**Subject:** Rotary Coats for Kids

Rotary Members,

I figured I'd pass along an email I received from one of the schools we delivered coats to.

Thanks, Doug, for the coats!! Will you please share our thanks with the other members of the Rotary. One little 2nd grader had the best response when I asked him how his coat felt. He said, "The arms are soft like a warm hug." That sounds like the perfect coat to me. We appreciate your help in keeping our kiddos warm this winter.
