

2025 Outcome Measure Goal:
45% (dotted line on graph)

- Disaggregated by the following Demographic:
- None (shows all students in the cohort)
 - Race (grouped from IPEDS Race/Ethnicity)
 - Gender
 - Age (split by Traditional / Non-Traditional)
 - First Generation Status

Outcome Measure: Percent of incoming students from a full year cohort (from summer to the following spring) who earned any degree within 8 years. This includes students who are First-Time or Transfer, Full-Time or Part-Time, and those Seeking ANY Degree. **Students with valid IPEDS exclusions who did not graduate are not included in the baseline number.**
