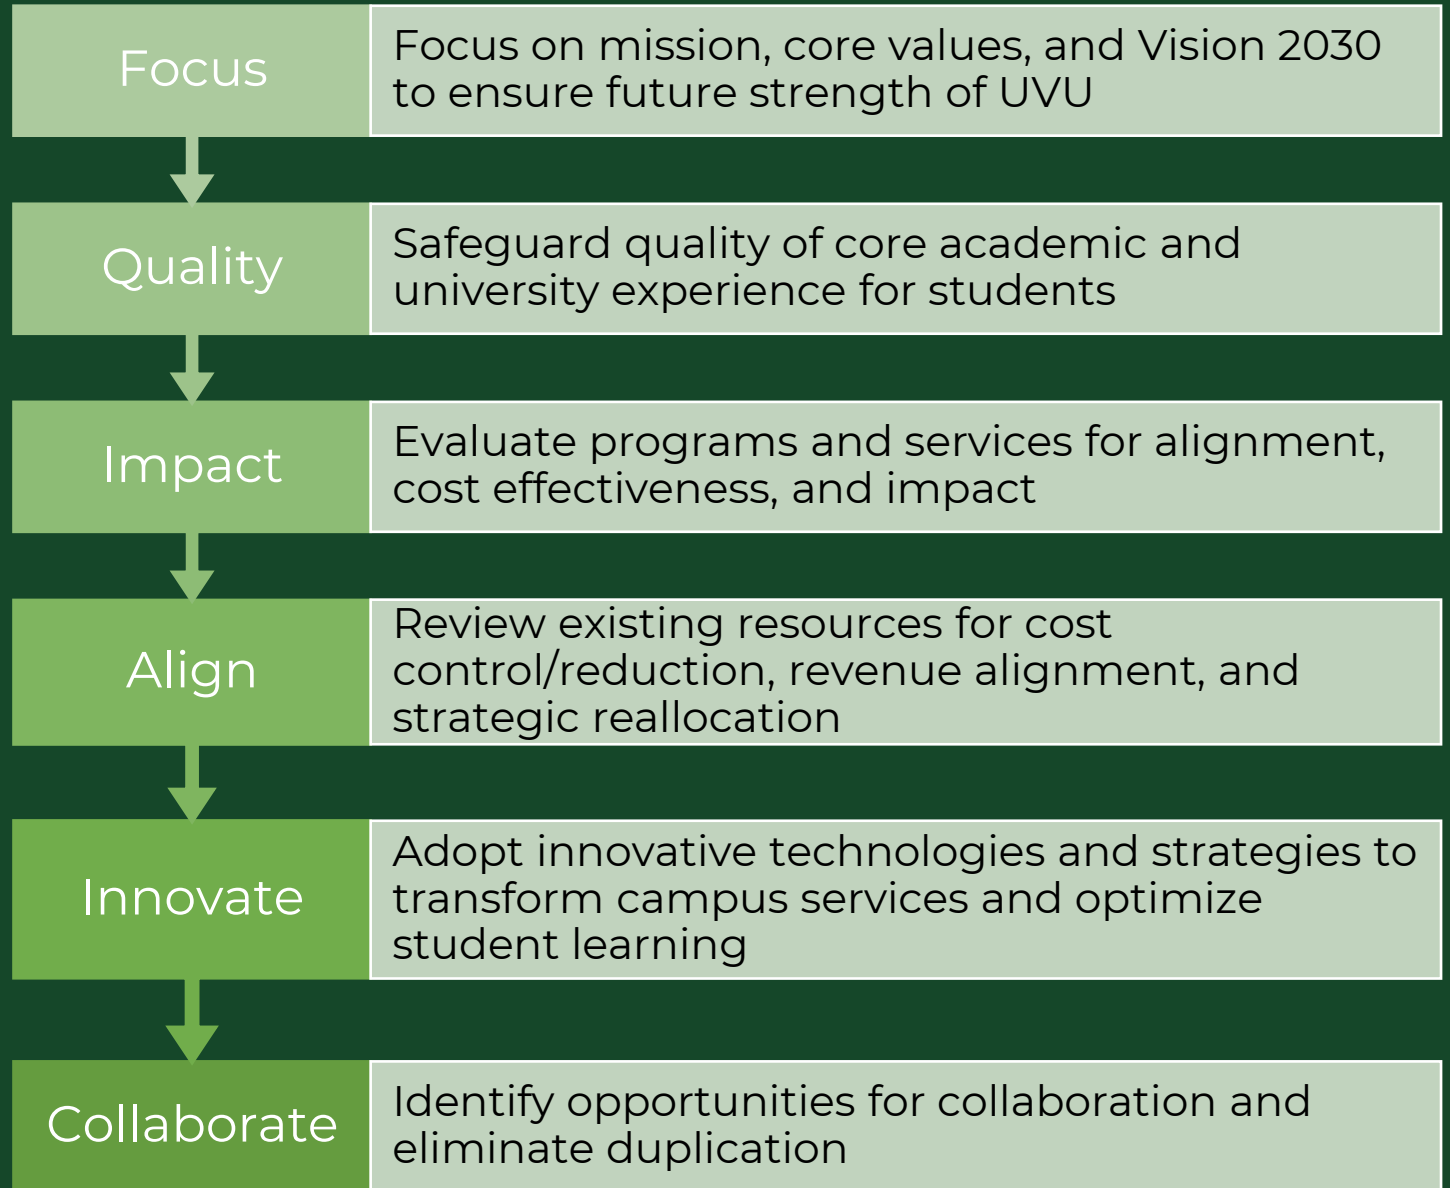

Next year, we hope to have the systems in place for more granular data analytics. I also recommend looking at these presentations for the reasons highlighted above. If we adopt the best practices from this year's stewardship conversations, our time will be leveraged that much more effectively next year.

Questions?

A photograph of cheerleaders celebrating with confetti. The image is heavily tinted with a green color. In the center, a cheerleader with long blonde hair, wearing a white polka-dot top and a dark bucket hat with a tiger logo, is laughing joyfully. To her left, another cheerleader in a white top is also smiling. To the right, a cheerleader in a dark top and hat is partially visible. The background is filled with falling white confetti. A white rectangular box with the text 'THANK YOU!' is positioned in the upper right quadrant of the image. The right side of the image features a dark green background with a repeating pattern of white 'X' marks.

THANK YOU!
