# Canvas

Canvas by Instructure is the official Learning Management System (LMS) for Utah Valley University. Students use Canvas to access course syllabi, assignment requirements, important class announcements, and much more. Canvas is the place to submit assignments, take quizzes, and discuss important topics with classmates.

# Proctorio

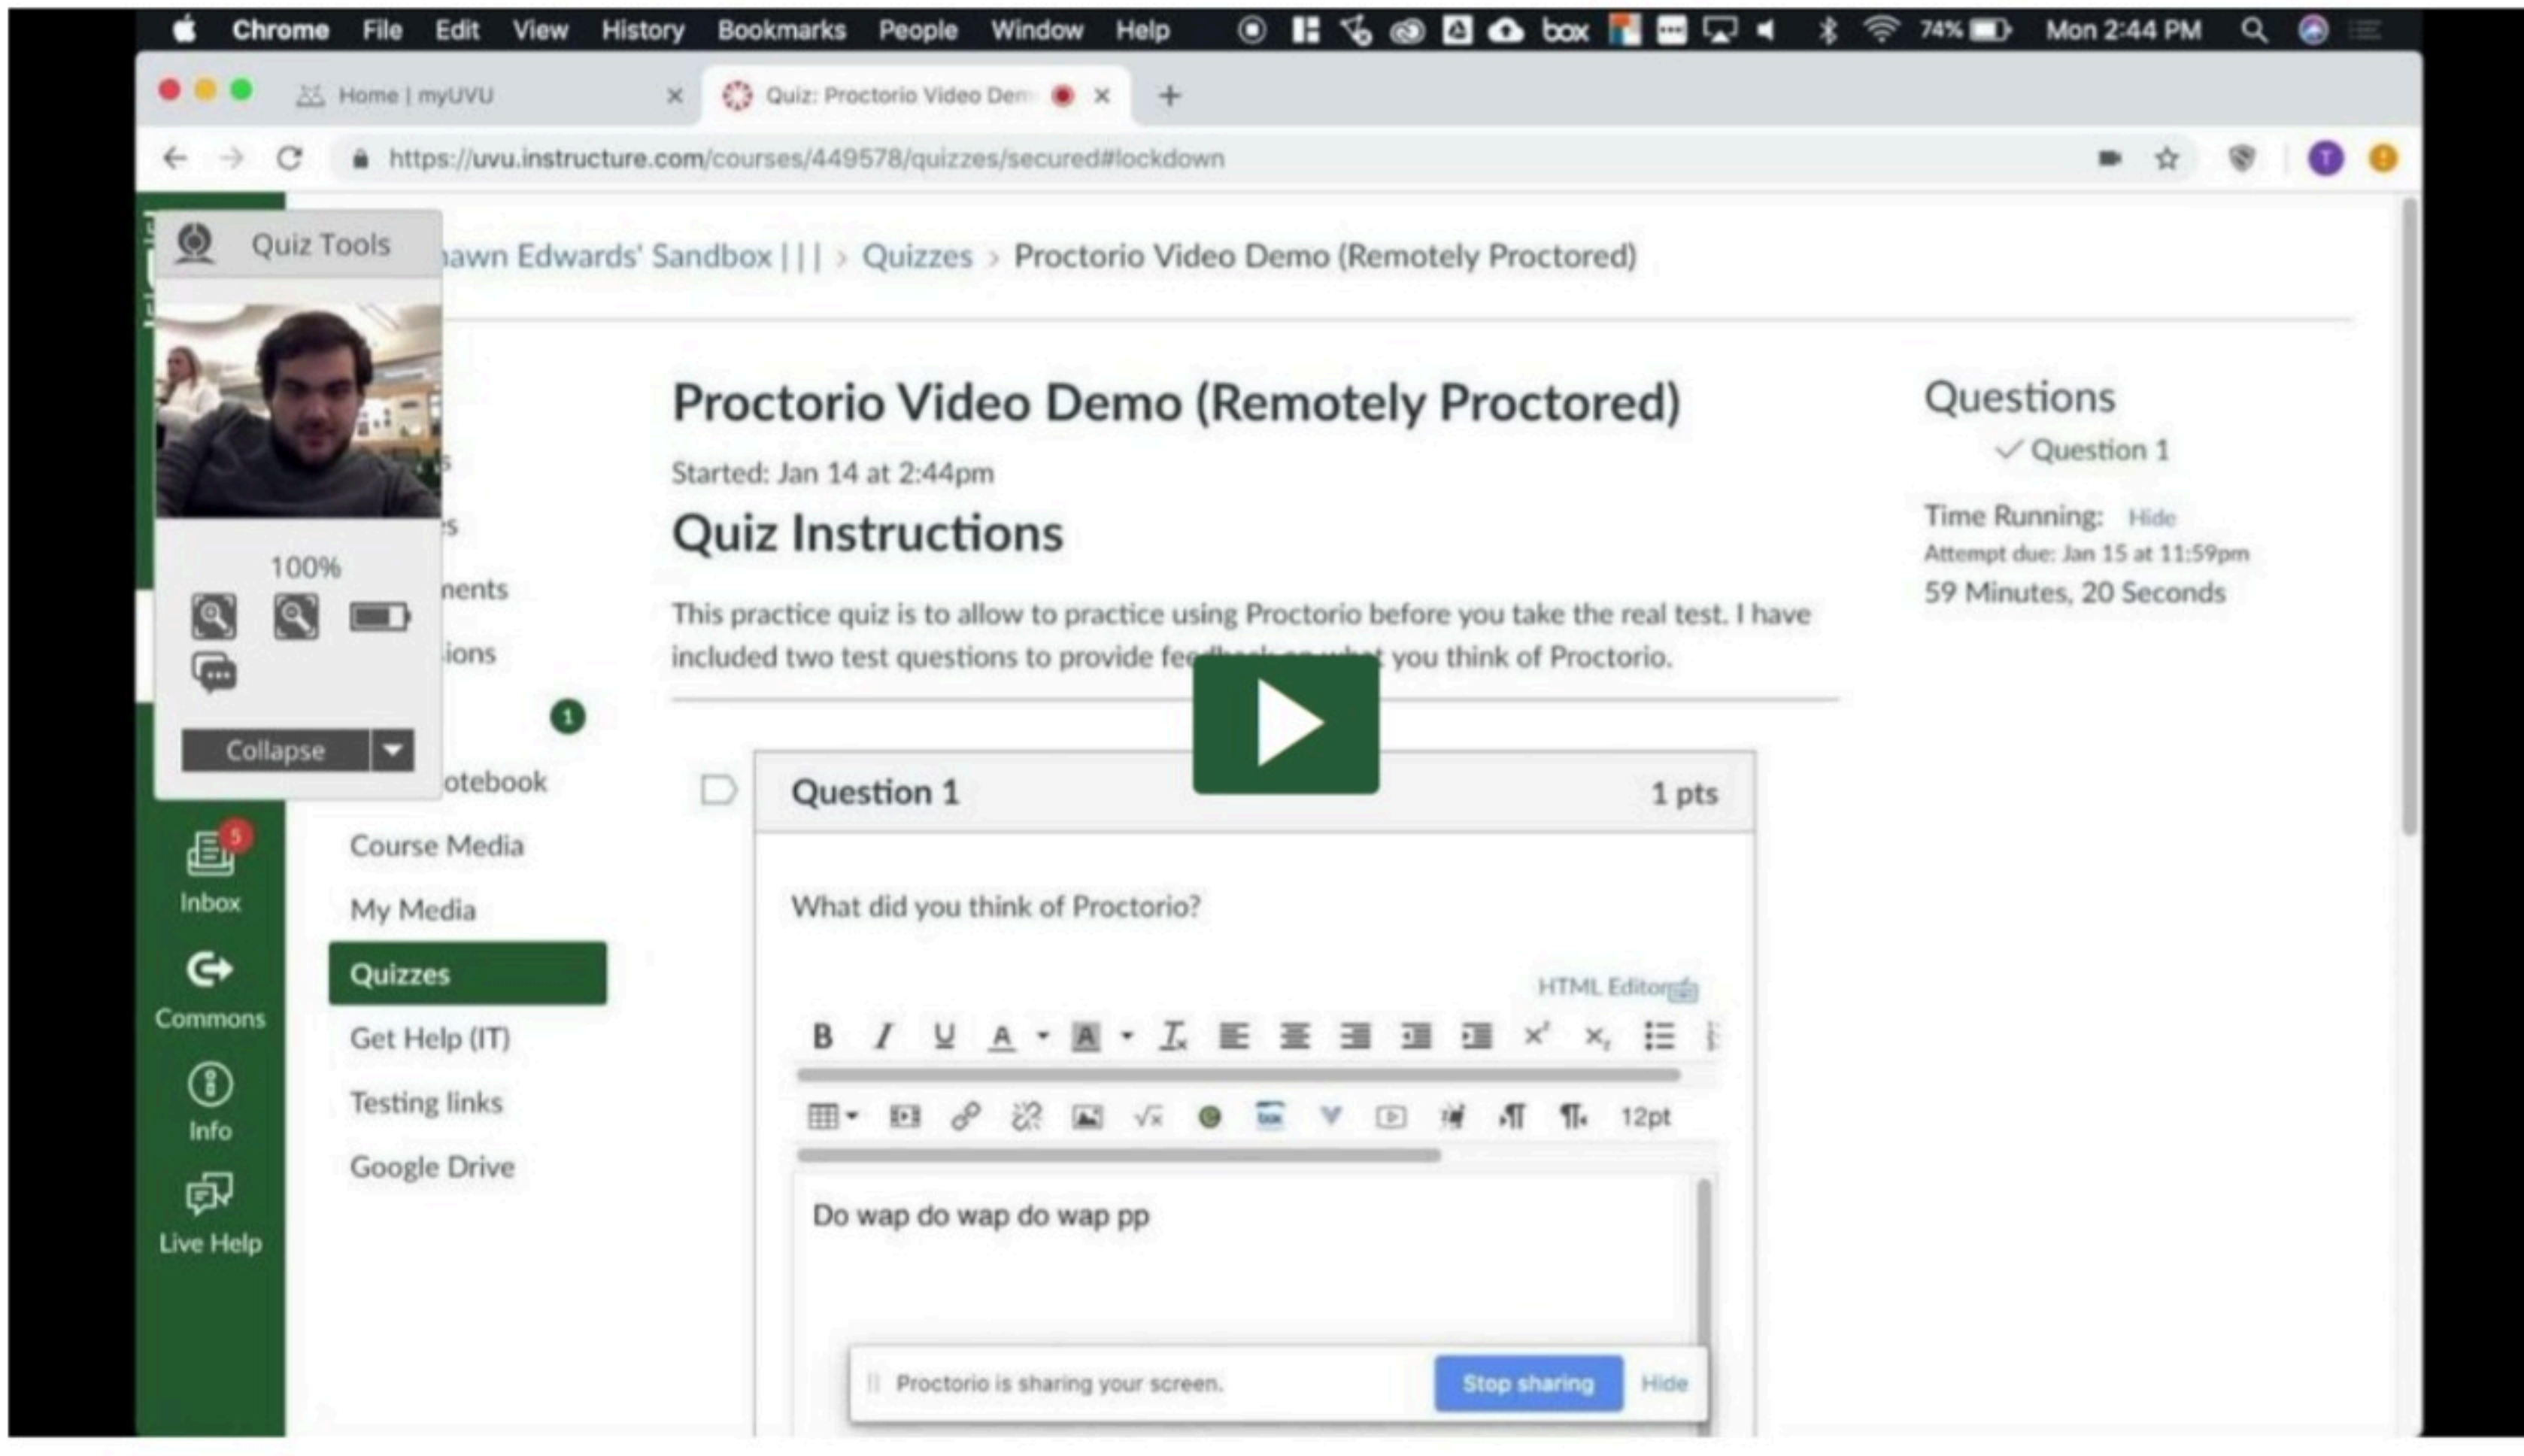

- STUDENT PROCTORIO GUIDE
- PROCTORIO TROUBLESHOOTING CHART

Proctorio is an online third-party service that allows for proctored Canvas exams and quizzes to be taken at home on your personal computer. Proctorio can be accessed 24 hours a day 7 days a week. This is **not** a live proctoring system. Each testing session is recorded, and the software flags any suspicious behaviors for review by your professor. The program also includes a lock down browser to prevent access to other digital files from the computer you are testing on.

Proctorio is simple to use, all you need is a personal computer equipped with a camera and microphone and a private space to set up as your testing environment. Be advised, Google Chrome is the required browser for Proctorio use. Review the video and student instructions to prepare you for a successful testing experience. You can also view Proctorio's Support for Test-Takers page.

## Accessibility

- Compliance Standard
- Military
- Students with current accommodation
- High Visibility Mode
- List of supportable screen readers
- Live Proctoring Option
