COURSE DESCRIPTION

All students are responsible for bringing their **IRPG** (Incident Response Pocket Guide), **FLHB** (Fireline Handbook), and applicable **PTB** (Position Task Book) to each class session. Additional items to bring will be mentioned in the course acceptance letter. As a student, you are responsible for double-checking your enrollment status and current address, phone numbers, and email addresses. This will help ensure that you will receive any and all information pertaining to the class for which you are enrolled. **If your supervisor has enrolled/nominated you, it's critical that you double-check your enrollment status.**

To see the updated enrollment for a class, go to uvu.edu/ufra/training/wildland/schedule.html and click on the "roll" link. These are updated weekly. If you have any questions or concerns, call Dan Cather at (801) 863-7423.

Rx-341. PRESCRIBED FIRE PLAN PREPARATION

Course Description
The purpose of this course is to provide students with the skills and knowledge to be able to prepare a prescribed fire plan for technical review and approval, in accordance with the Interagency Prescribed Fire Planning and Implementation Procedures Reference Guide.

Objectives
Upon successful completion of this course, students should be able to:
- Describe prescribed fire planning policies and guidelines.
- Identify and describe the processes involved in preparing a prescribed fire plan.
- Develop and defend a prescribed fire plan that safely meets management objectives.

Target Group
Personnel who are involved in, or plan to be involved in, the preparation of prescribed fire plans. Others who could benefit from this course include firing bosses (FIRBs), fire effects monitors (FEMOs), air regulators, fire ecologists, private landowners (for example, TNC), other state and private agencies, prescribed fire consultants, and fire planners.

Course Prerequisites
- Successful completion of Introduction to Wildland Fire Behavior Calculations (S-390)
- Proficient in the use of BehavePlus
- Satisfactory completion of a pre-selection assessment
- Fire personnel must be qualified as an incident commander type 4 (ICT4).
- Resource personnel must have knowledge of fire suppression principles and techniques.
- Students desiring to take both RX-341 and RX-301 (Prescribed Fire Implementation) will benefit from taking RX-341 first.
