FALL 2018-2019

## President's Message

It's so exciting to start the next 25 years of Elder Quest. This year we start out with a bang by being awarded the **Legacy Award** from UVU Alumni. Thanks to all of you for your willingness to share with non-traditional students at UVU, and for your ideas and your continued thirst to learn. Fran Reiser has been a hardworking and productive president. The board members have worked tirelessly for you. I want to thank Fran and all the past presidents and board members who have made the Legacy Award possible.

We couldn't have an organization without the commitment of great teachers to share their knowledge with us and their talents. When we plan the classes that will be offered, we start with a teacher who is willing to share with us their hard-earned knowledge. We try to offer a variety of subjects. The board has been working hard this summer to make E. Q. worthwhile and entertaining for you. UVU students will continue to provide the gourmet luncheons and various speakers will give us entertainment and thought-provoking information.

**You** are an important part of this organization even if you take just one class or come to one luncheon. We value your ideas and encourage you to help us find speakers, teachers, musicians, knowledgeable people, and places to go to learn about something new or something you are interested in. If you have an idea for a class, help us to find someone with expertise in that field who is willing to teach. Let us know if you would like to visit a place of interest that you think other E Q members would enjoy also. Traveling to places that enhance the learning of the classes is especially meaningful. We have a small list of suggestions that have already been given to us and would like to add more.

Encourage your friends and neighbors to come to E Q. A friend enticed me to attend one class at E Q the first year that I was involved. The next year I couldn't wait to attend every class and luncheon. I have learned so much about subjects that I wouldn't otherwise have had the opportunity to acquire.

Word of mouth is the best way to learn about what we offer. This year my family physician asked me what I do to keep busy. I told him about E Q and he wanted more information to give to other patients who need a program like ours. Another clinic in Orem asked for information about E Q for their clients. They see the need for a program like this in our community. Other senior centers realize the value of our program and are interested in what we do.

I look forward to this year and hope that you are excited and anxious to get started. This newsletter will give you all the information about the classes and activities for this first semester.

**Ruth Hillam, E.Q. President**

### *The Writings of Pushkin*

2:30 PM Orem Senior Center  
Taught by Gary Browning

This fall I'd like to propose we read Pushkin (1799-1837) the father of Russian Literature. Pushkin's most highly-acclaimed work is a novel in verse. **Eugene Onegin** is exceptionally fine. It will provide an excellent introduction to Pushkin's masterpiece. One bonus for some: the reading assignments will be shorter than previously. We'll also view the Metropolitan Opera Company's production of Tchaikovsky's "E.O."

**PLEASE NOTE:** *If you'd like to attend this course, please purchase Eugene Onegin: A Novel in Verse. translated by James E. Folen in the oxford World Classic series. At Amazon this book costs just over \$8.00 new, while used copies begin at about \$3.00.*

**BIO:** In July 1990, Browning was asked by the LDS Church to become the president of the newly created Finland Helsinki East Mission of the church.<sup>[3]</sup> This mission was headquartered in Helsinki, but all its assigned missionaries preached in Russia, the Baltic states, and Ukraine. At the time, there were small branches of the LDS Church in Leningrad, Tallinn, Vyborg, and Moscow. The Leningrad Branch was the first LDS Church congregation to receive official recognition within Russia. Browning is recognized by the LDS Church as the first mission president in Russia, Ukraine, and the Baltic states.

In February 1992, the Finland Helsinki East Mission was dissolved and divided into the Russia Moscow Mission, the Russia St. Petersburg Mission, and the Ukraine Kiev Mission; Browning became the first president of the Moscow Mission and served in this capacity until July 1993. After his mission service, Browning returned as a faculty member of Brigham Young University. He served two terms as the chair of the Department of Germanic and Slavic Languages. He retired and is a professor emeritus of BYU.
