## STUDENT JOBS

### Access Jobsquad Program

To qualify as a student employee at UVU, you must be currently enrolled as a student. Student employees are allowed one semester break immediately following two consecutive semesters of attendance. For example, if you attended both Fall and Spring semesters you could take a Summer semester enrollment break and still qualify for a student position. Student employees may work up to 28 hours per week. International students are allowed a maximum of 20 hours.

### International Student Employment Program (ISEP):

ISEP is an on-campus work program that provides international students funding to be earned through employment at an hourly rate (similar to Federal Work Study). The application is issued through the International Office and is available for qualified students. Once a student is awarded ISEP, a referral form will be issued along with access to the UVU Work Study job postings to apply for jobs. (Students who do not have an ISEP Referral Form are not eligible to apply for ISEP/Financial Aid Work Study jobs.) Enrolled international students may work a maximum of 20 hours.

### UVU Federal Work Study:

Federal Work Study (FWS) is a work program available for qualified students as part of their financial aid package. Wages are earned through employment at an hourly rate, based on the job duties. Students awarded work study through Financial Aid must have a Referral Form (issued by Financial Aid) before applying and interviewing for work study jobs. Contact the Financial Aid Office for eligibility and referral form questions. ([www.uvu.edu/financialaid](http://www.uvu.edu/financialaid))

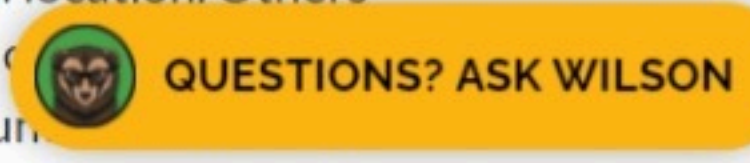

## ABOUT UVU

Utah Valley University (UVU) is a student-centered teaching institution dedicated to building communities of engaged learners by developing its students and employees to be people of integrity who are good stewards of their community and professionally competent in their chosen profession.

## ABOUT THE AREA

UVU's service region includes Utah, Wasatch, and Summit counties. Located near the Wasatch Mountains, many students choose UVU for its ideal location. ### Background Checks

Utah Valley University is committed to providing a safe working and learning environment for its employees, students, and visitors. It also seeks to protect its assets, comply with laws and regulations, and preserve its reputation. All background checks are conducted in conformity with the Federal Fair Credit Reporting Act, the American with Disabilities Act, and state and federal privacy and antidiscrimination laws. Volunteers that work with minors and/or in security-sensitive areas will also undergo a background check.

A background check can consist of one or more verification processes, including a criminal background check, employment, credit check, and/or motor vehicle check. The background check may also include the search of public records outside the United States of America.
