COORDINATOR'S MESSAGE

Seniors, you have made it to the finish line. The day you have been dreaming about since you were younger. I am so proud of all of you who are graduating this year.

You have gone through a lot to get to this point. It has not been easy to pass all your classes and receive the credit you need to get your high school diploma.

I also loved seeing how many of you are graduating with a lot of completed college credits, before even getting to college.

I would encourage all of you to continue your education. College is hard work, but so worth it in the end. Remember this feeling you have right now as you are about to cross the finish line and grab your high school diploma. In just a few short years, you will also be receiving your college diploma. It will take a lot of hard work, but that time will be here before you know it. Congratulations to the class of 2024!

I am looking forward to our Summer Program. We are just a few short weeks away from starting. Remember that this is also not going to be easy, but worth it in the end. I look forward to getting to know each of you participating this year.

For our UB Spring Activity, March 22, 2024, the students visited The U of U for a college campus tour, spent time at the Natural History Museum, and watched the play "Fiddler on the Roof" at the Hale Center Theater. We also ate some good food and had a lot of fun!
