GEAR UP **UTAH**

## STARTING TO THINK ABOUT YOUR FUTURE?

Junior high school is the best time to develop skills:

Academically

Socially

Emotionally

- **Build Strong Basics:** Good skills in core subjects make high school classes easier.
- **Challenge Yourself:** Taking on tougher subjects builds confidence and readiness..
- **Open Future Opportunities:** The better your skills, the more college and career options you'll have.
- **Build Good Habits:** Practice studying, organizing, and asking questions—it helps in school and life!
