

COURSE DESCRIPTION

All students are responsible for bringing their **IRPG** (Incident Response Pocket Guide), **FLHB** (Fireline Handbook), and applicable **PTB** (Position Task Book) to each class session. Additional items to bring will be mentioned in the course acceptance letter. As a student, you are responsible for double-checking your enrollment status and current address, phone numbers, and email addresses. This will help ensure that you will receive any and all information pertaining to the class for which you are enrolled. **If your supervisor has enrolled/nominated you, it's critical that you double-check your enrollment status.**

To see the updated enrollment for a class, go to uvu.edu/ufra/training/wildland/schedule.html and click on the "roll" link. These are updated weekly. If you have any questions or concerns, call Dan Cather at (801) 863-7423.

S-270. BASIC AIR OPERATIONS

Course Description

This course covers aircraft types and capabilities, aviation management and safety for flying in and working with agency aircraft, tactical and logistical uses of aircraft, and requirements for helicopter takeoff and landing areas. Note: The regulations, procedures, and policies addressed in this course are primarily those governing federal agency and ICS operations. State, county, or other political subdivisions using this course will need to consult their agency having jurisdiction regarding regulations, procedures, and policies.

Objective

Upon successful completion of this course, students should have obtained a basic understanding of the different functions of air operations.

Target Group

Personnel desiring to be qualified as a single engine air tanker manager (SEMG), single resource boss, helicopter manager (HMGB), aircraft dispatcher (ACDP), and other positions that require basic knowledge of aviation operations

Course Prerequisite

Satisfactory completion of pre-course work
