

# PACE Staff Association

Advocate | Unify | Communicate | Involve

## How PACE Helps

PACE (Professional Association of Campus Employees) is here for all full-time and part-time staff (excluding student employees, faculty, and executives). Our mission is all about helping our members have a better working environment and atmosphere. PACE's objectives are:

- **Advocate** for staff by representing and advancing their interests and recognizing the value of their contributions.
- **Unify** the diverse groups of staff across campus toward common goals in alignment with the university mission.
- **Communicate** with administration and staff by providing a forum for the exchange of information.
- **Involve** staff by encouraging social, service, and professional engagement on campus and in the community.

PACE helps its members by providing a unified voice to the administration in all areas that involve PACE members. Examples of such areas include compensation, benefits, leave, working conditions, hiring procedures, Summer University, staff grievances, performance evaluations, UVU policies and procedures, etc. PACE also sponsors programs and activities to promote employee recognition, professional development, and social interaction.
