OGC UNIT DESCRIPTION

The Office of General Counsel

Empower university leaders to make student focused, risk-informed, ethical, and legally compliant decisions by providing timely, practical, and expert legal services

Office of Compliance & Risk Management

Develop and maintain a compliance matrix that integrates into and **informs** risk decisions, strategic planning, and performance management activities.

Policy Office

The Policy Office will (1) ensure that policies are **accessible** to the campus community, (2) steward the policy development process so that it is **efficient and transparent**, and (3) foster **collaboration** by engaging key stakeholders from all parts of the university community to forge policies that **support** the educational process
