SECTION 1. GENERAL

- 1.1 In 1981, Scott M. Matheson, governor of Utah, signed into law House Bill 347, “Voluntary Certification Program for Firefighters.” The bill established “a fire training school, which shall provide for certification of firefighters, pump operators, instructors, officers, etc.” In 1992, new legislation created the Utah Fire and Rescue Academy and a funding mechanism for its activities. Based upon that act, an ongoing contractual agreement between Utah Valley University, the Utah Fire Prevention Board, and the Utah state fire marshal authorizes and funds the firefighter certification system in the state of Utah as a part of the Utah Fire and Rescue Academy.
- 1.2 The Certification program’s credibility depends on the integrity of the testing system. To maintain program security, integrity, and accreditation, there shall be a controlled testing environment and procedures by which personnel can be tested by official means and methods.
- 1.3 The policies and procedures to certify in the Utah Fire Service Certification System are contained in this document. Questions or concerns should be addressed in writing to:

Utah Fire Service Certification System
Utah Fire and Rescue Academy
Utah Valley University

UFRACertification@uvu.edu

SECTION 2. DEFINITIONS

- 2.1 The following definitions apply only to this document and **DO NOT** in any way apply to the rules, regulations, practices, or procedures of a local fire service unit or other participating agency.
- 2.2 **Administrator:** the person authorized by the head of an organization, public or private, to administer a program
- 2.3 **Affiliated:** a member of a Utah fire department (i.e., local municipality, fire district, county, or state) approved by the Utah Fire Service Certification Council (the Council), with an active state FDID number from the Utah State Fire Marshal's Office
- 2.4 **Assistant tester:** a Certification tester who is assigned to work under the direction of a lead tester
- 2.5 **Candidate:** an individual who has satisfied training requirements to be examined for certification and who has applied for testing and/or certification

- 2.6 **Certification program manager:** an officer of the Council, appointed by the director of the Utah Fire and Rescue Academy, who handles all the correspondence, records, and routine duties of the Council
- 2.7 **Certification specialist:** a member of the UFRA Certification staff who schedules and oversees statewide testing and certification
- 2.8 **Certification tester:** an authorized representative of the Council that administers and conducts Certification testing following the UFSCS Policies and Procedures (assistant tester, lead tester, and senior lead tester)
- 2.9 **Certification tester evaluation form:** a form used to evaluate Certification testers on testing methods, knowledge, and skills
- 2.10 **Certification tester evaluator:** a Certification Council member or Certification staff member who is assigned to observe Certification testers' performance
- 2.11 **Certified:** a description of the candidates who have met or exceeded cognitive and psychomotor behavioral objectives of the Certification program and have applied for and been granted certification by the Council
- 2.12 **Certifying agency:** the Utah Fire Service Certification Council
- 2.13 **Chairperson:** the presiding officer of the Utah Fire Service Certification Council
- 2.14 **Chief:** the head of an emergency services unit
- 2.15 **Cognitive objectives:** pertinent questions, lists, or problems relative to the level at which an applicant is being tested
- 2.16 **Council:** the twelve (12) members of the Utah Fire Service Certification Council, as appointed by the director of the Utah Fire and Rescue Academy and approved by the Utah Fire Prevention Board
- 2.17 **Course:** any grouping of classes or series of lessons or lectures combined to attain particular fire service education or training
- 2.18 **Demonstrate:** to show by actual use, illustration, simulation, or explanation
- 2.19 **Denial:** an act, approved by the Council, to deny the certification of a candidate, department, or department representative, or the testing privileges of a Certification tester
- 2.20 **Department:** a fire service unit, defined in section 26.3 of this document
- 2.21 **Department tester:** an authorized representative of the Council that administers and conducts written exams for their own department, following these Policies and Procedures (must be at the level of chief/training officer or be approved by the Certification program manager or the Council). There is no compensation from UFRA for department testers (volunteer). Testers are required to attend/complete a tester seminar once every two years.

- 2.22 **Director:** the director of the Utah Fire and Rescue Academy
- 2.23 **Executive session:** a session held to discuss the character, professional competence, or physical or mental health of an individual. It is also known as a closed session under Utah state law.
- 2.24 **Expired certification:** any certification that has not been renewed on or before the end of the certification period
- 2.25 **Firefighter:** a member of a fire service department
- 2.26 **Identify:** to physically select, indicate, or explain, verbally or in writing, using standard terms recognized by the fire service
- 2.27 **IFSAC:** the International Fire Service Accreditation Congress, an organization that accredits certification systems (see www.ifsac.org)
- 2.28 **JPR:** job performance requirements—elements of NFPA professional qualification standards that specify what requisite knowledge and skills are required for particular certification levels
- 2.29 **Lead tester:** a Certification tester who is responsible for coordinating a test site, assistant testers, and administering a state certification exam
- 2.30 **Letter of eligibility (LOE):** a signed document, on Council letterhead, which testifies that an individual has successfully met all testing requirements and is eligible for certification once that individual is affiliated with a Utah fire department and/or agency
- 2.31 **NFPA:** the National Fire Protection Association
- 2.32 **Non-affiliated participating agency:** any agency, public or private, that has been accepted by the Utah Fire Service Certification Council to participate in the Certification system (for more details, see Appendix B)
- 2.33 **NWCG:** the National Wildfire Coordinating Group, an interagency body that establishes training and qualification standards for wildland firefighters
- 2.34 **Participating agency:** any agency, public or private, that has been accepted by the Council to participate in the Utah Fire Service Certification System (including both affiliated and non-affiliated participating agencies)
- 2.35 **Policies and Procedures:** the formal guidelines (in this document) promulgated by the Council concerning the methods, procedures, and processes for administering the Utah Fire Service Certification System and implementing its rules
- 2.36 **Prerequisite requirements:** necessary psychomotor (skill) and/or cognitive (written) requirements from preceding or co-certification levels

- 2.37 **Primary agency:** a candidate’s department of record with Certification administration
- 2.38 **Pro Board:** the National Board on Fire Service Professional Qualifications, an organization that accredits certification systems (see www.theproboard.org)
- 2.39 **Quality accountability system:** a system that reviews quality performance
- 2.40 **Quality Assurance/Quality Control (QA/QC):** those responsible for ensuring the quality of a product, in order to provide satisfaction to both internal and external customers
- 2.41 **Quorum:** a minimum of seven (7) members of the appointed Council who, when duly assembled, may legally transact business in the name of the Council
- 2.42 **Reciprocity:** recognition of an accredited Pro Board or IFSAC certification from another state, territory, or country, by transferring credit for certification—after verification that the certification has been approved, is current, and is valid according to IFSAC or Pro Board
- 2.43 **Reliability:** the consistency of a measure. A test is considered reliable if it gets the same result repeatedly.
- 2.44 **Revocation:** an act, approved by the Council, to revoke the certification of a certified candidate, department, or department representative, or the testing privileges of a Certification tester
- 2.45 **Safely:** to perform an objective without endangering or injuring oneself, others, or equipment
- 2.46 **Skills examination:** a test which includes the testing methodologies of psychomotor, process, product, project, and portfolio
- 2.47 **Skills objective:** a specific and measurable statement describing the requisite skill to be accomplished
- 2.48 **Skills spot check:** an examination which shall consist of one of the following:
- 10% of the total skills for the level being tested
 - Three (3) skills, equal to or greater than 10% of the total skills for that level
 - Evolution examination (combined skills), greater than 10% of the total skills
- 2.49 **Suspension:** an act, approved by the Council, to suspend the certification of a certified candidate, department, or department representative, or the testing privileges of a Certification tester
- 2.50 **Subject matter expert (SME):** a person with extensive professional knowledge, credentials, experience, and/or expertise in a particular field, topic, or procedure covered by the written exam or skill, and approved by administration.

- 2.51 **Swiftly:** to satisfactorily perform an objective within the allowable time, as determined by the Council
- 2.52 **UVU:** Utah Valley University, home of the Utah Fire and Rescue Academy and the Utah Fire Service Certification System
- 2.53 **Validity:** the extent to which a test measures what it claims to measure
- 2.54 **With competence:** to possess the knowledge, skills, and judgment (according to approved standards) needed to perform indicated objectives satisfactorily and safely, as determined by a Certification tester

SECTION 3. CODE OF ETHICS

CODE OF ETHICS FOR THE UTAH FIRE SERVICE CERTIFICATION SYSTEM

The purpose of the Utah Fire Service Certification System is to actively support the advancement of the fire service, which is dedicated to the protection and preservation of life and property against fire, provision of emergency medical services, and other related services. Toward this endeavor, every person certified within this system shall represent those ethical principles consistent with professional conduct as a member of the Utah fire service.

I will:

- 3.1 Recognize that I serve in a position of public trust that imposes responsibility to use publicly owned resources effectively and judiciously
- 3.2 Not use my public position to obtain advantages or favors for friends, family, personal business ventures, or myself
- 3.3 Conduct both my personal and official life so as to inspire the confidence of the public
- 3.4 Regard it as my duty to know my work thoroughly. It is my further duty to avail myself of every opportunity to learn more about my profession.
- 3.5 Make no claim to professional qualifications which I do not possess
- 3.6 Use information gained from my position only for the benefit of those I am entrusted to serve
- 3.7 Conduct my personal affairs in such a manner that I cannot be improperly influenced in the performance of my duties
- 3.8 Avoid situations whereby my decisions or influence may have an impact on personal financial interests
- 3.9 Seek no favor and accept no form of personal reward for influence or official action
- 3.10 Carry out policies established by departmental and elected officials and policy makers to the best of my ability
- 3.11 Refrain from financial investments or business that conflict with, or are enhanced by, my official position

SECTION 4. MISSION AND GOALS

- 4.1 To establish and promulgate the fire service in the state of Utah as a professional career/volunteer service
- 4.2 To improve the performance and coordination of all certification efforts through the development of minimum performance requirements
- 4.3 To develop competent, safe, and effective fire service personnel by establishing minimum certification standards
- 4.4 To establish and maintain valid procedures that measure specific levels of skills, abilities, and knowledge consistent with standards approved and adopted by the Council
- 4.5 To establish and maintain guidelines that assist in the certification of candidates who satisfactorily fulfill certification requirements, as adopted by the Council
- 4.6 To establish and implement a voluntary certification program that will ensure complete impartiality and confidentiality and be designed in such a manner that it will be safeguarded against misuse and abuse
- 4.7 To establish statewide uniform testing procedures for a consistent means of evaluation
- 4.8 To continually strive for improvement in the delivery of the program to ensure the efficient and effective use of resources
- 4.9 To explore new technologies, methods, and programs related to the Utah Fire Service Certification program
- 4.10 To create and maintain superior customer service

SECTION 5. RATIONALE

- 5.1 Our world is rapidly changing, and many phases of the fire service are becoming so technical and complex that fire service training must be utilized to its maximum potential. Any overlap, fragmentation, and lack of basic structure must be eliminated. Standardization is the natural complement and necessity.
- 5.2 The fire service in Utah, through a state certification program, can meet the needs of future growth and establish uniformity by certification. We will then have more effective and efficient utilization of resources so as to provide the best possible fire protection service for all the citizens throughout the state of Utah.

SECTION 6. PRIVACY STATEMENT

- 6.1 The last four digits of a candidate's Social Security number (SSN) and birth date are used as identifiers to match the candidate completing certification with the correct master record, in order to better assist the candidate in obtaining certification records. The use of the last four digits of the Social Security number and birth date is necessary because of the large number of individuals who have identical names and whose identities can only be distinguished by such identifiers. The birth date is also required for the Certification Office to submit seal numbers to the International Fire Service Accreditation Congress (IFSAC).

SECTION 7. ACCREDITATION BY IFSAC AND PRO BOARD

- 7.1 The Utah Fire and Rescue Academy is accredited by the International Fire Service Accreditation Congress (IFSAC) and the National Board on Fire Service Professional Qualifications (Pro Board) to certify fire service personnel who meet accepted national standards. Through this process, Utah firefighters and allied professionals achieve national and international recognition of certification. This accreditation of the Utah Fire Service Certification System assures Utah fire service personnel and allied professionals that programs and standards used within this system adhere to the most current national standards. The assurances gained through the accreditation process provide credibility and prestige for every firefighter participating in the certification process. Firefighters certified through the Utah system are recognized throughout the United States (and the world) as qualified and meeting applicable standards.

SECTION 8. CERTIFICATION COUNCIL

- 8.1 The governing body for fire service certification in the state of Utah shall hereafter be referred to as the Utah Fire Service Certification Council (UFSCC) or the Council, as stated in Utah State Rule R710-16. Please refer to the UFRA website.
- 8.2 The Utah Fire and Rescue Academy is authorized by the Utah Fire Prevention Board, the Utah Department of Public Safety, and the Utah State Fire Marshal's Office as the entity in the state of Utah to manage the Certification program.
- 8.3 The director of the Utah Fire and Rescue Academy shall appoint a Certification program manager and other support staff to handle the day-to-day operations of the Certification system.
- 8.4 The director of the Utah Fire and Rescue Academy, with the approval of the Utah Fire Prevention Board, shall appoint a twelve (12) member Council.
- 8.5 The Council shall be made up of users of the system representing paid and volunteer departments or agencies, members with special expertise areas, and members from various geographical locations in the state.
- 8.6 Members of the Council shall serve a three (3) year term.

- 8.7 Members of the Council may be reappointed.
- 8.8 A Council member may resign from the Council by delivering a letter of resignation to the Certification program manager.
- 8.9 A Council member who resigns may submit a letter of recommendation for their replacement to the Certification program manager and/or director for consideration.
- 8.10 The Council shall elect, from its body, a chairperson and vice-chairperson to conduct Certification Council meetings and to represent the Council as needed.
- 8.11 The chairperson and vice-chairperson of the Certification Council shall serve a two (2) year term.
- 8.12 In the event the chairperson resigns or cannot complete their term of office; the vice-chairperson shall assume the duties of the chairperson for the remainder of the original term. The new chairperson shall appoint an interim vice-chairperson from the remaining Council members.
- 8.13 The Utah Fire Service Certification Council will:
- a. Establish uniform minimum standards for certifications.
 - b. Ensure quality and uniformity in the Certification system.
 - c. Ensure that testing and certifying services are available to candidates without regard to race, sex, creed, or ethnic origin. The Certification system does not gather this type of information or require that it be submitted.
 - d. Establish written and skill examination procedures to determine whether a candidate meets the minimum standards as set forth by the Council.
 - e. Report activities of the Council to the Utah Fire Prevention Board.
 - f. Review appeals.
 - g. Revoke, suspend, or deny certification.
 - h. Issue certification to any candidate who presents evidence that the minimum Utah standards established by the Council have been met.
 - i. Conduct assigned duties promptly and professionally.
 - j. Represent the best interests of the Council at all times.
 - k. Stay informed on pertinent fire service training issues, including NFPA standards, IFSAC and Pro Board policies, etc.
 - l. Maintain ethical standards and confidentiality in all dealings as a Council member.

- 8.14 The Council shall meet six (6) times per year, or as needed.
- 8.15 A quorum shall be defined as a minimum of seven (7) Council members in attendance at the meeting.
- 8.16 The Council chairperson or vice-chairperson shall declare a quorum to conduct the affairs of the Council, and it shall be recorded in the minutes.
- 8.17 The Council shall keep minutes of the proceedings of its meetings and record all actions taken by the Council. The Council minutes shall be published on the Utah Fire and Rescue Academy website and be made available in the Certification Office.
- 8.18 A member of the Council may appoint another member of the Council as their proxy to Council meetings. Members may have one (1) proxy vote only. Such proxy, which is valid only for the meeting in which it is given, must be reported to the Certification program manager prior to the meeting and documented in the minutes.
- 8.19 Council members may be excused from two (2) meetings per calendar year. Council members missing more than two (2) meetings, excused or unexcused, per year may be removed by the director, upon recommendation by a majority vote of the Council or the Certification program manager.
- 8.20 Agenda items for Council meetings shall be presented, in writing, to the Certification program manager, at least one month prior to any Certification Council meeting.
- 8.21 Certification Council meetings shall be conducted according to the current edition of *Robert's Rules of Order* and the Utah Open Meetings Act.
- 8.22 Executive sessions may be held during Council meetings when discussing sensitive matters, to protect the innocent and ensure confidentiality. Executive sessions are for discussion of matters only, and no voting shall take place.
- 8.23 The Council may appoint a project committee work group as required to achieve operational needs. The committee or work group may consist of Council members and/or other personnel as appropriate to achieve its purpose.

SECTION 9. CERTIFICATION ADMINISTRATION

- 9.1 Certification administration is responsible for the management and administration of the Utah Fire Service Certification programs. Duties and responsibilities of the Certification program manager include the following:
- a. Control and secure IFSAC seals and electronic Pro Board logos, UFRA certificates, patches, and ID cards.
 - b. Establish procedures to ensure program integrity.

- c. Analyze and maintain test statistics.
- d. Provide direction and serve as the focal point for certification issues.
- e. Develop and manage a process to ensure all testing is administered in a fair, secure manner and complies with the guidelines as set by the Council and accreditation criteria.
- f. Maintain accredited agency status with the International Fire Service Accreditation Congress (IFSAC) and/or the National Board on Fire Service Professional Qualifications (Pro Board)
- g. Serve on an IFSAC or a Pro Board committee, if appointed and approved.
- h. Participate as a site-team member when requested to do so by the IFSAC or Pro Board administration offices and approved by the assistant director.
- i. Comply with IFSAC and Pro Board bylaws and criteria to ensure continued accreditation.
- j. Provide the IFSAC and Pro Board administration offices with reports and information as required to maintain accreditation and good working relations.
- k. Maintain a database of certification records in accordance with Utah records retention requirements.
- l. Maintain and update the UFRA Certification webpage.
- m. Control and secure IFSAC seals, UFRA certificates, patches, and wallet cards.
- n. Obtain the equipment, publications, supplies, training aids, and staff necessary to conduct certification examinations.
- o. Ensure confidentiality of records and personal information.
- p. Establish procedures to ensure that payments are processed honestly, accurately, and in a timely manner.
- q. Collect and manage certification fees, in conformance with UVU policy.
- r. Manage personnel and budgets in accordance with UVU policy.
- s. Report to the Council, director, state fire marshal, and/or the Utah Fire Prevention Board as requested.
- t. Provide certification testing components in conformance with accreditation criteria.
- u. Manage the Certification system in conformance with accreditation criteria.

SECTION 10. PROFESSIONAL STANDARDS

- 10.1 The Utah Fire Service Certification Council has elected to use NFPA and/or NWCG standards and corresponding manuals and/or other approved reference materials as guides for developing certification standards and testing materials. In the event a certification is desired for a level that does not have a corresponding NFPA or NWCG standard, a Utah standard may be developed based on documentation of applicable rules, laws, or accepted practices. Such Utah standards shall be submitted to accrediting bodies for any required approvals.
- 10.2 To maintain accreditation, the Council will update Utah standards to meet the most current NFPA standard within two calendar years from the official date of NFPA adoption. Testing will conform to the newest standard adopted for a specific level.
- 10.3 The Utah Fire Service Certification System shall publish a certification standard for each level of certification offered. Certification standards contain pertinent information designed to assist candidates in preparing for the certification process. Standards are based upon and consistent with NFPA and/or NWCG standards. Each skill and test bank item shall be referenced to the appropriate NFPA standard section and/or relevant JPR. Certification standards may be obtained electronically by accessing the UFRA website.

SECTION 11. CERTIFICATION REQUIREMENTS

- 11.1 All participating agencies and their candidates shall follow the established UFSCS Policies and Procedures.
- 11.2 Each participating agency is responsible for ensuring that applicants meet the NFPA 1500 medical and physical fitness requirements and OSHA 1910 requirements.
- 11.3 Candidates must be a minimum of eighteen years of age prior to any testing or the issuing of certification by the Council.
- 11.4 Candidates must be affiliated with a participating agency in order to test and certify within the Utah Fire Service Certification System.
- 11.4.1 A candidates who is a current firefighter in a fire department outside of Utah and within the United States may submit an examination request for Fire Officer I–IV levels. The candidates must meet all prerequisite requirements (NFPA and Utah standards) prior to submitting the request. The candidate must submit a copy of the required documentation (prerequisite certificates, portfolio, and Officer I–IV training records) and a \$350 payment (for each attempt) with the request to the Certification Office. Certificates will be mailed 30 days after the exam date. The candidate must meet section 11.1 and observe sections 11.6, 13.4, and 17.
- 11.5 Candidates must have, and present, a current picture ID at all certification examinations.

- 11.6 Candidates applying for certification through their department or agency must have the approval of the chief/administrator of that agency.
- 11.7 Experience, training, and education credits and/or a combination of these areas may be used to determine eligibility for certification by showing that requisite knowledge and skills have been acquired. In some cases, specific courses may be required.
- a. If a chief/training officer has validated that training/courses taken in the past have prepared a candidate for a particular certification requirement, annual training hours have continued within the past three years, and a training record has been signed by the department chief/training officer (verifying that skills are current and complete), the candidate is eligible to test—after verification documents (i.e., FEMA, training certificates, etc.) have been attached to the signed training record.
 - b. If a candidate has tested and passed prior exams (without certification options available) and training/courses taken in the past have prepared the candidate for a particular certification requirement, annual training hours have continued within the past three years, and a training record has been signed by the department chief/training officer (verifying that skills are current and complete), the candidate is eligible to test.
- 11.8 Members of participating agencies meeting section 11.6 shall be tested on the written and skill performance behavior objectives as outlined for each level of certification.
- 11.9 All candidates must meet or exceed established cognitive and psychomotor performance objectives prior to certification.
- 11.10 Applicants may enter the certification process at any level, provided that all prerequisite requirements for that level have been met prior to certification. These prerequisites include the current prerequisites for each NFPA standard for that level.
- 11.11 Participating agencies should make copies of applicable certification standards available to their personnel for any level in which they are participating. Certification standards may be obtained by accessing the UFRA website.
- 11.12 For fire service training organizations to receive certification for non-affiliated candidates, they must be approved in accordance with the R710-10-9 rule.
- 11.13 Participating agencies may continue to certify at the levels they currently receive certification in. All agencies other than fire departments wishing to certify at additional levels must petition the Certification Council for approval. For a current list of agencies and the levels they are allowed to certify in, please refer to Appendix B.

SECTION 12. EXAMINATIONS

Written Exams

- 12.1 Written examinations shall be conducted for specified certification levels and test the requisite knowledge outlined in the job performance requirements of the NFPA standard.
- 12.2 Certification testers or approved individuals shall proctor electronic/paper written examinations.
- 12.3 Written examination questions will be referenced to manuals and/or standards for each accredited level, as approved by the Council.
- 12.4 Test banks may be purchased from a test bank company or developed and reviewed in-state by subject matter experts. All test bank items shall be validated by the committee of subject matter experts comprised of state certified members of the Utah Fire Service Certification System and/or the Utah Fire service and/or persons with extensive professional knowledge and credentials in the field of test validation or in the areas of knowledge covered by the test.
- 12.5 Certification test and test item analysis will be reviewed as needed to maintain the validity and reliability of the written examinations.
- 12.6 Written test questions found to be unreliable shall be corrected or removed from the test bank. If a question on an active test version is found to be unusable, the Certification program manager may adjust test scores of those taking that test version until the version is replaced.
- 12.7 Correlation sheets/matrices shall be completed for each level of certification and will show competency in requisite knowledge and skills listed in the job performance requirements. Correlation sheets/matrices will be in the correct format and completed following the criteria put forth by IFSAC and Pro Board.
- 12.8 Written test banks shall correlate 100% of the applicable requisite knowledge and have no less than one test question to support each component within the NFPA standard. All questions in the test bank shall be correlated on the correlation sheet.
- 12.9 Written test banks shall be at least twice as large as the number of questions used per test generated.
- 12.10 Written examinations shall be randomly generated from the Utah certification test banks.
- 12.11 Written examinations shall be randomly generated by the NFPA objective reference.
- 12.12 At least three (3) versions of a paper copy written examination shall be in service for each level of certification being offered.

- 12.12.1 New versions of paper copy written examinations shall be generated every six months after the date an examination was first used by or issued to candidates. Also, a new version shall be generated if an examination is compromised or lost.
- 12.13 UFRA staff shall shred used paper copies and expired versions of paper copy written examinations.
- 12.14 Electronic exams are randomly generated for each candidate, creating multiple exams (see sections 12.10 and 12.11). Candidates will be given a secured confirmation number/password at the time of the exam.
- 12.14.1 Examinations will be considered invalid if a candidate leaves or electronically clicks off the online test site (to view another website or document).
- 12.14.2 Candidates will receive their results immediately, once they submit their electronic exam.
- 12.15 Utah certification test banks and written examinations shall be maintained with the highest level of security at all times.
- 12.16 Paper and electronic copies of the test banks and written examinations shall be locked in a secure location by Certification administration—unless they are in use or under review by personnel approved by the Council or Certification administration. All paper copies of test banks will be returned to Certification administration upon completion of reviews.
- 12.17 All electronic copies of the test banks or written examinations shall be locked with a password or other security measure, which will deny unauthorized access. Access to all electronic exams is in the control of the Certification program manager and assigned staff.
- 12.18 Examination results shall be maintained by Certification administration.
- 12.19 Paper copy examination results exam materials shall be scanned and/or preserved in a secure storage database by Certification administration. Once scanned, results shall be kept for a minimum of seven (7) years or indefinitely as the system allows. Exam materials shall be kept for a minimum of three (3) years.
- 12.20 Written examinations shall not be reproduced outside of Certification administration.
- 12.21 Written examinations shall not be graded outside of Certification administration.
- 12.22 A minimum passing score for all written examinations shall be 70%.
- 12.23 Candidates shall be given three (3) attempts to meet minimum passing requirements.

- 12.24 Candidates must complete the examination process, both written and skills exams, for each level within one year from the first exam date. If the examination process is not completed within one year, all test results for that level become invalid and the candidate must begin the examination process from the beginning.
- 12.24.1 Candidates who fail the written examination may retest no sooner than 30 days from the date of the failed examination, unless otherwise approved by the Certification program manager or the Council.
- 12.25 If a candidate fails to pass the written examination after three (3) successive examination attempts, then they have failed the examination process and may choose one of two options:
1. The candidate may wait to reenter the examination process no sooner than one year from the date of the last failed examination.
 - a. The candidate is not required to take a new course.
 - b. The candidate must take both the written and skills examinations.
 2. The candidate may submit a letter of petition to the Certification program manager announcing their intention and explaining the reason they want to reenter the testing process prior to the one-year requirement. The Certification program manager may bring the petition to the Council, at their discretion. The candidate will receive notification of the decision made by the Certification program manager within 30 days.
 - a. The candidate must wait 120 days from the date of their last failed examination.
 - b. The candidate must take another course and complete a new training record.
 - c. The candidate must take both the written and skills examinations.
- 12.26 If candidate is denied reentry by the Certification program manager, he/she has the option to petition that decision to the Certification Council in writing.
- 12.27 If a candidate presents himself/herself to the Council for testing and needs reasonable accommodations for learning disabilities or other conditions affecting the candidate's ability to complete the written examination, the procedures listed below must be followed. Accommodations will only be made for the written examination and may be in the form of: providing a reader to assist with the exam or by allowing additional time to complete a written examination. Examinations will only be read in English.
- a. Candidates must make a request in writing to the Certification program manager specifying the level of testing, the reason(s) for requesting testing accommodations, and the type of accommodation they are requesting (i.e., a reader or extended time).
 - b. A statement from the candidate's doctor or fire chief/administrator must accompany the request, attesting to the need for testing accommodations and clarification of why there is a need for a reader and/or extended time.

- c. An "Examination Request" form must accompany the statement and be received by the Certification Office 30 days prior to the requested test date.
- d. Only Certification testers will be used as approved readers. The Certification tester shall not be from the same department as the candidate requesting accommodations.
- e. The Certification tester conducting the written examination will be notified that a reader or extended time has been granted to a candidate for whom they are proctoring the exam.
- f. During the test, the Certification tester will be allowed to read ONLY the questions and responses as written.
- g. The candidate(s) must meet all other requirements and prerequisites for the level of testing being requested.

Skills Exams

- 12.28 Skills examinations shall be conducted in an objective manner for appropriate certification levels and test the requisite skills outlined in the job performance requirements of the NFPA standard.
- 12.29 The Council, through an approved Certification tester(s), will administer only the skills “spot check” exam selected and sent by Certification administration. No substitutes are allowed.
- 12.29.1 Tester training procedures required for skills examinations (psychomotor, process, product, project and/or portfolio), shall be taught at train-the-tester meetings and reviewed at the annual tester training seminar. "Spot-check" skill's sheets, grading rubrics, and/or grading methods will be provided securely to the testers prior to the exam.
- 12.30 Certification examinations shall not be administered by Certification testers who are affiliated with the requesting agency or were involved in conducting the training for the individual(s) or objective(s) tested, unless otherwise approved by the Certification program manager.
- 12.31 During emergency situations or under extraordinary circumstances, certification examinations may be administered by a Certification tester who is affiliated with the requesting agency so long as the tester has not been involved in conducting the training for the candidate(s) or objective(s) being tested. Testing is conditional based upon state restrictions and must follow all state and UVU guidelines and must be approved by the UFRA director. When the emergency situation is declared over by the UFRA director, testing will return to normal conditions.
- 12.32 Skills examinations will be referenced to manuals and/or standards for each level, as approved by the Council.

- 12.33 Skills examinations, to include psychomotor, processes, products, projects and portfolios, shall be developed, reviewed, and validated by a committee subject matter experts comprised of state certified members of the Utah Fire Service Certification System and/or the Utah fire service and/or persons with extensive professional knowledge and credentials in the field of test validation or in the areas of knowledge covered by the test.
- 12.34 Certification test and test item analysis will be reviewed as needed to maintain the validity and reliability of the skills examinations.
- 12.35 A skill found to be unreliable shall be corrected and/or removed from the test bank and will be sent back to the subject matter experts and/or the Certification Council members for review. The skill will not be used until corrected. If the skill is being used on a current version of a test, the skill may be replaced by the Certification program manager with a skill from the same objective of the NFPA standard.
- 12.36 Correlation sheets/matrices shall be completed for each level of certification and will show competency in requisite knowledge and skills outlined in the job performance requirements. Correlation sheets/matrices will be in the correct format and completed following the criteria put forth by IFSAC and Pro Board.
- 12.37 Skills examinations, to include the testing methodologies of psychomotor, process, product, project, and portfolio, shall correlate 100% of the applicable requisite skills to support each component of the NFPA standard. All skills test items shall be correlated appropriately on the correlation sheet/matrices.
- 12.38 Skills examination items shall be randomly selected from skill sets maintained by Certification administration.
- 12.39 Skills "Spot Check" examinations shall consist of one of the following:
- 10% of the total skills for the level being tested
 - Three (3) skills, equal to or great than 10% of the total skill for that level
 - Evolution examination (combined skills), greater than 10% of the total skills.
- 12.39.1 A skills "spot check" examination packet includes:
- A cover sheet for each candidate to document their name, signature, date, department, and test site
 - A consent form to acknowledge the risks involved, and other information required
 - The testers skill sheet (used for grading), which includes the skill description, conditions, time allotted, and each of the skill steps required, with pass/fail options for grading
 - A "tester comment" section is available as needed, as well as a "notice to testers" regarding first-attempt and second-attempt failures.
- Each packet is securely returned to Certification Administration.

- 12.40 At least three (3) versions of the skills examination shall be in service for each level of certification being offered, unless the examination is an evolution which includes multiple skills.
- 12.41 New versions of skills examinations shall be generated every six months after the date the exam was first used by or issued to candidates. Evolution exams will remain the same. A new version will be generated if an examination is compromised or lost.
- 12.42 The Council may approve other forms of skills examinations for certain certification levels, including but not limited to processes, products, portfolios, and projects.
- 12.43 Portfolios processes will be developed by in-state subject matter experts following the requisite skill and/or knowledge requirements set forth in the NFPA standards during the validation process. Procedures for their administration and evaluation shall be recommended by the subject matter experts and approved by the Certification Council. Conflicts concerning the portfolio review will be brought to the attention of the Certification Council for review and discussion.
- 12.43.1 Each candidate must complete a portfolio requirement form prior to submission of their portfolio. This includes: name, department, job title, date, instructions to candidates, the appeals process, descriptions of the skills/knowledge, criteria, JPR references, and a signature of the applicant/candidate acknowledging that the portfolio is accurate and complete (from their job experience). The evaluator will use this form to check off completion of each requirement.
- 12.43.2 Each portfolio candidate may receive consultation from the Certification Council member who is reviewing their portfolio, if there are additional questions or comments. Once the Council member finalizes the grading procedures, they recommend to the Certification Council approval or denial of the portfolio. The Certification Council may have a discussion, then a motion to approve or deny. Afterwards, the candidate will receive a letter from the Certification program manager notifying them of the approval or denial of their portfolio.
- 12.44 Prior to beginning the skills examination, the Certification tester shall check that each candidate has a current, accurate, and complete training record on file with the department that indicates he/she has been trained on and passed all skill objectives. Training records must include the date and the instructor's original signature and/or initials for each line. The training record shall also show that the candidate has passed all skills during an in-house comprehensive test. The record must include the original chief/training officer's initials or signature and the date the skill was passed. Candidates without completed training records are not eligible for spot check testing.

- 12.45 The agency being examined shall provide enough safety officers to ensure candidate safety during skills/evolution examinations. The agency shall provide proper tools, PPE, and other equipment needed for testing all skills for the tested level, unless alternative arrangements are made with the Certification program manager prior to the test. UFRA may provide needed items, not currently in a department's inventory, or the department may borrow needed items as requested.
- 12.46 Candidates will be scored "Pass" or "Fail" according to Council-approved skills "Performance Competencies." To achieve certification, 100% of spot check skills must be passed.
- 12.47 Each candidate performing a skill as a member of a team shall be evaluated individually.
- 12.48 Candidates are given three (3) attempts to meet minimum skills testing requirements.
- a. A second attempt shall be evaluated by a different tester, unless the first-attempt evaluator is the only tester present.
 - b. When a team fails an item, any candidate in the group may request assignment to another team for a second attempt. Composition of the team for a retest may include candidates who have already passed that team skill, if the tester and lead tester believe that doing so will provide a more fair evaluation of the failed individual's skills.
- 12.49 Candidates must complete the examination process, both written and skills exams, for each level within one year from the first exam date. If the examination process is not completed within one year, all test results for that level become invalid and the candidate must begin the examination process from the beginning.
- 12.49.1 Candidates who fail a skills examination on the first two attempts must be retested on a skill from the section(s) in the standard they failed (the failed skill, plus one additional skill from the same area of the standard)—no sooner than 30 days from the date of the failed examination, unless otherwise approved by the Certification program manager or the Council.
- 12.50 Candidates who fail their first attempt on a skill may have the same tester administer the second attempt, if the candidate agrees. The candidate shall initial on the test form to allow retesting by the same tester. The second attempt should take place during the same test session as the first attempt.
- 12.51 Candidates who fail a skills examination on the first test date for Fire Officer I or Fire Inspector I (one attempt) must be retested on the same skill they failed no sooner than 30 days from the date of the failed examination. If they fail the second attempt, they will need to retest on the skill they failed

and on one additional skill from the same area of the standard, no sooner than 30 days from the date of the failed examination, unless otherwise approved by the Certification program manager or the Council.

12.52 If a candidate fails to pass the skills examination after three (3) successive examination attempts, then they have failed the examination process and may choose one of two options:

1. The candidate may wait to reenter the examination process no sooner than one year from the date of the last failed examination.
 - a. The candidate is not required to take a new course.
 - b. The candidate may use a training record from previous testing **IF** the training record is within the same standard edition.
 - c. The candidate must take both the written and skills examinations.
2. The candidate may submit a letter of petition to the Certification program manager announcing their intention and explaining the reason they want to reenter the testing process prior to the one-year requirement. The Certification program manager may bring the petition to the Council, at their discretion. The candidate will receive notification of the decision made by the Certification program manager within 30 days.
 - a. The candidate must wait 120 days from the date of their last failed examination.
 - b. The candidate must take another course and complete a new training record. This may be completed prior to the 120-day requirement.
 - c. The candidate must take both the written and skills examinations.

12.53 If a candidate is denied reentry by the Certification program manager, he/she has the option to petition that decision to the Certification Council in writing.

12.54 If a candidate presents himself or herself to the Council for testing and needs reasonable accommodations for disabilities or other conditions affecting the candidate's ability to complete the skills examination, the procedures listed below must be followed.

- a. Candidates must submit a petition in writing to the Certification Council specifying the level of testing, the reasons for requesting testing accommodations, and the type of accommodation they are requesting.
- b. A statement from the candidate's doctor must accompany the request, attesting to the need for testing accommodations, clarifying why there is a need, and attesting that the candidate is physically and safely able to complete the requirements of the exam.

c. A statement from the candidate's chief/administrator must accompany the request, attesting to the need for testing accommodations, clarifying why there is a need, and attesting that the candidate is physically and safely able to complete the requirements of the exam.

d. All requests will be reviewed at the next scheduled Certification Council meeting and must be voted on and approved by a majority vote of the Council.

e. If approved, an "Examination Request" form must be received by the Certification Office 30 days prior to the requested test date.

f. The Certification tester conducting the skills examination will be notified that there have been accommodations made and administer the examination according to the direction of the Certification Council.

g. The candidate(s) must meet all other requirements and prerequisites for the level of testing being requested.

h. No accommodations will be made that do not follow the minimum requirements set forth by the NFPA and NWCG.

12.55 If equipment is found to be defective, inadequate, or incomplete during the skills examination testing process, the candidate(s) testing will not be held accountable or documented as a failure. Rather, the candidate(s) will begin again, with properly operating equipment.

Petitions

12.56 The Council may approve a fourth attempt of the written or skills examination.

12.57 The Council must receive the request for a fourth attempt in writing from the candidate and endorsed by the candidate's chief/administrator no later than 60 days from the date of the last failed examination.

12.58 A letter requesting the fourth attempt shall state why the candidate is requesting a fourth attempt, including all information necessary for the Council to make a decision.

12.59 During a written or skills examination, candidates will be held to the highest degree of conduct. Cheating of any kind during any examination will not be tolerated.

12.60 If a Certification tester observes cheating during an examination, the lead tester will remove the candidate from the test. The candidate will be informed of the observation and requested to leave the test site. A supervisor of the department where the test occurs will be informed of the incident as soon as it is practical, without delaying the testing of other candidates.

12.61 The Certification tester will provide a written report documenting the observation of cheating and return the testing material and the report to the Certification program manager for review as soon as possible.

- 12.62 The candidate may appeal the tester actions to Certification administration for review by sending a letter of appeal. The Certification program manager will review the appeal.
- 12.63 After reviewing the tester documentation and the appeal by the candidate, the Certification program manager has the following options:
- a. Accept the actions of the Certification tester and deny further testing of the candidate based on sections 12.25 or 12.52.
 - b. Accept the appeal of the candidate and allow the candidate to retest using a different test.
 - c. Refer the situation to the Council for discussion and action.
- 12.64 If further testing is denied, either by action of the Council or the Certification program manager, the candidate will be ineligible for testing from the date of the test for a period of one (1) year.

Test Sites

- 12.65 Test sites will be managed in a manner that is safe, appropriate for the type of test being administered, and follows the guidelines.
- 12.66 Testers shall be dressed in appropriate clothing, including the approved tester shirt, for the type of test that is being conducted. Testers shall not wear shorts, sandals, or open-toed shoes, unless otherwise approved by the Certification program manager.
- 12.67 When testers are working outdoors, appropriate clothing to meet inclement weather is acceptable.
- 12.68 Outdoor testing during inclement weather (thunder/lightning storms, extreme heat, cold, snow, or icy conditions) is a major safety concern. Testers should always be aware of and alert to changing weather conditions and may adjust a test to maintain a safe testing environment. If a test is changed due to inclement weather, the Certification Office should be notified as soon as possible. Safety officers shall observe candidates for signs of heat and cold stress or the presence of potentially dangerous medical conditions and take reasonable action to prevent injury due to such conditions.
- 12.69 In the event weather makes driving conditions dangerous for testers, the test may be cancelled and rescheduled at the earliest possible date. Notification will be communicated to all agencies testing by the Certification Office and/or the lead tester as soon as possible. The hosting agency will be responsible for communicating the cancellation to all other agencies that were scheduled to test.
- 12.70 The lead tester shall contact the department hosting the test, prior to testing, to ensure that there are adequate resources available to conduct the assigned test.

- 12.71 Testers shall arrive at the test site at least 30 minutes prior to the scheduled test time to set up the site, conduct/participate in a pre-test briefing, and ensure that testing begins on time.
- 12.72 Coordination of a test site, where a written and skills examination is being conducted, shall be done so those candidates taking a written examination shall be allowed to complete the examination without interruption by testers.
- 12.73 It will be the responsibility of the lead tester to coordinate a test site to maximize the time, resources, testers, and candidates in order to provide a fair and equitable testing process that follows all the policies and procedures of the Council.
- 12.74 Simulation for skills examinations shall be permitted when performance in actual conditions cannot be duplicated. The simulation must allow candidates to demonstrate their applicable knowledge and successfully complete all competencies required by the skill.
- 12.75 Test boxes will be sent to the lead tester and sealed with a "TO BE OPENED BY TESTER ONLY" tag. Certification testers who encounter a test box with the seal broken shall assume the test box has been tampered with and contact the Certification Office. While unsealed, the test box shall remain under the direct control of the Certification tester.
- 12.76 Test boxes shall be resealed with a "TO BE OPENED BY CERTIFICATION STAFF ONLY" tag, taped, and returned (using the Return Shipping Label) to Certification administration within the 5-day return policy.
- 12.77 All testing material receipts are inventoried after each usage to ensure that all test booklets have been returned.

SECTION 13. EXAMINATION SCHEDULING

- 13.1 A request for an examination must be submitted to the Council for each written or skills "spot check" examination. The "Examination Request" form may be obtained by accessing the UFRA website.
- 13.2 Skills "spot Check" examinations and written examinations shall be requested using an "Examination Request" form.
- 13.3 A separate "Examination Request" must be submitted for each examination attempt.
- 13.4 The chief/administrator of the participating agency shall submit an "Examination Request" to the Council not less than 30 days in advance of the scheduled examination date.
- 13.5 Testing facilities, apparatus, equipment, supplies, and support personnel are the responsibility of the local fire service organization. The local fire service organization shall be aware of and comply with all applicable NFPA standards; federal laws; and Council standards, policies, and procedures.

- 13.6 The candidate's agency will provide and bear any cost of equipment, apparatus, and suitable facilities necessary to conduct the examinations.
- 13.7 On receipt of the "Examination Request" from the participating training agency, Certification administration will schedule examinations.
- 13.8 Certification tester(s), approved by the Council, will be assigned to the participating agency to administer examinations.
- 13.9 Certification tester(s) shall follow all examination procedures defined by the Council. Any and all discrepancies (training records, in-house comprehensives, and related training issues) shall be documented and submitted to Certification administration with the test box.
- 13.10 Accredited entities shall permit a representative designated by the IFSAC Certificate Assembly Board of Governors to observe any testing process upon receiving notice of intent to observe the test at least forty-eight (48) hours prior to the test. The certifying entity shall provide the dates, time, and location of any testing process upon request for such information by IFSAC administration.

SECTION 14. CERTIFICATION TESTERS

- 14.1 Certification Testers for the Utah Fire Service Certification System shall conduct themselves in a professional manner at all times.
- 14.2 To apply as a Certification tester, an applicant must be currently affiliated with a Utah fire agency with a minimum of 5 years as a firefighter, be certified at Fire Instructor I or M-410 Facilitative Instructor, and be certified at the level they are testing—or as approved by the Certification program manager or the Council.
- 14.3 Applicants must complete a Utah Valley University (UVU) application and submit: a cover letter of interest with evidence of qualifications; a resume of education, training, and experience; copies of certifications issued by the UFSCC; and two (2) letters of recommendation, one of which must be from the chief/administrator of the applicant's agency and the other from a fire service professional. The chief/administrator and the other fire service professional will be contacted to verify their recommendations.
- 14.4 Once an application has been reviewed, the applicant will be interviewed by the Certification program manager or an interview panel, before acceptance as a Certification tester. Once approved, the applicant must attend and successfully complete the Certification Tester Course as offered by the Certification program manager.
- 14.5 Once an applicant has completed the prerequisites, the application process, and the tester training course, they will be notified of their status as a Certification tester.

- 14.6 Certification testers should attend tester update training every year. If a Certification tester does not attend the training one year, they must attend the following year to maintain their status as a tester. If the tester does not attend two consecutive years of training, they will be removed from the tester list.
- 14.6.1 Certification testers and administration must complete required UVU HR compliance course training annually to maintain status as an employee of Utah Valley University, Utah Fire and Rescue Academy, and as a UFSCS Certification tester. Training may include, but not limited to: FERPA training, Title IX, Cyber-security, Workplace conduct, and all other requirements for UVU Policy 165, titled “Discrimination, Harassment, and Affirmative Action”.
- 14.7 Level I assistant Certification testers must successfully complete a minimum of six (6) skills exam test sites—one (1) as an observer and a minimum of five (5) as an assistant tester—before they will be allowed to administer a test site as a Level II lead Certification tester, or as determined by the Certification program manager. A Level III senior lead Certification tester achieves that level by being a lead tester for ten (10) consecutive years with a good evaluation record.
- 14.8 All Certification testers may be given the opportunity to administer examinations. Testers will be contacted by a Certification specialist and should respond to the specialist. Testers who do not respond or who do not administer a test (due to minimal need in their area) during a one-year period may be removed from the tester list and removed from UVU payroll.
- 14.9 Certification testers must follow UFRA SOGs, UVU policies, and all Council policies and procedures as specified in this UFSCS Policies and Procedures Manual, the examination instructions, and all other documents/forms applicable to testing.
- 14.10 The Council reserves the right to “walk in” unannounced and observe certification testing in progress by Certification testers.
- 14.11 Certification testers may be subject to disciplinary action in accordance with UVU Policies and Procedures for violation of the policies and procedure listed in section 14.9. This action may include probation, suspension, and/or revocation of Certification tester status. Further action may be taken as outlined in section 20.
- 14.12 A Certification tester must maintain affiliation with an approved agency in order to remain a tester. Once a tester retires or is no longer affiliated, the tester will be removed from the tester list and terminated from UVU.
- 14.13 If the former tester is re-affiliated after termination and wishes to reapply, the process outlined in sections 14.2–14.5 shall be followed.
- 14.14 Live Fire Certification testers must also be affiliated with a Utah fire agency with a minimum of 5 years as a firefighter, be certified at Fire Instructor I or M-410 Facilitative Instructor, be certified at Firefighter I and II, and be approved by the Certification program manager.

- a. A Live Fire lead tester must not be associated with the instruction of the course being tested. The Live Fire lead tester must remain outside the live fire prop or structure during the exam.
- b. A Live Fire assistant instructor may also work as a Live Fire assistant tester but is not permitted to be the Live Fire lead tester if they have been associated with the instruction of the course. Additional Live Fire assistant instructor requirements include:
 - i. Must be approved to be a UFRA Live Fire instructor
 - ii. Must meet NFPA 1403 Live Fire training standards
 - iii. Must meet all UFRA instructor prerequisites and minimum qualifications
 - iv. Must attend the Live Fire Train-the-Trainer and necessary updates
- c. A Live Fire assistant instructor may be approved by the Certification program manager.

14.15 New Certification testers for Technical Rescue, Fire Investigator, and Live Fire skills exams must receive testing instructions at a Train-the-Tester workshop. They must meet all qualifications and continue to learn any necessary updates.

14.16 Certification Testers must be certified at the level they are testing or be approved by the Certification program manager or the Certification Council.

SECTION 15. CERTIFICATION TESTER EVALUATIONS

15.1 Certification testers shall be evaluated periodically or as determined by the Certification program manager and/or Council members. Evaluations shall be completed by Certification administration or a member of the Council.

15.2 Tester evaluation forms shall be returned to the Quality Assurance/Quality Control Division to process within five days of the evaluation.

15.3 QA/QC shall provide to Certification administration calculated data from evaluations. If problems are found, Certification administration and/or the Council shall decide on the best course of action.

15.4 Certification administration shall collect and file evaluation forms in the tester's electronic personnel file.

SECTION 16. EXAMINATION GRADING/SCORING/APPEALS

16.1 All examinations shall be graded by Certification administration, an assigned certification tester/SME, or after submission of an online exam.

16.1.1 Online examinations will be automatically graded once submitted (unless accommodations were requested).

16.2 Hard-copy paper examinations (multiple choice, true/false) **will not** be graded in the field.

16.2.1 Skills examinations (i.e., psychomotor, cognitive, product, process, project, and/or portfolio) will be graded by the subject matter expert or certification staff member assigned using a grading rubric, or by a qualified certification tester at the site of the skills exam.

16.3 The scoring of exams shall be impartial.

- 16.4 Skills examination results should be given to each candidate privately at the conclusion of the skill being tested, depending on the type of examination.
- 16.5 The chief, administrator, or designee of the participating agency will be mailed a copy of written and skills examination pass/fail results within 25 days of the examination.
- 16.6 Examination percentage results will not be given to any individual other than the candidate unless an authorization to release information form from the candidate is filed with Certification administration.
- 16.7 Examination results and certification records will be maintained by Certification administration and protected by passwords and keys.
- 16.8 Examination results and certification records will be placed with the candidate's primary agency.
- 16.9 If a candidate works for two (2) agencies, records will reside with the primary agency unless the candidate requests them to reside with a secondary agency.
- 16.10 To request that records be moved from a primary agency to a secondary agency, a candidate must send a letter to Certification administration asking for the change. A chief/administrator may update a department roster by contacting the Certification Office.
- 16.11 Upon receiving the written request, Certification administration will make the change and the candidate's record will be hosted in the database of the Utah Fire and Rescue Academy.
- 16.12 For candidates who have failed a third-attempt examination, written or skills, their chief/administrator will be notified of the failure and made aware of testing policy regarding third attempt failures.
- 16.13 Examinations may be appealed by contacting Certification administration in writing, within 60 days, and explaining the reason for the appeal. If resolution of the appeal does not occur through Certification administration, the candidate can appeal to the Council. If the Council turns down the appeal, the candidate can appeal to the Utah Fire Prevention Board. If the Board turns down the appeal, the candidate can request a judicial review. A judicial review of all final Board actions resulting from informal adjudicative proceedings is available pursuant to UCA.
- 16.14 An official appeal must be in writing and include:
- a. The candidate's name
 - b. The date of the examination
 - c. The type of examination (written or skills)
 - d. The reason the appeal is being requested
- 16.15 Written examination questions must be challenged in writing, by item number, at the time of the examination.

- 16.16 Appeals of skills examinations must be submitted to the Council within 60 days of the date of the examination.
- 16.17 An exam cannot be appealed after a retest of that exam has been administered.
- 16.18 The Council must act on the appeal at the next scheduled meeting. The Council must notify the applicant as to their decision, in writing, within 30 days of the meeting.

SECTION 17. REQUEST FOR CERTIFICATION

- 17.1 When a candidate has successfully completed the written and skills "spot check" examinations and/or any other required documents, the participating agency must submit a "Certification/Recertification Request" to the Council. This form can be found on the UFRA website.
- 17.2 If a candidate has completed both the written and skills "spot check" examinations and no "Certification/Recertification Request" has been received by Certification administration, the test results will remain valid for a period of three (3) years. The time will be based on the date of the last test given and passed. At the end of this three (3) year period, test results will become void and no longer acceptable if a "Certification/Recertification Request" has not been received.
- 17.3 A fee may be charged to each candidate for testing and certification, for each level of certification being requested. Refer to the fee schedule on the UFRA website.
- 17.4 Certified candidates shall be issued a patch, an ID card, and a certificate, which can be printed from UFRA's website. A fee may be charged for original certificates, certification cards, and patches.

SECTION 18. ISSUING CERTIFICATION

- 18.1 Candidates meeting or exceeding standards of written and skills behavioral performance objectives will be issued certificates, ID cards, and patches (as available), identifying them as certified at the level being requested.
- 18.2 Certificates will clearly identify the certifying entity, the name of the candidate, the level of certification, the applicable standard and edition, the date issued, the IFSAC seal, and the signature of the issuing authority. Only seals issued from IFSAC administration will be used. Pro Board logos are available on certification certificates issued after July 1, 2023. Prior to that date, candidates were able to purchase a Pro Board certificate by completing and submitting a Pro Board application.
- 18.3 Certificates will be created and available online for candidates to print from UFRA's website within twenty-five (25) days of receiving the certification request.
- 18.4 ID cards are available to print online from the UFRA website at not cost. Patches will be forwarded to the chief/administrator of the participating agency for distribution to personnel.

- 18.5 A candidates or their chief/administrator may purchase a copy of the certificate with the original IFSAC seal for a fee, as determined by the Certification Council. Pro Board does not issue seals, but certificates can be printed from the UFRA website (after July 1, 2023), or obtained through the Pro Board application process.
- 18.6 All applicable fees for testing and certification shall be paid in a timely manner.
- 18.7 Certification will be valid for a three (3) year period unless otherwise specified by a certification standard.
- 18.8 Certificates and ID cards will be issued with January or June expiration dates unless otherwise specified by the certification standard.
- 18.9 Certification seal numbers will be sent to IFSAC for entry into a national registry.

SECTION 19. RECERTIFICATION

- 19.1 Application for renewal of certification must be made by submitting a "Certification/Recertification Request" to Certification administration prior to the expiration date of the current certification period. This form can be found on the UFRA website.
- 19.2 Certification administration will notify participating agencies regarding recertification of their certified personnel approximately 60 days prior to their certification's expiration date. Notification will be sent in April and November. The online "Lookup System" also lists department information.
- 19.3 Recertification will be for all levels held by the certified applicant unless otherwise specified by the Council.
- 19.4 A fee may be charged for recertification. New certificates will not be issued.
- 19.5 Recertification is for an additional three (3) year period unless otherwise specified by a certification standard.
- 19.6 Participating agencies may renew certification of their members by having the chief/administrator submit a "Certification/Recertification Request" verifying that the certified candidates participated in at least thirty-six (36) hours (per year) of structured class and skills training relevant to their certifications, or a total of 108 hours of training in the previous certification period, unless otherwise specified by a certification standard.
- 19.7 Records shall be maintained by the participating agency to verify that recertification requirements have been met.
- 19.8 The Council may examine the training records of any and all certified personnel for renewal of certification.
- 19.9 The Council may conduct a written or skills examination at their discretion.

- 19.10 If a certified candidate's certification has been expired for six (6) months or longer without a "Certification/Recertification Request" being filed with the Certification Office, the certified candidate is not eligible for recertification.
- 19.11 If recertification has lapsed due to extenuating circumstances, the candidate/agency shall contact the Certification Office.
- 19.12 If a candidate has returned from military service and certifications have lapsed, verification of competency from the chief/administrator will be considered.

SECTION 20. REVOCATION/SUSPENSION/DENIAL OF CERTIFICATION OR TESTER PRIVILEGES

- 20.1 The Council may revoke, suspend, or deny the certification of any candidate or the testing privileges of any Certification tester who:
- a. Makes any intentional material misstatement on an application for certification or testing privileges
 - b. Has been convicted of a felony, capital offense, class A misdemeanor, felony plea-bargained down to a misdemeanor, or a crime involving violence inflicted on another person or abuse of another person
 - c. Falsifies records, documentation, or signatures pertaining to certification or employment as a tester
 - d. Intentionally misrepresents or violates UFSCS Policies and Procedures
 - e. Intentionally violates test instructions to dishonestly pass an examination or allow someone to pass a test dishonestly
 - f. Fails to successfully complete all elements of certification for the indicated standard within a one-year time period, unless otherwise specified in a certification standard. The one-year time frame begins with the first attempt at either the written or skills exam.
 - g. Cheats during any part of the testing process
 - h. Fails to report cheating
 - i. Lies to investigators concerning alleged violations
 - j. Has any physical or mental disability which affects their (the candidate's or Certification tester's) ability to perform their duties, as determined by a court of competent jurisdiction or a medical doctor
- 20.2 The Council may choose not to accept any training and in-house training records, for the purpose of state certification, which have been signed by department instructors or training officers who have:

- a. Falsified training records
- b. Failed to report cheating or allowed cheating on in-house tests to occur
- c. Lied to, or failed to cooperate with, investigators concerning alleged violations

SECTION 21. PROCEDURES FOR REVOCATION/ SUSPENSION/DENIAL OF CERTIFICATION

- 21.1 The Council or its representative(s) will investigate all suspected or reported violations defined in section 20.
- 21.2 The Council shall appoint an investigative committee of two or more Council members. The Certification program manager is optional. The special committee will follow an approved investigation process to investigate suspected or reported violations as deemed appropriate (see the "Investigation Guide" in Appendix D).
- 21.3 The purpose of an investigation shall be to determine whether there has been "conduct in violation" of section 20.
- 21.4 The investigation process shall be conducted in a timely manner and in such a way as not to intentionally embarrass or demean an organization or person.
- 21.5 The investigation shall begin by notifying the affected organization or individual that an investigation is being conducted. At this time, the purpose of the investigation will be explained to involved parties.
- 21.6 After being notified of the investigation, if the candidate/organization being investigated chooses to relinquish all certifications, the candidate may do so in writing and no investigation will be conducted.
- 21.7 During the investigation, witnesses may be interviewed, evidence will be collected and documented, and any public accounts such as newspaper articles or public records may be reviewed.
- 21.8 The investigators shall seek firsthand information. Hearsay (one person's report of what another person said) should be characterized as that and should generally be used only to ask the other person to come forward and be heard. No one will be "under oath," but all should be counseled about the value of speaking fairly, accurately, and honestly.
- 21.9 The investigator(s) shall deliver a report to the Council. The report should be in writing and signed by the person conducting the investigation and/or committee members. It should summarize, analyze, and briefly state the conclusions of the investigation based on the facts.
- 21.10 If the Council believes, following an investigation, that grounds exist for the revocation, suspension, or denial of certification, the candidate shall be given written notification of the Council's intention to hold a hearing.

- 21.11 The written notification shall include the time, date, location, purpose, and basis of the hearing. The Council may summon and interview witnesses and gather information pertinent to the case, and shall allow the accused candidate to respond to the charges in writing or in person.
- 21.12 The written notification to the candidate shall be sent by "Certified Mail" to the last address furnished to the Council by the candidate or participating agency. Copies of all correspondence and documentation shall be retained and secured by Certification administration.
- 21.13 The revocation, suspension, or denial of certification shall require a majority vote of a quorum of Council members (following the hearing). The Council may choose to hold a closed session for deliberation about the charges, but any resulting vote on an action shall be taken during an open session.
- 21.14 Any candidate who has lost and/or been denied certification pursuant to section 20 may reapply for certification ONE (1) year after the date of the Council's action, unless otherwise specified by the Council.
- 21.15 Upon a candidate's choosing to relinquish certifications voluntarily or the revocation, suspensions, or denial of the certification of any candidate, the candidate shall return to the Council all certificates, cards, and patches issued by the Council for said certification level(s) being relinquished, revoked, suspended, or denied.
- 21.16 Candidates who have had their certification revoked, suspended, or denied may appeal the decision of the Council to the Utah Fire Prevention Board.

SECTION 22. PROCEDURES FOR REVOCATION/SUSPENSION/ DENIAL OF CERTIFICATION TESTER PRIVILEGES

- 22.1 The Certification program manager will investigate all suspected or reported violations by Certification testers as defined in section 20. The Certification program manager may seek assistance from the Council to conduct the investigation.
- 22.2 The purpose of an investigation shall be to determine whether there has been "conduct in violation" of section 20.
- 22.3 The investigation process shall be conducted in a timely manner and in such a way as not to intentionally embarrass or demean an organization or person.
- 22.4 The investigation shall begin by notifying the affected organization or individual that an investigation is being conducted. At this time, the purpose of the investigation will be explained to involved parties.
- 22.5 During the investigation, witnesses may be interviewed, evidence will be collected and documented, and any public accounts such as newspaper articles or public records may be reviewed.

- 22.6 The investigators shall seek firsthand information. Hearsay (one person's report of what another person said) should be characterized as that and should generally be used only to ask the other person to come forward and be heard. No one will be "under oath," but all should be counseled about the value of speaking fairly, accurately, and honestly in order to avoid a further violation of section 20.
- 22.7 The investigator(s) shall deliver a report to the UFRA assistant director over Certification, in the event that the person being investigated is a UFRA employee. In the event that the individual being investigated is acting in their capacity as a fire/emergency services department employee, the report shall be presented to the Certification Council. The report should be in writing and signed by the person conducting the investigation and/or committee members. It should summarize, analyze, and briefly state the conclusions of the investigation based on the facts.
- 22.8 UFRA employees accused of violations of section 20 or UVU policies and procedures are subject to UVU progressive disciplinary processes. The UFRA director shall make a report of such action to the Council, if the director believes that Council action regarding testing privileges is warranted.
- 22.9 If the Council believes, following an investigation, that grounds exist for the revocation, suspension, or denial of testing privileges, the tester and the employing department's administrator shall be given written notification of the Council's intention to hold a hearing.
- 22.10 The written notification shall include the time, date, location, purpose, and basis of the hearing. The Council may summon and interview witnesses and gather information pertinent to the case, and shall allow the accused tester to respond to the charges in writing or in person.
- 22.11 The written notification to the tester shall be sent by "Certified Mail" to the last address furnished to the Council by the tester or the employing department. Copies of all correspondence and documentation shall be retained and secured by the Certification administration.
- 22.12 The revocation, suspension, or denial of testing privileges shall require a majority vote of a quorum of Council members (following the hearing). Such action shall be based on the severity of the violation. The Council may choose to hold an executive session for deliberation about the charges, but any resulting vote on an action shall be taken during an open session.
- 22.13 Any tester who has lost and/or been denied testing privileges pursuant to section 20 may reapply for testing privileges ONE (1) year after the date of the Council's action, unless otherwise specified by the Council.
- 22.14 Testers who have had testing privileges revoked, suspended, or denied may appeal the decision of the Council to the Utah Fire Prevention Board.
- 22.15 Following testers' reinstatement by the Council, Certification administration and UFRA will not be obligated to rehire testers who have had testing privileges revoked, suspended, or denied.

SECTION 23. RECIPROCITY

- 23.1 The Council may elect to give credit for certifications received in other states, territories, or countries, provided such certification has been approved by IFSAC or Pro Board.
- 23.2 Certifications without IFSAC or Pro Board recognition that were received in other states, territories, or countries will be accepted as completed training records. Holders of such certifications shall be subject to written and skills “spot check” testing.
- 23.3 The Council may enter into standing reciprocity agreements with states, territories, or countries that by law regulate and supervise the quality of fire service training and firefighter certification. In such cases, the Council may waive the requirements of section 23.2.
- 23.4 Adoption of any standard or program shall not render invalid any candidate’s prior certification.
- 23.5 After verification of IFSAC or Pro Board certifications (from other states, etc; see section 23.1), the Council may issue a Utah reciprocity certification that will *not* bear a Pro Board or IFSAC seal and number on it. This Utah reciprocity certification may allow an individual to enter into the next higher level of Utah certification.

SECTION 24. PAY AND TRAVEL REIMBURSEMENT

- 24.1 The tester pay rate is based on UFRA adjunct instructor hourly rates and the actual hours worked for both the lead tester and the assistant tester(s).
- 24.2 Lead and assistant testers who administer a skills exam will be paid for the actual hours worked for the exam. This includes on-site arrival and leave time.
- 24.3 Testers who administer a written exam will be paid for 2 hours. If a tester is testing their own department, they will not be paid.
- 24.4 Testers must complete a UVU time sheet to receive payment. The time sheet must be an accurate account of the authorized work.
- 24.5 An assistant tester may be dismissed from a test site, by the lead tester, due to a low number of candidates testing. As compensation, the assistant tester who is dismissed after arriving will be paid for 2 hours of work.
- 24.6 Testers must test as least once per year or they will be terminated from UVU. If a tester has been terminated, they will need to resubmit their employment paperwork.
- 24.7 Certification testers will receive a mileage reimbursement if they drive their own vehicle and travel more than 50 miles round-trip. Mileage will be calculated using round-trip mileage from home. It is strongly recommended that testers record beginning and ending odometer readings to verify actual mileage. Mileage reimbursement amounts are subject to change as per UFRA/UVU policy.

- 24.8 A Certification tester will receive a travel stipend for time traveled. The stipend will be calculated after the first 50 miles round-trip. The travel stipend rate is subject to change as per UFRA/UVU policy.
- 24.9 Reimbursement for hotel expense is allowable if a tester is working more than 70 miles from home and receives prior approval from the Certification program manager. The tester must ask the hotel for the “state rate.” An itemized receipt from the hotel is required for reimbursement. The receipt must have a zero balance.
- 24.10 Meals are only reimbursed for an overnight work assignment. Amounts are determined per UFRA/UVU policy. No receipts are required for meal reimbursement.

SECTION 25. SPECIAL CERTIFICATES AND AWARDS

- 25.1 Honorary certification and other awards may be presented by UFRA or the Council for the purpose of raising the level of competence of fire service personnel and to foster cooperation among other agencies, groups, organizations, jurisdictions, and individuals, and to honor individuals for special or extraordinary service.

SECTION 26. FIRE DEPARTMENT RECOGNITION PROGRAM

- 26.1 The purpose of the Fire Department Recognition Program is to recognize departments that support, promote, and encourage their emergency response personnel to certify within the Utah Fire Service Certification System.
- 26.2 The following definitions apply to the Fire Department Recognition Program.
- 26.3 **Department:** any fire service unit that is public or private, or an organization of the state, city, county, special district, industrial fire brigade, or federal government, whose primary duty is fire suppression/prevention or emergency response
- 26.4 **Participating department:** any agency or entity that complies with the intent of the Utah Fire Service Certification System and has a Letter of Intent on file with the Certification Office
- 26.5 **Active member:** a duly enrolled member of a department that is authorized to respond to fire and emergency calls with an emergency response organization
- 26.6 **Certified personnel:** any individual serving as a member of a fire department who is currently certified in one of the accredited levels of the Utah Fire Service Certification System
- 26.7 **Recognized levels of certification:** For this program, special recognition will be given to departments for members that are certified in the following

seven (7) levels of certification: Firefighter I, Firefighter II, Hazardous Materials Awareness, Hazardous Materials Operations, Wildland Firefighter I, Apparatus Driver Operator Pumper, Fire Officer I.

26.8 **Levels of recognition:**

- Having 10% of members certified in any level merits a Participating Department Award.
- Having 50% of members certified in any level merits a Bronze Recognition Award.
- Having 75% of members certified in any level merits a Silver Recognition Award.
- Having 95% or higher of members certified in any level merits a Gold Recognition Award.

26.9 The Council has established the following criteria for recognition in the Fire Department Recognition Program:

- a. The department must submit a properly completed application.
- b. The department must have a minimum number of certified personnel. This minimum number is ten percent (10%) of the number of members listed as active members in one of the seven program categories.
- c. The department must submit a list of all active members.
- d. Certification administration will verify the percentage of certified members.

26.10 The department will be recognized for the levels listed in section 26.7.

26.11 The department will list on its application all active members and indicate each person's certification levels.

26.12 The department will be recognized in the indicated level of recognition based on its total number of active members and the members' certification levels.

26.13 The application must be signed by the chief/administrator of the department, verifying that the list is accurate and that the members listed are in good standing with the department.

26.14 Upon successful completion and approval of an application, the organization will be awarded recognition as a participating department and will be issued a certificate showing the award level, along with two decals for placement on department apparatus.

26.15 The recognition award will be valid for a period of three (3) years, after which the applicants' organization must renew its recognition in the program.

26.16 If a department changes its status during the three-year period and wants to change its recognition level, it may do so by completing a new application.

APPENDIX A. FORMS

Utah Fire Service Certification Council Intent to Participate

Organization Information

Department/Organization Name: _____

AUTHORIZATION

By signing below, I acknowledge that each candidate is currently affiliated with an agency approved by the UFSCC. I also acknowledge that completed training records exist for each candidate testing. The record states that each candidate testing has received a learning experience in each subject area required for testing and has met all other requirements as specified in the UFSCS Policies and Procedures. For skills testing to occur, the completed training record(s) **must** be presented at the test site.

I acknowledge that an approved **safety officer(s)** will be assigned and provided by the AHJ. *Safety officers must be certified or qualified at the level of the skills examination.*

The department/agency requesting the above exam(s) will have appropriate space, safe accommodations, and all equipment/props required for testing.

If completing this form electronically, check this box to acknowledge that you agree and comply with this statement. This will serve as your signature.

Utah Fire Service Certification Council CERTIFICATION/RECERTIFICATION REQUEST

Department Information

The following department/participating agency requests that the Utah Fire Service Certification Council certify/recertify the individuals listed on this form.

Department/Agency Name: _____ Date: _____

Certification or Recertification

(Place an "X" in the box that applies.)

Certification

Recertification

Required Documentation and Signatures

For **CERTIFICATION**, the chief or administrator of the organization shall attest to and sign for the conditions listed.

By my signature below, I certify that department records exist to support that each individual listed on this form:

1. Received a learning experience in each subject area required for certification
2. Successfully passed the state certification written exam for the level of certification being requested
3. Successfully passed the in-house comprehensive skills exam as described in the certification standard (where applicable)
4. Successfully passed the state certification skills exam for the level of certification being requested (where applicable)
5. Has met all other requirements for the level being examined as specified in the certification standard
6. Is a member and in good standing with the department or organization
7. Has not been convicted of a felony, capital crime, or felony plea-bargained down to a misdemeanor

For **RECERTIFICATION**, the chief or administrator of the organization shall attest to and sign for the conditions listed.

By my signature below, I certify that department records exist to support that each individual listed on this form:

1. Remained active and in good standing with the department or organization for the past three years.
2. Successfully maintained all skills required for the levels of certification held
3. Successfully completed a minimum of 36 hours of training each year or a total of 108 hours of training within the past three years
4. Has met all other requirements for the recertification of levels requested as specified in the UFSCS Policies and Procedures

If completing this form electronically, check this box to acknowledge that you agree and comply with the statements above. This will serve as your signature.

AUTHORIZATION

By signing below, I acknowledge that each candidate is currently affiliated with an agency approved by the UFSCC. I also acknowledge that completed training record(s) exist for each candidate testing. The record states that each candidate testing has received a learning experience in each subject area required for testing and has met all other requirements as specified in the Certification Policies and Procedures. For skills testing to occur, the completed training record(s) **must** be presented at the test site.

I acknowledge that an approved **safety officer(s)** will be assigned and provided by the AHJ. *Safety Officers must be certified or qualified at the level of the skills examination.*

The department/agency requesting the above exam(s) will have appropriate space, safe accommodations, and all equipment/props as required for testing.

Check box to acknowledge that you agree and comply with this statement. This will serve as your signature.

ACCOMMODATION

If a candidate needs reasonable accommodation for a learning disability or other condition affecting the candidate's ability to complete the written examination, accommodation can be made. Please contact the Certification Office for assistance at 801-863-7709.

Utah Fire Service Certification Council ONLINE EXAMINATION REQUEST

If using an authorized department tester for the written exam, complete the following information.

Tester	Title	Tester #

List the PID#, email address, name, birthdate, dept ORG#, and department/agency of all the candidates who will be taking the online examination. **PID** and **ORG numbers** can be found at <https://www.uvu.edu/ufra/lookup/> under “Department List.” Leave PID # blank if candidate is not listed.

The PID# is UFRA’s Personnel Identification Number, unique to each candidate. This number is assigned for recording of test scores.

SECURE ONLINE TESTING ENVIRONMENT CHECKLIST

Examination Room Requirements

- In the examination room, no displayed materials shall be present during the exam that relate to test content, such as formulas, charts, terms, maps, etc.
 - They must be removed or covered during the exam.
- A quiet environment (only speaking in a whisper) is required during the examination.

Room Environment

- Ensure that the examination room is away from distracting activities or noisy areas.
- Try to prevent unnecessary distractions while the examination is in progress (i.e., calls or “fire drills,” silence any non-testing announcements, etc.).
- Ensure proper ventilation and a cool and comfortable temperature in the room.
- Ensure proper lighting.
- Ensure that a working clock is visible to candidates.
- Know which room(s) will work best for testing during the morning, midday, and evening.

Tables and Seating

- Ensure that all chairs have backs.
- Ensure that all seats face in the same direction (as possible).
- Separate candidates so they are spread apart and spaced appropriately.
- Ensure that tables or desks have enough space and a smooth surface for writing (as needed).
- Verify that testers can walk behind each candidate and between all rows.
- Ensure that dividers (optional) are not too tall. They must not block the testers’ view.

Power and Internet

- Ensure that there is enough power, internet access, and/or bandwidth to support the number of candidates testing.
 - Minimum internet speed requirement is 2 Mbps (download/upload) multiplied by the number of candidates. For example, 10 candidates would require 20 Mbps internet download/upload speed.

Candidate Limitations

- Only registered candidates are allowed in the examination room.
- Candidates must follow the rules for accessing the examination and closing the device.
- Candidates may not install software on devices (iPads, computers).
- Candidates are strictly prohibited from viewing, distributing, or downloading any materials on the devices (iPads, computers).
- No games of any kind are allowed to be played or downloaded on any devices.
- Candidates may not change the settings on any of the devices (iPads, computers).

Good example of spacing:

The chairs are spaced appropriately. There is enough spacing between the rows for the tester to walk around.

Good example of dividers:

The tester can easily view the room from the front and the back.

Electronic Exam: Tester Instructions

As the Certification tester of this exam, **YOU** are representing the Utah Fire Service Certification Council. You are required to follow the Tester Instructions, complete and check off each step listed, and **sign the back of this form.**

You are responsible for test security. All examination documents and materials must either remain locked in a secured place or in your possession at **all** times (i.e., returned scratch paper, etc.). Failure to do so is a violation of policy.

Read the Tester Instructions and follow them as they are written and administer the exam as instructed.

When the exam has been completed, materials have all been returned, and all paperwork has been completed, use the “Return Shipping Label” to return examination materials to the Certification Office. Attach “To Be Opened by Certification Office Staff Only” seal to the box or envelope. Drop it off at the post office.

1. Complete the “Room setup” (see the second page of these instructions).
2. Complete the “Check-in procedures”.
3. Complete the “Pre-exam” procedures. Instruct all the candidates about the testing procedures below.

TESTING PROCEDURES

Read the following instructions to the candidates after Check-in procedures are complete.

- The _____ examination has _____ questions.
- You have _____ minutes to complete the exam.
- Each iPad has a link to the exam website. For computers, open Chrome and close all browsers.
- You will be given the URL address: <https://ondemand.questionmark.com/home/406192/>
- You will be given a user name and password to log in to the test website. (To be returned in test box)
- Don't begin until I give you permission to click the **arrow button** – to begin the exam process.
- You may follow the Login Instructions handout and the Candidate Online Exam Info sheet.
- You will be given an electronic “Candidate Agreement Form” and “Testing, Appeals, and Cheating” notice to read, understand, and then you select “Yes” or “No” before the exam can proceed. Electronically type your Full legal name and birthdate in the box provided.
- You may review your questions and answers (toggle back and forth) before you submit them.
- You must view each question, before the exam will allow you to submit.
- If a bathroom break is needed, raise your hand and wait for the tester to acknowledge. The examination time will not stop for a break. Candidates sign the “Restroom Break Record”, testers record the time in and out of the exam room, and candidates initial upon their return. Candidates may go one at a time, with no talking during the break. If you leave without approval, your exam is invalid.
- If you electronically click off the online test website to view another document/site, your exam is invalid.
- Communicating/talking to other candidates is prohibited while taking the exam.
- You will receive your results immediately after you submit your exam.
- You will also receive an electronic “Coaching Report” to the email noted on the examination request form. This will include your results and feedback on the questions answered incorrectly, with the NFPA references that correlate to those questions you answered.

4. Complete the “Taking the exam” procedures.
5. Complete the “Once the exam is complete” procedures.
6. Testers may now sign this form.
7. To help improve our testing processes, additional suggestions, comments, or concerns may be written below:

Electronic Exam: Tester Instructions

1. Room setup

- Ensure adequate spacing for candidates and room security.
- Ensure proper lighting and ventilation.
- Verify internet access, tablets, and/or computers are functioning correctly.
- Candidates will wait to be assigned seats.

2. Check-in procedures

- Verify each candidate's driver's license (compare photo and check if 18 years or older).
- Candidates must sign the Online Testing Check-out/ Check-in form with their full legal name.
- Candidates will check-out a scratch paper or white board, a pencil/marker, book (i.e., ERG, etc.), assigned iPad as needed for exams requiring it.
- Candidates will be given an assigned iPad (after checkout) or assigned computer.
- Candidates will be assigned seats to ensure appropriate distancing during testing.
- Verify all personal items are turned off and/or put away (electronics, phone, watches, books, bags/purse, food, water bottles, etc.).
- Check the candidates' glasses (remove watches, turn hats, etc.).

3. Pre-exam

- Testers will instruct all the candidates about the TESTING PROCEDURES (page one box).**
- Testers will open the sealed envelope with the candidate's username and password.
- Testers will give each candidate their user name/password, Login Instructions, and the Candidate Online Exam Info document to login and launch the website.
- Testers will give permission to candidates to click the arrow button, and begin the exam process.
- Candidates read the online "Candidate Agreement Form" and TAC sheet.
 - If the candidate selected "No", complete the "Once the exam is complete" process below. Afterward, they can reschedule the exam for another day.
 - Candidates who selected "Yes", automatically proceed to the exam.

4. Taking the exam

- Testers will remain in the room at all times.
- Testers will monitor the exam room by physically walking behind and in front of each candidate continuously, looking at their browsers and other screen changes.
- If a bathroom break is needed, candidates must raise their hand and wait for the tester to acknowledge them. The examination time will not stop for a break. Testers will record the time in and out of the exam room. Candidates may go one at a time, with no talking during the break.
- If a candidate physically leaves the test site without tester approval, their exam is invalid.
- If a candidate electronically clicks off the online test website to view another website or document, their exam is invalid.
- Communicating/talking to other candidates is prohibited while taking the exam.

5. Once the exam is complete

- The "Online Exam Challenge Questions" form will be completed by each candidate as needed.
- Candidates will check in their assigned tablets, computers, approved books (ERG, etc.), scratch paper/white board, and pencil/marker by signing the "Online Testing Check-Out/Check-In" form.
- Testers will verify all items have been collected by initialing the form.
- Candidates will be asked to leave the exam room and collect all their personal items.
- Testers will wipe down all tablets with cleaning wipes and organize returned items.
- Testers will follow all instructions.

As a tester, I have followed the above guidelines in proctoring this examination and maintained the security and integrity of the testing process.

Other description:

CANDIDATE AGREEMENT FORM FOR WRITTEN EXAMS

- I understand I must sign the examination attendance roster with my FULL LEGAL NAME.
- I agree to present my legal photo ID to the Certification tester.
- I understand all my personal items must be put away out of my reach, which includes: books, bags, food, water, training materials, etc.
- Allowed Resources below are acceptable.
- I understand smart glasses, watches, phones, and all other electronic devices (recording, listening, or photographic devices) are not permitted and must be turned off and put away out of my reach.
- I understand hats with a bill or brim must be turned or removed.

Allowed Resources:

ADO Pumper & Aerial	UFRA calculators
Fire Investigator	NFPA 921
Hazmat: Awareness, Operations, Technician	2024 ERG
Inspector I & II	IFC Code (2021 Edition), Inspectors guide
Structural Collapse	Field Operating Guide (FOG)
Wildland I & II	IRPG
All exams	UFRA scratch paper/white board,#2 pencil

- I understand assigned seats may be required to ensure test security and distancing.
- I understand if I need to use the restroom, I must notify the tester by raising my hand. I will leave alone when given the okay to leave. I understand no talking is allowed during this break, no review of study materials will be allowed once the test begins, and the examination time will not stop during this break.
- I understand if I leave the test site without tester approval, my exam is invalid.

Below, please mark in the areas that apply to your written exam (electronic online or paper). Skip the section that doesn't apply. Afterwards, print and sign your name on the 2nd page of this document.

Electronic Online Examinations:

- I will follow tester, exam, and login instructions.
- I understand I may check-out and check-in scratch paper, a pencil, and allowed resources as needed for exams.
- I understand I must write my full name and date on my scratch paper and check in all allowed resources.
- I understand my user name/password or other login information is for my use only.
- I understand my user name/password or other login information is for my use only, and assigned to me.
- I will properly use assigned tools and equipment (i.e., tablets, computers, etc.) and be responsible for any damages from my mistreatment.
- I understand if I have a challenge of a question, I must write the challenge question number on my scratch paper/white board at the time of the test. After the online exam, on the "Online Exam Challenge Questions" document (provided by the tester). I will write down my name, PID, question number(s), and a comment regarding the challenge question(s).
- I understand all challenges must be reviewed and approved by the Certification administration office.
- I understand if I electronically **click off** the online test site to view another website or document, my exam is invalid.
- I agree that when I have completed the examination, I will check in all assigned materials and allowed resources (i.e., books, scratch paper, pencil, tablet, etc.), return them to the Certification tester, and sign the check-in form. The tester will initial the form to verify that all my resources have been returned.
- I agree that no items will leave the test site with me.
- I will leave the examination room when I have completed the exam or time is terminated, and I understand that I'm responsible to collect all my personal items.

Paper Written Examinations:

- I understand my test packet has been sealed and should not be opened until I am directed to do so. If I have received a test packet with a broken seal, I will immediately write my name and today’s date on the front of the envelope and notify the tester of the broken seal (for paper written examinations).
- I understand I must wait to break the seal on the test packet and remove the contents until I’m directed to do so.
- I understand I must write my full name and date on my scratch paper and check in all allowed resources.
- I understand it’s my responsibility to read, understand, and then sign the “Testing, Appeal, and Cheating Notice.”
- I agree to fill in the following information using a #2 pencil, knowing that incomplete information may invalidate my exam.

- a. **ID NUMBER:** last 4 digits of Social Security number
- b. **LAST NAME, FI:** (first initial), **MI:** (middle initial)
- c. **DATE:** (month/day/year)
- d. **ADDITIONAL DATA:**
 - COURSE: test level (found on front of test booklet)
 - TEST: test letter (A, B, or C) and serial #
 - YOUR NAME: signature of candidate
- e. **SPECIAL CODES:**
 - Letter **A:** Attempt number: 1st, 2nd, or 3rd
 - Letters **C, D, E, (F):** department number (found on Department List form)

ADDITIONAL DATA Please do not mark outside this box.	
COURSE Firefighter I	
TEST B-052314	
DATE	INSTRUCTOR
YOUR NAME John Doe	

- I understand answers on the test answer sheet must be within the circles and dark. If I change an answer, I need to erase it completely and mark the new answer. **Marks that are too light or not completely erased may result in that question being marked wrong.**
- I understand if I have a challenge of a question, I must write the challenge on the back of the **test scantron form** at the time of the test. I may not use any text or training manuals to define or look up the question challenge. Certification testers will not explain, define, or discuss questions or review question challenges at the test site. All challenges must be reviewed and approved by the Certification administration office.
Challenges need to include:
 1. The question number
 2. Why the answer is incorrect
 3. What the correct answer should be
- I agree that when I have completed the paper written examination, I will check in all materials.
 - I will put my test booklet, scantron form, and scratch paper in the envelope provided, sealing it closed.
 - I will return the sealed envelope to the Certification tester, along with my pencil.
- I agree that no items will leave the test site with me.
- I will leave the examination room, and I understand I’m responsible to collect all my personal items.

By signing below, I, _____ (candidate’s printed name), agree and understand to the terms given and marked on this document.

Signature: _____ Date: _____

APPENDIX C. PARTICIPATING AGENCIES

Participating Agencies

<i>Agencies</i>	Affiliated	<i>Certifications Approved</i>
<i>Utah fire departments</i>		All levels of certification
Non-Affiliated		
<i>Accredited firefighter academies</i>		Firefighter I & II, Hazmat Awareness, Hazmat Operations, Rope Rescue Awareness, Rope Rescue Operations, Common Passenger Vehicle Awareness, Common Passenger Vehicle Operations, Wildland Firefighter I and II (does not include a red card)

<i>Emergency management</i>		Hazmat Awareness, Hazmat Operations
<i>Hospitals & health care facilities</i>		Hazmat Awareness, Hazmat Operations
<i>Industrial agencies</i>		Hazmat Awareness, Hazmat Operations (in some instances, all levels)
<i>National Guard</i>		Hazmat Awareness, Hazmat Operations, Hazmat Technician
<i>Law enforcement: police & sheriffs</i>		Hazmat Awareness, Hazmat Operations, Technical Rescue levels, Fire Investigator
<i>School districts</i>		Hazmat Awareness, Inspector I & II
<i>Search & rescue</i>		Hazmat Awareness, Hazmat Operations, Technical Rescue levels
<i>State Fire Marshal's Office</i>		Hazmat Awareness, Operations and Technician, Inspector I & II, Fire Investigator
<i>Out-of-state fire departments</i>		Airport Rescue Firefighter (ARFF), Officer I-IV

APPENDIX D. CERTIFICATION TESTER INSTRUCTIONS

INSTRUCTIONS FOR WRITTEN EXAM

TESTER INSTRUCTIONS

As the Certification tester of this exam, **YOU** are representing the Utah Fire Service Certification Council. You are required to follow the exam instructions, complete and check off each step listed, and sign the back of this form.

You are responsible for test security. Examinations must either remain locked in a secured place or in your possession at **all** times. Failure to do so is a violation of policy.

Examinations will not be reproduced outside of the Certification Office! Doing so will invalidate this exam, and **all** persons taking this exam will receive a **failure**. The cost for replacement of a copied or lost exam could be passed on to the Certification tester and/or the agency being tested.

While administering the exam, you shall remain in the room at all times.

Before the exam begins, ensure that there is adequate space between persons taking the exam. Ensure that it is a comfortable location with adequate lighting and ventilation for testing.

Read the exam instructions for the candidates, as they are written, and administer the exam as instructed.

When the exam has been completed, materials have all been returned, and all paperwork has been completed, use the "Return Shipping Label" to return all examinations and materials to the Certification Office. Attach the "To Be Opened by Certification Office Staff Only" seal to the box or envelope.

CANDIDATE INSTRUCTIONS

- Please sign the examination attendance roster with your FULL LEGAL NAME and present your current picture ID to the Certification tester. You may not take exam without presenting picture ID.
 - **TESTER: Candidate may not take the exam without picture ID.**
- Please remove ALL unapproved materials from your desk, including books (except those allowed for the exam), bags, purses, all beverages and food items, etc. Place items away from you, preferably across the room. You should have nothing on the desk except the items you will be provided.
 - **TESTER: Do not proceed until all unapproved items are removed from the desks.**
 - **Allowed Resources:**

Haz/Mat Awareness, Ops & Tech	(ERGs are allowed on all 3 exams.)
Inspector I & II	(The Fire Code booklet and Inspectors Guide are allowed on these exams.)
ADO Pumper & Aerial	(UFRA calculators ARE allowed on these exams)
Wildland I & II	(IRPG & the Fireline Handbook are allowed on these exams.)
Fire Investigator	(NFPA 921 is allowed on this exam.)
- All electronic devices must be turned off and placed out of reach until you have completed the exam. This includes, but is not limited to: cell phones, smartphones, handheld computers/tablets, PDAs, smart glasses, digital watches, smart watches, and other electronic, recording, listening, or photographic devices.
 - **TESTER: Do not proceed until all electronic devices are turned off and put away.**
- Candidates wearing a hat with a bill or brim will need to remove the hat or wear it with the bill to the back, unless it is worn for religious or medical reasons.
 - **TESTER: Do not proceed until candidates remove/move hats.**
- If you need to use the restroom, you may go one at a time. No talking about the examination is allowed during restroom breaks. No review of study materials will be allowed once the exam begins.
- If you leave the test site at any time without tester approval your exam will be considered invalid. Should an emergency arise where you need to leave the test site please speak to testers for direction before leaving.
- You will now receive a packet containing a test answer form, a test booklet, scratch paper, "Testing, Appeal, & Cheating Notice", and an envelope, along with a #2 pencil.
 - **TESTER: Hand out packets and pencils for each candidate.**
- Your test packet has been sealed and should not be opened until you are directed to do so. If you have received a test packet with a broken seal, immediately write your name and today's date on the front of the envelope, then notify the tester of the broken seal.

- **TESTER: The candidate may use the packet with the broken seal. You should note on this form in the comments section that the seal on the candidate's packet was broken.**

- You may now break the seal on the packet and remove the contents.
- Write your name on the scratch paper. When the exam is finished, you must turn in the scratch paper with all exam materials.
- Please read and sign the "Testing, Appeal, and Cheating Notice."
 - **TESTER: Specifically point out the number of questions on the exam, the appeal process, the cheating policy, and that absolutely no reproduction of the exam in any form is allowed. DO NOT move forward until all candidates have signed the form.**
- It is **extremely** important that all information and answers on the test answer sheet be within the circles and dark. If you change an answer, you need to erase it completely and mark the new answer. **Marks that are too light or not completely erased may result in that question being marked wrong.**

- On the answer sheet, please fill in the following information using the #2 pencil:

- ID NUMBER:** last 4 digits of Social Security number
- LAST NAME, FI:** (first initial), **MI** (middle initial)
- DATE:** (month/day/year)
- ADDITIONAL DATA:**
 - **COURSE:** test level
(found on front of test booklet)
 - **TEST:** test letter (A, B, or C) and serial #
 - **YOUR NAME:** signature of candidate
- SPECIAL CODES:**
 - **Letter A:** attempt number: 1st, 2nd, or 3rd
 - **Letters C, D, E, (F):** department number (found on Department List form)

ADDITIONAL DATA Please do not mark outside this box.	
COURSE Firefighter I	
TEST B-052314	
DATE	INSTRUCTOR
YOUR NAME John Doe	

It is very important to have all this information filled in completely. Incomplete information may invalidate the exam.

- If you wish to challenge a question, write the challenge on the back of the test answer sheet at the time of the test. Challenges should include the question number, why the answer is incorrect, and what the correct answer should be. You may not use any text or training manuals to define or look up the question challenge. Certification testers will not explain, define, or discuss questions or review question challenges at the test site. All challenges must be reviewed and approved by the Certification program manager.
- When you have completed the examination, please put all materials (test booklet, answer sheet, and scratch paper, "Testing, Appeal, & Cheating Notice") in the envelope provided, seal it closed, and return it to the Certification tester, along with the pencil. None of these items should leave the test site with you.
- You will now have ___ hours to complete the exam(s). I will announce the time it will begin and when it will end. The times will be posted in a place where you can see. You may now begin the exam.
 - **TESTER: All exams are one hour (for 59 questions or less) or two hours (for 60+ questions). If a candidate is taking two levels (each one hour), they will have two hours total.**

Start Time: _____ End Time: _____

List any problems and/or concerns below, such as: missing tests, unusual activities, no-shows, etc.

Comments: _____

As tester, I have followed the above guidelines in administering this test and maintained the security and integrity of the testing process.

Signature: _____ Date: _____

INSTRUCTIONS FOR SKILLS/PROCESS EXAM

LEAD TESTER INSTRUCTIONS

As the Certification tester of this exam, **YOU** are representing the Utah Fire Service Certification Council. You are responsible for test security. Examinations must either remain locked in a secured place or in your possession at **all** times. Failure to do so is a violation of policy. Review the following procedures and follow them as outlined, complete and check off each step listed, and sign the back of this form.

Check Training Records

- Prior to conducting the exam, Training Records must be checked for **100% completion**. If they are not complete, **do not** conduct the test. Contact a department representative and/or the Certification program manager.

Safety Officer

- Identify and brief the safety officer provided by the AHJ to assist you during the exam. This person should not be taking the same exam that is being given. The safety officer will not assist with the examination process. The safety officer is there to protect the CANDIDATE(S) from injury during the examination process. The safety officer should ensure that all candidates testing are wearing appropriate PPE and all equipment is in safe and working condition.

Pre-Exam Briefing with Test Team

- Score the candidates for: **swiftly** completing the skill/process in the allotted time, **safely** completing the skill/process, and **competently** completing all performance criteria. The candidate must complete all critical competencies to pass the skill/process. If they do not, they fail the attempt. Certification testers will not coach or instruct during the examination process. Certification testers will ensure that all equipment is in safe and working condition, and that all candidates testing are wearing appropriate PPE during the test as required by the skills/processes given.
- While administering the “spot check,” read the skills/processes to be demonstrated, the conditions to be met, and the time limit to complete each skill/process. Do this with each candidate as they come to each testing station. Ask the candidates if they have any questions before beginning. Questions will not be answered after the time begins. All timing of skills/processes will be done with the STOPWATCH provided by the Certification Office.
- You may inform candidates whether they pass or fail the skill/process, but you may NOT tell them what they failed.
- As each candidate completes a skill/process, sign the lower section of that skill sheet. If only one tester is at the test site and the candidate fails, the candidate must take their 2nd attempt that day with the same tester. If multiple testers are at a test site, the candidate should take their 2nd attempt with a different tester. The candidate may have the same tester administer the 2nd attempt if they choose, but must initial on skill sheet signifying their agreement.
- Test booklets should be handed from tester to tester. DO NOT allow candidates to carry test booklets from one station to the next.
- Once candidates have begun the testing process, they should be kept separated from other candidates who have not yet begun testing.
- If there is a question or a problem that arises during the exam, it should be brought to the Certification program manager’s attention immediately. Do not discuss problems around candidates taking the exam. Discuss them in private.

Post-Exam Instructions

- If you had any problems or concerns, please write them down and forward them to the Certification Office.
- YOU ARE RESPONSIBLE** for completing the “Spot Check” Examination Results form (**BOTH sides**), review all exam booklets to ensure that they are completed and collect all clipboards, stopwatches, and any unused exam booklets.
- Make sure all time sheets are signed and returned with the test box.
- Use the “Return Shipping Label” to return all examinations and materials to the Certification Office. Attach the “To Be Opened by Certification Office Staff Only” seal to the box or envelope. Drop it off at the post office.

PRE-EXAM BRIEFING WITH CANDIDATES

- TESTER: Welcome the candidates and introduce the members of the test team.**
- Please sign the examination attendance roster with your FULL LEGAL NAME and present your current picture ID to the Certification tester. You may not take exam without presenting picture ID.
 - **TESTER: Candidates may not take the exam without picture ID.**
- All electronic devices must be turned off and placed out of reach until you have completed the exam. This includes, but is not limited to: cell phones, smartphones, handheld computers/tablets, PDAs, smart glasses, digital watches, smart watches, and other electronic, recording, listening, or photographic devices.
 - **TESTER: Do not proceed until all electronic devices are turned off and put away.**
- Candidates wearing a hat with a bill or brim will need to remove the hat or wear it with the bill to the back, unless it is worn for religious or medical reasons.
 - **TESTER: Do not proceed until candidates remove/move hats.**
- Please remember that this is an exam. You **MAY NOT** refer to books or reference materials once the exam has started. You are not to discuss tested material or any problems concerning the exam with the other candidates.
- If you need to use the restroom, you may go one at a time. No talking about the examination is allowed during restroom breaks. No review of study materials will be allowed once the exam begins.
- If you leave the test site at any time without tester approval, your exam will be considered invalid. Should an emergency arise where you need to leave the test site, please speak to testers for direction before leaving.
- You will be evaluated on an individual basis during team skills/processes. You are encouraged to work together as a team. However, each candidate should show knowledge of and competence in the skill/process. You are strongly encouraged to verbalize competencies as you complete your tasks. Certification testers may ask you to change position within the team during the skill/process to ensure that all candidates are participating.
- If you have an appeal about the examination process, you should contact the Certification Office in writing and list the reason for the appeal. If resolution does not occur through the Certification Office, you can appeal to the Utah Fire Service Certification Council. If the Certification Council turns down the appeal, you can appeal to the Utah Fire Prevention Board, whose decision is final.
- You will now each receive an exam booklet. Do NOT open the exam until directed to do so. Please complete the information on the front of the booklet.
- Open your test booklet to the first page ONLY. Read and sign the consent form. If you do not sign, you will not be allowed to test.
- Return the exam booklet to the Certification tester.
 - **TESTER: Collect all the exam booklets and maintain control of them during the exam.**

POST-EXAM BRIEFING WITH CANDIDATES

- TESTER: Discuss any issues or concerns, good and/or bad, with the candidates.**
- TESTER: Ask if there are any questions that arose during the exam.**
- TESTER: If there are any candidates that need to take a 3rd attempt, notify them that they will need to have their department send in an exam request form requesting a new exam date that is no sooner than 30 days from the date of the current exam.**
- TESTER: Thank the candidates for being involved in the certification process.**

List any problems and/or concerns below, such as: missing tests, unusual activities, no-shows, etc.

Comments: _____

As lead tester, I have followed the above guidelines in administering this exam and maintained the security and integrity of the examination process.

INSTRUCTIONS FOR OFFICER OR INSPECTOR SKILLS EXAM

TESTER INSTRUCTIONS

As the Certification tester of this exam, **YOU** are representing the Utah Fire Service Certification Council. You are required to follow the exam instructions, complete and check off each step listed, and sign the back of this form.

You are responsible for test security. Examinations must either remain locked in a secured place or in your possession at **all** times. Failure to do so is a violation of policy.

Examinations will not be reproduced outside of the Certification Office! Doing so will invalidate this exam, and **all** persons taking this exam will receive a **failure**. The cost for replacement of a copied or lost exam could be passed on to the Certification tester and/or the agency being tested.

While administering the exam, you shall remain in the room at all times.

Pre-Exam

- Ensure that there is adequate space between persons taking the exam. Ensure that it is a comfortable location with adequate lighting and ventilation for testing.
- Prior to conducting the exam, training records must be checked for **100% completion**. If they are not complete, **do not** conduct the test. Contact a department representative and/or the Certification program manager.
- The candidate may use their own IFC and Inspector Guide Book, and a calculator provided by UFRA, during the **Inspector Exam**. Calculators are NOT allowed on the Officer Exam.
- If testing will include both the written exam and skills, test the skills first.

Post-Exam

- If you had any problems or concerns, please write them down and forward them to the Certification Office.
- YOU ARE RESPONSIBLE** for completing the “Spot Check” Examination Results form (**BOTH sides**). Review all exam booklets to ensure that they are completed and collect all clipboards, stopwatches, and any unused exam booklets.
- Make sure all time sheets and travel reimbursement forms are signed and returned with the test box.
- Use the “Return Shipping Label” to return all examinations and materials to the Certification Office. Attach the “To Be Opened by Certification Office Staff Only” seal to the box or envelope. Drop it off at the post office.

CANDIDATE INSTRUCTIONS

- TESTER: Welcome the candidates and introduce yourself.**
- Please sign the examination attendance roster with your FULL LEGAL NAME and present your current picture ID to the Certification tester. You may not take exam without presenting picture ID.
 - **TESTER: Candidates may not take the exam without picture ID.**
- Please remove all unapproved materials from your desk, including books, bags, purses, all beverages and food items, etc. Place items away from you, preferably across the room. YOU should have nothing on the desk except the items approved for your exam, if any.
 - ✓ For the Officer Exam, a picture packet will be provided by UFRA.
 - ✓ For the Inspector Exam, candidates may use their own IFC and Inspector Guide Book, and a calculator provided by UFRA.
- TESTER: Do not proceed until all items are removed from desks, except for the IFC, the Inspector Guide Book, and a UFRA calculator. Cell phones MAY NOT be used as calculators.**

- All electronic devices must be turned off and placed out of reach until you have completed the exam. This includes, but is not limited to: cell phones, smartphones, handheld computers/tablets, PDAs, smart glasses, digital watches, smart watches, and other electronic, recording, listening, or photographic devices.
 - **TESTER: Do not proceed until all electronic devices are turned off and put away.**
- Candidates wearing a hat with a bill or brim will need to remove the hat or wear it with the bill to the back, unless it is worn for religious or medical reasons.
 - **TESTER: Do not proceed until candidates remove/move hats.**
- If you need to use the restroom, you may go one at a time. No talking about the examination is allowed during restroom breaks. No review of study materials will be allowed once the exam begins.
- If you leave the test site at any time without tester approval, your exam will be considered invalid. Should an emergency arise where you need to leave the test site, please speak to testers for direction before leaving.
- If cheating is observed at any time during the testing process, you will be removed from the testing area. You will be informed of the observation and requested to leave the test site.
- If you have an appeal about the examination process, you should contact the Certification Office in writing and list the reason for the appeal. If resolution does not occur through the Certification Office, you can appeal to the Utah Fire Service Certification Council. If the Certification Council turns down the appeal, you can appeal to the Utah Fire Prevention Board, whose decision is final.
- You will now each receive a #2 pencil and an exam booklet. Do NOT open the exam. Please complete the information on the front of the booklet and wait for further instructions.
- I will announce the time allowed prior to testing each skill. I will post start and end times in a place where you can see them. You may not move on to the next skill until directed to do so.
 - **TESTER: All timing of skills will be done with the STOPWATCH provided by the Certification Office.**
 - **TESTER: You may announce time interval warnings (i.e., five minutes left).**
- Once all skills have been completed, I will collect all exam booklets and calculators.
- Do any of you have any questions before beginning the exam? Questions will not be answered after the time begins.
- We will now begin the exam.

List any problems and/or concerns below, such as missing tests, unusual activities, no-shows, etc.

As tester for this exam, I have followed the above guidelines in administering this test and maintained the security and integrity of the testing process.

Signature: _____ Date: _____

INSTRUCTIONS FOR INSTRUCTOR SKILLS EXAM

LEAD TESTER INSTRUCTIONS

** Prior to exam day, please review the "Fire Instructor I - Skills Testing Instruction Sheet" (see test box).

As the Certification tester of this exam, **YOU** are representing the Utah Fire Service Certification Council. You are responsible for test security. Examinations must either remain locked in a secured place or in your possession at **all** times. Failure to do so is a violation of policy. Review the following procedures and follow them as outlined, complete and check off each step listed, and sign the back of this form.

Check Training Records

- Prior to conducting the exam, training records must be checked for **100% completion**. If they are not complete, **do not** conduct the test. Contact a department representative and/or the Certification program manager.

Pre-Exam Briefing with Test Team

- Score the candidates for: **swiftly** completing the skill in the allotted time, **safely** completing the skill, and **competently** completing all performance criteria. The candidate must complete all critical competencies to pass the skill. If they do not, they fail the attempt. Certification testers will not coach or instruct during the examination process. Certification testers will ensure that all equipment is in safe and working condition, and that all candidates testing are wearing appropriate PPE during the test as required by the skills given.
- While administering the "spot check," read the skills to be demonstrated, the conditions to be met, and the time limit to complete each skill. Do this with each candidate as they come to each testing station. Ask the candidates if they have any questions before beginning the skill. Questions will not be answered after the time begins. All timing of skills will be done with the STOPWATCH provided by the Certification Office.
- As each candidate completes a skill, sign the lower section of that skill sheet. If a candidate fails a 1st attempt, the 2nd attempt should be conducted by a different tester. If only one tester is at the test site, the tester may conduct the 2nd attempt, if granted permission by the candidate. **If the candidate grants permission, the candidate must initial the skill sheet in the space provided.** If a candidate fails a 2nd attempt, the tester will need to have them review and sign the bottom section of that skill sheet.
- Test booklets should be handed from tester to tester. **DO NOT** allow candidates to carry test booklets from one station to the next.
- If there is a question or a problem that arises during the exam, it should be brought to the Certification program manager's attention immediately. Do not discuss problems around candidates taking the exam. Discuss them in private.

Post-Exam Instructions

- If you had any problems or concerns, please write them down and forward them to the Certification Office.
- YOU ARE RESPONSIBLE** for completing the "Spot Check" Examination Results form (**BOTH sides**). Review all exam booklets to ensure that they are completed and collect all clipboards, stopwatches, and any unused exam booklets.
- Make sure all time sheets and travel reimbursement forms are signed and returned with the test box.
- Use the "Return Shipping Label" to return all examinations and materials to the Certification Office. Attach the "To Be Opened by Certification Office Staff Only" seal to the box or envelope. Drop it off at the post office.

PRE-EXAM BRIEFING WITH CANDIDATES

- TESTER: Welcome the candidates and introduce the members of the test team.**
- Please sign the examination attendance roster with your FULL LEGAL NAME and present your current picture ID to the Certification tester. You may not take exam without presenting picture ID.
 - **TESTER: Candidates may not take the exam without picture ID.**
- All electronic devices must be turned off and placed out of reach until you have completed the exam. This includes, but is not limited to: cell phones, smartphones, handheld computers/tablets, PDAs, smart glasses, digital watches, smart watches, and other electronic, recording, listening, or photographic devices.
 - **TESTER: Do not proceed until all electronic devices are turned off and put away.**
- Candidates wearing a hat with a bill or brim will need to remove the hat or wear it with the bill to the back, unless it is worn for religious or medical reasons.
 - **TESTER: Do not proceed until candidates remove/move hats.**
- Please remember that is an exam. You **MAY NOT** refer to textbooks or reference materials once the exam has started. You are not to discuss tested material or any problems concerning the exam with the other candidates.
- If you need to use the restroom, you may go one at a time. No talking about the examination is allowed during restroom breaks. No review of study materials will be allowed once the exam begins.
- If you leave the test site at any time without tester approval, your exam will be considered invalid. Should an emergency arise where you need to leave the test site, please speak to testers for direction before leaving.
- If you have an appeal about the examination process, you should contact the Certification Office in writing and list the reason for the appeal. If resolution does not occur through the Certification Office, you can appeal to the Utah Fire Service Certification Council. If the Certification Council turns down the appeal, you can appeal to the Utah Fire Prevention Board, whose decision is final.
- You will now each receive an exam booklet and a "Presentation Evaluation Form." Do NOT open the exam. Please complete the information on the front of the booklet and return the exam booklet to the Certification tester.
 - **TESTER: Collect all the exam booklets and maintain control of them during the exam.**
 - **TESTER: Assign each candidate a presentation to evaluate using their "Presentation Evaluation Form." This is part of their exam.**

POST EXAM BRIEFING WITH CANDIDATES

- TESTER: Discuss any issues or concerns, good and/or bad, with the candidates.**
- TESTER: Ask if there are any questions that arose during exam.**
- TESTER: If there are any candidates that need to take a 3rd attempt, notify them that they will need to have their department send in an exam request form requesting a new exam date that is no sooner than 30 days from the date of the current exam.**
- TESTER: Thank the candidates for being involved in the certification process.**

List any problems and/or concerns below, such as: missing tests, unusual activities, no-shows, etc.

Comments: _____

As lead tester, I have followed the above guidelines in administering this exam and maintained the security and integrity of the examination process.

APPENDIX E. INVESTIGATION GUIDE

STEPS FOR INVESTIGATION OF A CANDIDATE

1. **VIOLATION REPORTED:** A possible violation of section 20 is brought to the Certification program manager's attention. (See P&P section 21.)
 2. **DISCUSSION:** The Certification Council discusses the need to begin an investigation during a Certification Council meeting. (See P&P section 21.2.)
 3. **COMMITTEE:** The Certification Council appoints two Council members to form a special committee, preferably with one lead who has investigative experience with UFRA. The Certification program manager is optional. The special committee will investigate suspected or reported violations. (See P&P section 21.2.)
 - **CONFIDENTIALITY:** The investigation process shall not intentionally embarrass or demean an organization or person. (See P&P section 21.4.)
 - **TIME SENSITIVE:** The investigation process shall be conducted before the next Certification Council meeting, in a timely manner. (See P&P section 21.4.)
 4. **NOTIFICATION:** The organizations involved shall be notified by a member of the assigned special committee that an investigation is being conducted. At that time, the purpose of the investigation is explained to all involved parties. (See P&P section 21.5 and the "Investigation Committee Reference.")
 - If the candidate/organization being investigated chooses to relinquish all certifications, the candidate may do so in writing and no investigation will be conducted. (See P&P section 21.6.)
 5. **SCHEDULING:** A member of the assigned special committee schedules interviews with the following people. (See P&P section 21.7.)
 - Witnesses:
 - Tester(s) who administered the exam
 - Candidate(s) involved
 - Training officer(s)/chief
 - Other: anonymous
- To gather evidence, interview the:

 1. Individual(s) making the accusation
 2. Individual(s) accused of misconduct
 3. Other witnesses that may be involved
 4. Chief officer(s)
 5. Administration grader (optional)
6. **INTERVIEWS:** The investigators of the special committee shall seek firsthand information (not hearsay). All persons interviewed are counseled about the value of speaking fairly, accurately, and honestly. (See P&P sections 21.7–21.8.)
 - See the "Investigation Committee Reference."
 - See the "Optional Interview Questions" sheet.
 - Take notes.
 - Ask follow-up questions/conduct a follow-up interview (if needed)
 7. **COLLECT DATA:** Evidence is collected and documented and any public accounts such as newspaper articles or court records may be reviewed. (See P&P section 21.7.)
 8. **WRITTEN REPORT:** The investigators of the special committee create a written report that summarizes, analyzes, and briefly states the conclusions of the investigation based on the facts. The report is signed by the person conducting the investigation and/or committee members. (See P&P section 21.9.)

9. **DECISION:** The Certification Council reviews the written report of the investigation.
- **HEARING:** If the Council believes grounds exist for the revocation, suspension, or denial of certification, the Certification program manager will give the candidate written notification of intention to hold a hearing. (See P&P section 21.10.)
 - **WRITTEN NOTIFICATION OF HEARING:** The notification shall include the time, date, location, purpose, and basis for the hearing. (See P&P section 21.11.)
 - It is sent by Certified Mail to the candidate’s last address given by the participating agency or the candidate.
 - **COUNCIL INTERVIEW:** The Council may summon and interview witnesses and gather information pertinent to the case, and shall allow the accused candidate to respond to the charges in writing or in person. (See P&P section 21.11.)
 - **MAJORITY VOTE:** Revocation, suspension, or denial of certification shall require a majority vote of a quorum of Council members. (See P&P section 21.13.)
 - The Council may choose to hold a closed session for deliberation about the charges, but any resulting vote on an action shall be taken during an open session. (See P&P section 21.13.)
 - **REAPPLY:** Candidates who have been denied certification may reapply for certification ONE (1) year after the date of the Council's action, unless otherwise specified by the Council. (See P&P section 21.14.)
 - The candidate shall return to the Council all certificates, cards, and patches issued by the Council for all levels being revoked, suspended, or denied. (See P&P section 21.15.)
 - Candidates may appeal the decision of the Council. (See P&P section 21.16.)
10. **DOCUMENTATION:** Copies of all correspondence and documentation shall be retained and secured by Certification administration. (See P&P section 21.12.)

STEPS FOR INVESTIGATION OF A DEPARTMENT TESTER (WHO ISN'T AN ADJUNCT UFRA EMPLOYEE)

1. **VIOLATION REPORTED:** A possible violation of section 20 is brought to the Certification program manager's attention. The Certification program manager may seek assistance from the Certification Council to conduct the investigation. (See P&P sections 22.1–22.2.)
2. **DISCUSSION:** The Certification Council discusses the need to begin an investigation during a Certification Council meeting. (See P&P section 21.2.)
3. **COMMITTEE:** The Certification Council appoints two Council members to form a special committee, preferably with one lead who has investigative experience with UFRA. The Certification program manager is optional. The special committee will investigate suspected or reported violations. (See P&P section 21.2.)
 - **CONFIDENTIALITY:** The investigation process shall not intentionally embarrass or demean an organization or person. (See P&P section 22.3.)
 - **TIME SENSITIVE:** The investigation process shall be conducted before the next Certification Council meeting, in a timely manner. (See P&P section 22.3.)
4. **NOTIFICATION:** The tester and/or organization involved shall be notified by a member of the investigation committee that an investigation is being conducted. At that time, the purpose of the investigation is explained to all involved parties. (See P&P section 22.4.)
5. **SCHEDULING:** A member of the committee schedules interviews with the following people. (See P&P section 22.5.)

o Witnesses:

- Tester(s) who administered the exam
- Candidate(s) involved
- Training officer(s)/chief
- Other: anonymous

To gather evidence, interview the:

1. Individual(s) making the accusation
2. Individual(s) accused of misconduct
3. Other witnesses that may be involved
4. Chief officer(s)
5. Administration grader (optional)

6. **INTERVIEWS:** The investigators of the committee shall seek firsthand information (not hearsay). All persons interviewed are counseled about the value of speaking fairly, accurately, and honestly. (See P&P section 22.6.)

- o See the "Investigation Committee Reference."
- o See the "Optional Interview Questions" sheet.
- o Take notes.
- o Ask follow-up questions/conduct a follow-up interview (if needed).

7. **COLLECT DATA:** Evidence is collected and documented and any public accounts such as newspaper articles or court records may be reviewed. (See P&P section 22.5.)

8. **WRITTEN REPORT:** The investigators of the committee create a written report that summarizes, analyzes, and briefly states the conclusions of the investigation based on the facts. The report is signed by the person conducting the investigation and/or committee members. (See P&P section 22.7.)

9. **DECISION:** The Certification Council reviews the written report of the investigation.
- **HEARING:** If the Council believes grounds exist for the revocation, suspension, or denial of testing privileges, the tester and employing department's administrator shall be given written notification of the Council's intention to hold a hearing, from the Certification program manager. (See P&P section 22.9.)
 - **WRITTEN NOTIFICATION OF HEARING:** The notification shall include the time, date, location, purpose, and basis for the hearing. (See P&P section 22.10.)
 - It is sent by Certified Mail to the candidate's last address given by the participating agency or the tester.
 - **COUNCIL INTERVIEW:** The Council may summon and interview witnesses and gather information pertinent to the case, and shall allow the accused tester to respond to the charges in writing or in person. (See P&P section 22.10.)
 - **MAJORITY VOTE:** Revocation, suspension, or denial of testing privileges shall require a majority vote of a quorum of Council members, based on the severity of the violation. (See P&P section 22.12.)
 - The Council may choose to hold an executive closed session for deliberation about the charges, but any resulting vote on an action shall be taken during an open session. (See P&P section 22.12.)
 - **REAPPLY:** Any tester who has been denied testing privileges pursuant to section 20 may reapply for testing privileges ONE (1) year after the date of the Council's action, unless otherwise specified by the Council. (See P&P section 22.13.)
 - Testers who have had testing privileges revoked, suspended, or denied may appeal to the Utah Fire Prevention Board. (See P&P section 22.14.)
 - Following testers' reinstatement by the Council, Certification administration and UFRA will not be obligated to rehire testers who have had testing privileges revoked, suspended, or denied. (See P&P section 22.15.)
10. **DOCUMENTATION:** Copies of all correspondence and documentation shall be retained and secured by Certification administration. (See P&P section 22.11.)

STEPS FOR INVESTIGATION OF A UFRA-EMPLOYED TESTER

1. **VIOLATION REPORTED:** A possible violation of section 20 is brought to the Certification program manager's attention. The Certification program manager may seek assistance from the Certification Council to conduct the investigation. (See P&P sections 22.1–22.2.)
 2. **DISCUSSION:** The Certification Council discusses the need to begin an investigation during a Certification Council meeting. (See P&P section 21.2.)
 3. **COMMITTEE:** The Certification Council appoints two Council members to form a special committee, preferably with one lead who has investigative experience with UFRA. The Certification program manager is optional. The special committee will investigate suspected or reported violations. (See P&P section 21.2.)
 - **CONFIDENTIALITY:** The investigation process shall not intentionally embarrass or demean an organization or person. (See P&P section 22.3.)
 - **TIME SENSITIVE:** The investigation process shall be conducted before the next Certification Council meeting, in a timely manner. (See P&P section 22.3.)
 4. **NOTIFICATION:** The tester and/or organization involved shall be notified by a member of the investigation committee that an investigation is being conducted. At this time, the purpose of the investigation is explained to all involved parties. (See P&P section 22.4.)
 5. **SCHEDULING:** A member of the committee schedules interviews with the following people. (See P&P section 22.5.)
 - Witnesses:
 - Tester(s) who administered the exam
 - Candidate(s) involved
 - Training officer(s)/chief
 - Other: anonymous
- To gather evidence, interview the:

 1. Individual(s) making the accusation
 2. Individual(s) accused of misconduct
 3. Other witnesses that may be involved
 4. Chief officer(s)
 5. Administration grader (optional)
6. **INTERVIEWS:** The investigators of the committee shall seek firsthand information (not hearsay). All persons interviewed are counseled about the value of speaking fairly, accurately, and honestly. (See P&P section 22.6.)
 - See the "Investigation Committee Reference."
 - See the "Optional Interview Questions" sheet.
 - Take notes.
 - Ask follow-up questions/conduct a follow-up interview (if needed).
 7. **COLLECT DATA:** Evidence is collected and documented and any public accounts such as newspaper articles or court records may be reviewed. (See P&P section 22.5.)
 8. **WRITTEN REPORT:** The investigators of the committee create a written report that summarizes, analyzes, and briefly states the conclusions of the investigation based on the facts. The report is signed by the person conducting the investigation and/or committee members. (See P&P section 22.7.)
 9. **DECISION:** The investigator(s) shall deliver a report to the UFRA assistant director over Certification, if the person being investigated is a UFRA employee. (See P&P section 22.7.)
 - **UVU DISCIPLINARY ACTION:** UFRA employees accused of violations of section 20 or UVU policies and procedures may be subject to UVU progressive disciplinary processes. (See P&P section 22.8.)

10. **REPORT OF ACTION:** The UFRA director shall make a report of such action to the Certification Council, if the director believes that Council action regarding testing privileges is warranted. (See P&P section 22.8.)
- **HEARING:** If the Council believes grounds exist for the revocation, suspension, or denial of testing privileges, the tester and employing department's administrator shall be given written notification of the Council's intention to hold a hearing, from the Certification program manager. (See P&P section 22.9.)
 - **WRITTEN NOTIFICATION OF HEARING:** The notification shall include the time, date, location, purpose, and basis for the hearing. (See P&P section 22.10.)
 - It is sent by Certified Mail to the candidate's last address given by the participating agency or the tester.
 - **COUNCIL INTERVIEW:** The Council may summon and interview witnesses and gather information pertinent to the case, and shall allow the accused tester to respond to the charges in writing or in person. (See P&P section 22.10.)
 - **MAJORITY VOTE:** Revocation, suspension, or denial of testing privileges shall require a majority vote of a quorum of Council members, based on the severity of the violation. (See P&P section 22.12.)
 - The Council may choose to hold an executive closed session for deliberation about the charges, but any resulting vote on an action shall be taken during an open session. (See P&P section 22.12.)
 - **REAPPLY:** Any tester who has been denied testing privileges pursuant to section 20 may reapply for testing privileges ONE (1) year after the date of the Council's action, unless otherwise specified by the Council. (See P&P section 22.13.)
 - Testers who have had testing privileges revoked, suspended, or denied may appeal to the Utah Fire Prevention Board. (See P&P section 22.14.)
 - Following testers' reinstatement by the Council, Certification administration and UFRA will not be obligated to rehire testers who have had testing privileges revoked, suspended, or denied. (See P&P section 22.15.)
11. **DOCUMENTATION:** Copies of all correspondence and documentation shall be retained and secured by Certification administration. (See P&P section 22.11.)

Investigation Committee Reference

Investigation Committee Checklist:

- Conduct interviews: seek firsthand information.
 - Interview in a private area.
 - Use the list of "Optional Interview Questions" as a reference.
 - Take notes.
 - Keep your opinion to yourself, regardless of the complainant and situation.
 - Don't make any promises regarding outcome.
 - Provide copies of the UFSCS Policies and Procedures (optional).
- Collect data: evidence or any public accounts, news articles, or court records.
- Write a written report that summarizes, analyzes, and states the conclusions of the investigation based on the facts.
- Present the written report at the next Certification Council meeting.

To gather evidence, interview the:

1. Individual(s) making the accusation
2. Individual(s) accused of misconduct
3. Other witnesses that may be involved
4. Chief officer(s)
5. Administration grader (optional)

Interview

Opening Statement: The Purpose of the Investigation

We will be conducting an informal investigation interview due to a possible violation of section 20 of our Policies and Procedures that has been brought to our attention. This interview is to be sure we reach a fair and accurate conclusion. We want to uncover essential information and corroborate any right or wrongdoing. We will be taking notes during this interview.

Gather Facts: Collect Data

We are here to gather facts regarding the _____ exam taken on _____ (date). We are seeking firsthand information (not hearsay). We request that individuals speak fairly, accurately, and honestly. We want to verify that data we obtain today validates information we already received.

After the Interview (Optional): Explain the Reason for the Interview

You have been interviewed because:

- Another candidate observed _____ (example: cheating).
- A tester observed _____ (example: cheating).
- Another person(s) brought to our attention _____ (example: cheating).
- There were test scores equivalent to other candidates' scores, so we flagged a suspicious possibility of _____ (example: cheating).

Optional Interview Questions

- Explain in detail exactly what happened.
- Who committed the alleged behavior?
- Who is responsible for the alleged action?
- Who else was present that may have seen or heard about the incident?
- Who else may have seen or heard this as a witness?
 - Do you recall the names of the witnesses?
- When did this occur? Is it ongoing?
- Where did this happen?
- How did you respond or react?
- Did you let the person know that you were upset by this?
- Have you discussed this incident with anyone?
- Did you discuss this with anyone in your department?
 - If so, who did you tell, when did you tell them, and why?
- Are you aware of other accounts of this being done?
- Have you been affected personally or professionally by this?
 - How have you and your job been affected by this incident?
- Do you have any notes or documentation to provide us regarding this incident?
- Is there anyone else who may have relevant information?
 - Can you give us the names of people who may have more information?
- What do you believe is the appropriate action to be taken?
- Do you have any other information that might be helpful to this investigation?
