

A photograph of two women in a professional setting, likely a meeting or classroom. The woman on the left is smiling and gesturing with her hand while holding a document titled "Demand and Supply". The woman on the right is looking at the document and holding a pen. A third person's face is partially visible on the right side of the frame. The background shows a modern office or classroom with large windows and a white pillar.

# Why get an MBA?

## 1. MBAs ARE IN DEMAND

In a fast-growing economy with a desire for well-earned compensation, an MBA could be the determining factor between you and another job candidate. The leadership and technical skills developed in an MBA program gives you the edge to advance to a highly compensated leadership role in industry.

A recent MBA graduate survey conducted by mba.com cited, “9 in 10 report that their MBA offered them opportunities for quicker career advancement and resulted in a positive return on investment.”

An MBA from Utah Valley University will provide you with the skills desired by today’s leading companies—ensuring control over your future and financial success.

“A UVU MBA has changed my professional trajectory. It has allowed me to accelerate my career beyond why I got an MBA in the first place.”

**Chris Mckee**, UVU MBA, Senior Director of Lender Partnerships at Lendio
