## Before you login to online orientation, take a moment to review the following information

1. This isn't an adapted version of online orientation created for family members. You'll be viewing the same content as your student. We thought it would be most helpful for you to see exactly what they see.
2. Please, please, never, ever log in through the student portal and complete online orientation on your student's behalf. If you need help registering your student for classes before they've had the opportunity to complete online orientation for themselves, please call our orientation office at 801-863-5491.
