FROM THE COORDINATOR

Hello everyone,

Congratulations to all our students for completing another successful year and a special shoutout to our graduating seniors! Our senior group is small due to being in the early stages of our grant, but all our seniors will be continuing their educational journey. In this edition of our newsletter, we are highlighting our seniors and where they will be attending college in the fall.

We are excited about our upcoming college mini trip that will take place next month. We are planning on touring 4 college campuses, visiting Zion National Park, and attending a performance at Tuacahn Center for Arts, all in 3 days!

For our younger students, it is never too early to be thinking about your future plans. Before you know it, you will be touring college campuses and deciding what college to attend. Enjoy your summer and have fun with family and friends. Remember that your ETS advisor will be looking forward to seeing you in the fall to help you along your educational journey.

Have a great summer everyone!
