TOURS AND INFO

ABOUT UVU

Within the embrace of Mount Timpanogos and in a city whose grid system could be considered our nation's finest city planning achievement, you will find Utah Valley University. Founded in 1941, UVU maintains an open-admissions practice, combining community college accessibility with university rigor. The people who fill the halls of this living campus are creators, makers, doers, and, at times, procrastinators. In their veins run the hopes, dreams, Chick-fil-A sauce, and Sodalicious upon which we hang our future. Welcome to Utah Valley.
