On **Tuesday, December 11**, from **8:30-10:00 a.m.** and **Wednesday, December 12**, from **4:00-5:30 p.m.** in **CB 509A**, Dr. Michael Goode (Dept. of History and Political Science) will be hosting a meet-and-greet for students interested in learning more about the Peace and Justice Studies Northern Ireland Study Abroad on May 11 – June 5, 2019. Everyone is welcome to stop by, even for just a few minutes!

Why Northern Ireland? Ireland is one of the most beautiful countries in the world, with castles, gorgeous seascapes, and a rich literary and musical tradition. Irish people are renowned for their sense of humor and hospitality. Belfast is a world-class city, and Northern Ireland's lush green mountains and forests is the setting for the TV series **Game of Thrones**.

Northern Ireland was also the location of a thirty-year civil war that ended in 1998. How did the Irish forge a resilient and sustainable peace? We will visit Belfast and Northern Ireland's **best locations** to learn more about the history and culture of the island and the Irish peace process. Along the way, we tour many of Ireland's historic sites and enjoy some of the island's great food and music.

Who can go? If you are a student at UVU, you are welcome to join us! We are offering course credit in History and Peace and Justice Studies, and scholarship opportunities are available.
