

Peer Evaluation for:

Standard 2: Governance, Resources, and Capacity

The institution articulates its commitment to a structure of governance that is inclusive in its planning and decision-making. Through its planning, operational activities, and allocation of resources, the institution demonstrates a commitment to student learning and achievement in an environment respectful of meaningful discourse.

Standard 2.A.1

The institution demonstrates an effective governance structure, with a board(s) or other governing body(ies) composed predominantly of members with no contractual, employment relationship, or personal financial interest with the institution. Such members shall also possess clearly defined authority, roles, and responsibilities. Institutions that are part of a complex system with multiple boards, a centralized board, or related entities shall have, with respect to such boards, written and clearly defined contractual authority, roles, and responsibilities for all entities. In addition, authority and responsibility between the system and the institution is clearly delineated in a written contract, described on its website and in its public documents, and provides the NWCCU accredited institution with sufficient autonomy to fulfill its mission.
