Curriculum Office

Curriculum Updates and Deadlines

- The Curriculum Office is now accepting Curriculum for Fall 2025.
- **NEW program proposals** must have the approval of the dean's office, and entered onto the dean's Horizon Document. Once the faculty member (submitter) has received the dean's office approval, they must contact the Curriculum Office for the appropriate USHE R401 document. Once the R401 has been completed (with the help from the dean's office, College Financial Manager, Library, and IEAAA) THEN **the submitter must submit the program (with R401 attached) and all associated courses in CourseLeaf CIM by or before November 15, 2023.** The department vote must be completed by December 1, 2023. (For Fall 2025 implementation)
- **Submitters of program modifications** involving 25% or more of the core must contact the Curriculum Office for the appropriate USHE R401 document. This must be approved by the dean's office and attached to the program proposal. **The program (with R401 attached) and all associated courses must be submitted in CourseLeaf CIM by or before November 15, 2023.** The department vote must be completed by December 1, 2023. (For Fall 2025 implementation)
- Non-substantial program changes, course modifications, and new courses for Fall 2025 implementation must be submitted so that department vote is complete by July 31, 2024. The last batch of proposals will be posted for Intercollegiate View from September 1-15, 2024. **It is recommended to submit proposals early in the curriculum cycle before faculty members leave for summer break!** Submit items in Fall of 2023 or early Spring 2024 for items to be implemented for Fall 2025. (This gives time to address concerns, curriculum impacts, and unforeseen delays.)
- Course modifications that include **course prefix, course number, or total credits, or for submissions to delete,** it is recommended to contact the Curriculum Office for help identifying curriculum impacts.
- The Curriculum Office staff are working remotely. Please call, email, or send a Teams message to a Curriculum Office staff member.
- For information on COVID-19 and UVU please visit the COVID-19 Information page.
- Full-time faculty may gain access to CourseLeaf (CIM) by setting up a tutorial with the Curriculum Office. View only rights do not require the additional training.

Academic Program Inventory

UVU's Academic Program Inventory is a comprehensive listing of all active academic programs and includes:

1. institutional certificates of proficiency and
2. academic programs that have final approval authority from the Northwest Commission on Colleges and Universities (NWCCU) and the Utah System of Higher Education (USHE).

UVU's Academic Program Inventory contains a summary of the academic programs offered in each academic department and school/college and includes the program type, program title, Classification of Instructional Programs (CIP) Code, program description, and program learning outcomes. Additionally, academic programs with professional licensure and specialized accreditation are also indicated in UVU's Academic Program Inventory.
