Benefits Features Customer Stories Resources

Download Solution Sheet

Purpose-built

Manage day-to-day administrative challenges with an ERP designed for higher education.

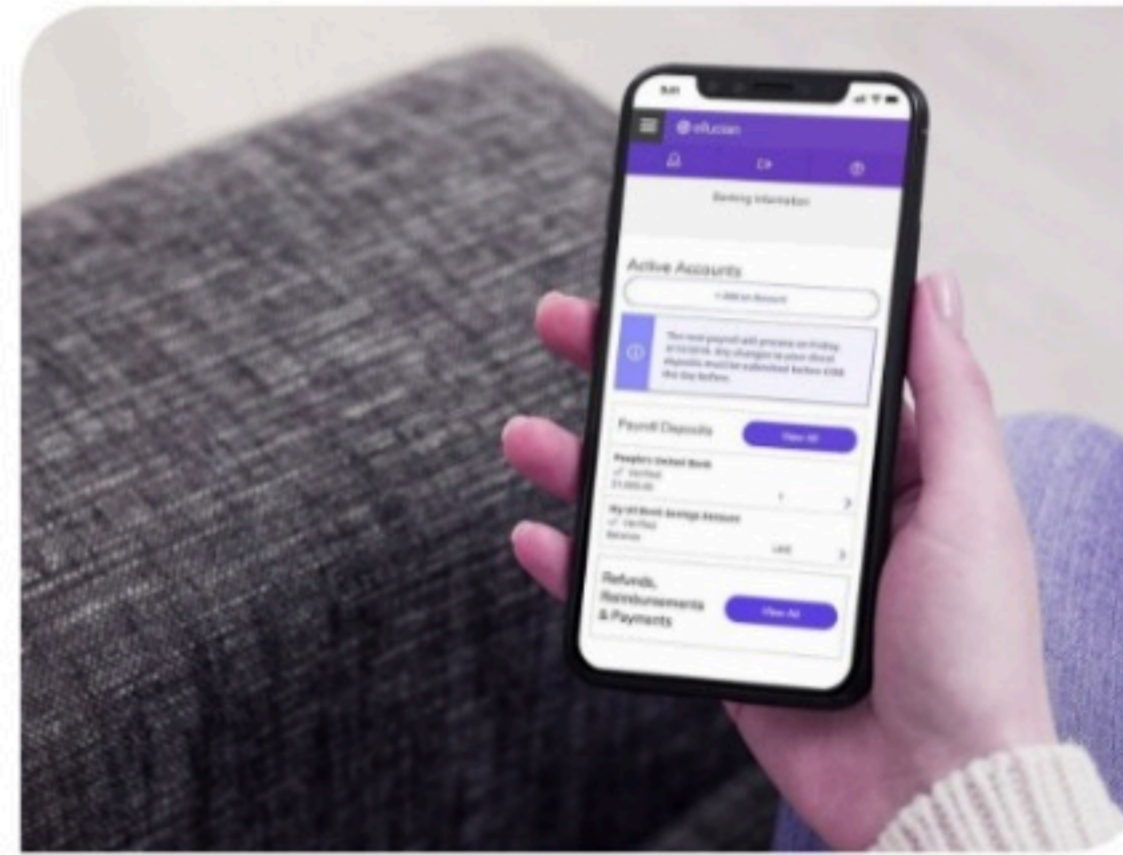

Empowered decisions

Gain financial insights through real-time visibility, in-depth queries, and tailored self-service tools.

Efficient

Automate processes to save time, improve accuracy, and consolidate transactions and reporting.

“ Finance Self-Service has made some tasks easier for functional users such as the dashboard in both My Requisitions and My Finance Query. The transparency these dashboards offer allow functional users to have current information at their fingertips.

Angela Gregor
Senior Business Analyst, Lansing Community College

Features

Financial management

Get administrative support for operations, budgeting, procurement, accounts payable, researching, and accounting.

Timely, reliable data

Use real-time insights to improve financial reporting and automate processes.

Procurement processing

Create efficiencies and decrease costs at every stage of the procurement process, from order to delivery.

Support research administration

Gain a comprehensive view of data and reporting with powerful grant-management capabilities.
