

UFRA and the South Ogden Fire Department are offering the National Fire Academy leadership series this coming March. Each class is limited to 30 students, so they will be available on a “first come, first served” basis. We need to provide a roster to the NFA containing the minimum number of students required for these classes by **January 15, 2025**, in order for them to carry.

These classes help satisfy some of the Utah Managing Fire Officer Designation requirements at the Managing Fire Officer level.

For more information and the class syllabi, click this [LINK](#) to go to the NFA website. To find a particular course in the NFA Course Catalog, click on “Search and filters” and type in the course number. **NOTE:** Do not try to apply for the courses directly through the NFA website. You will need to apply locally first. Also note, there will be NFA registration changes beginning January 1, 2025.
