Have 11 to 15 members. Can go for more members as needed. Proposal voted in unanimously.

Rich is ex-officio member of the Advisory Board.

- -Violeta proposes more outreach (distribution of flyers, swag etc.) during faculty convocation/orientation. Have a table to promote SCULPT. Vern and Joe suggest printing and distributing as needed. Joe will send posters that he has for flyer ideas.
- -Tammy said she could help purchase tablecloth to be used for above-mentioned occasions.
- -Tammy—SCULPT could have more visibility on the Innovation Academy page.
- -Matt says SCULPT visibility should be everywhere.
- -Proposal made to look for old brochures
- -Discussion of SCULPT committees. Graduation Distinction Committee separated from MURA
- -Where did the name MURA come from? Dianne will ask Ben Johnson and Heather Wilson-Ashworth about it.
- Chitra mentioned that the Student Outreach Committee needs members from across campus.
- -Graduation Distinction committee has only two members. They badly need more members.
- -Discussion of IRB hold-ups—IRB lacks staff and it is taking them 3 months to issue approval for research proposals. Dianne volunteered to follow up with David Fairbanks on this matter.
- -Tammy: New Juntos grants (GEL grants)--\$2500 for individuals, \$5000 for teams—part of EID
- -Tammy: 25K for SCULPT budget is not yet guaranteed. Waiting for carry-forward money. Tammy's advised spending cautiously. Beth has the index.
- -Strategic Plan document—is it necessary, Joe asks. Originally written by Anton Tolman for PBA.
- -Tammy—it is important for Vision 2030. But suggests less narrative, more tracking of data. Tammy also thinks it worth going up for the next PBA.
