

UTAH VALLEY UNIVERSITY
EDUCATIONAL TALENT SEARCH & UPWARD BOUND
PRE-COLLEGE PROGRAMS

Dear **TRiO** Alum,

The **TRiO** Office will be having an on-campus **TRiO** 60-year celebration on Friday, February 21, 2025 at 6:30 pm during National **TRiO** Day. Our Educational Talent Search and Upward Bound programs are now in their 34th year here at Utah Valley University. We thought it would be a good time to celebrate all of you who participated in our **TRiO** pre-college programs. We will also be paying a special tribute to Dr. Maraia Weingarten, who worked for **TRiO** for 22 years as Assistant Director and Director of both programs.

Attached is an information sheet with the following:

- ❖ **DINNER TICKETS** – Information to purchase dinner tickets. Limited seating is available. The university is supporting this event which is allowing us to offer you dinner at \$10/person. **The last day to purchase tickets is Wednesday, February 19, 2025.**
- ❖ **ALUMNI SCHOLARSHIP** – In conjunction with our reunion, we are establishing an Alumni Scholarship to help our high school **TRiO** students financially who are attending UVU and working towards their degree. We hope you will donate and **PAY IT FORWARD.**
- ❖ **UPDATE YOUR ALUMNI INFO** – Please take a moment and update your alumni information with our office especially if you have received a post-secondary degree (associate, bachelor, masters, doctorate) of any kind. There is a question where you can let us know if you are interested in mentoring a current **TRiO** student or in sharing the story of your educational journey with them.
- ❖ **JOIN THE NATIONAL TRIO ALUMNI ASSOCIATION** – Join the NTAA along with 5 million other **TRiO** students nationwide.

We look forward to hosting this event and hope you will join us in celebrating **TRiO** at Utah Valley University. We will also be hosting an Open House at our office that day from 5:00 pm - 6:00 pm. Stop by and visit our new location at UVU. For additional information feel free to contact Michael at either 801-863-8569 or mcampbell@uvu.edu for additional information.

Respectfully,
