

Items to Consider When Hiring for CEL Grant Projects

The Fair Labor Standards Act requires employers to account for and pay nonexempt (part-time and full-time) employees for the hours worked within a specific pay period. (Submitting a lump sum payment at the completion of a project does not meet the FLSA employer requirement.)

- A nonexempt employee, who works more than 40 hours during the pay period, regardless of the purpose for which the individual was temporarily employed, must be paid at an overtime rate for all hours worked beyond 40.
- Part-time nonexempt and student employees can work up to 1500 hours per fiscal year.
- Students cannot work an hourly nonstudent position and student position simultaneously.
- Work Study students cannot work an hourly nonstudent position simultaneously with their work study assignment.
- CEL grants are funded with appropriated funds which cannot be used to pay student tuition.
- Travel and meals are reimbursed as outlined in policy #204, Appropriateness of Expenditures. Items should be submitted for reimbursement through the Accounts Payable department.

*FICA - FICA stands for the Federal Insurance Contributions Act. The FICA tax consists of both Social Security and Medicare taxes. Social Security and Medicare taxes are paid both by the employees and the employer. Both parties pay half of these taxes. Employees pay half, and employers pay the other half. Together both halves of the FICA taxes add up to 15.3%. The 15.3% FICA tax is broken down as follows:

Social Security (Employee pays 6.2%)
 Medicare (Employee pays 1.45%)
 Total (Employee pays 7.65%)

Social Security (Employer pays 6.2%)
Medicare (Employer pays 1.45%)
