

UVU | MFPA[®]

Certified Financial Planner (CFP[®]) Track

Utah Valley University's Master of Financial Planning and Analytic Certified Financial Planner (CFP[®]) Track is a rigorous program that prepares students for careers in financial planning. The curriculum covers key topics such as investments, retirement planning, estate planning, and tax planning. Graduates of this program are well-equipped to help families manage their wealth and finances, providing valuable guidance and support in achieving their financial goals. The CFP[®] certification track ensures that students are prepared to sit for the CFP[®] exam, a highly respected credential in the financial planning industry. Through this program, students gain the skills and knowledge needed to make a positive impact on the financial well-being of individuals and families.

Online Engaged

2-3 evening classes per week

36 credit hours

INVEST IN A CAREER THAT MAKES A DIFFERENCE.

As a Master of Financial Planning and Analytics (MFPA) student in the Woodbury School of Business, you will learn from skilled professionals and researchers who bring expertise to each course within the program. Students will develop advanced skills in retirement planning, investment planning, tax planning, insurance planning, and estate planning. Choose from three tracks in the program, the Certified Financial Planner (CFP®), Chartered Financial Analyst (CFA®), or Advanced Planning tracks that are built on our top-five nationally ranked PFP program. The MFPA graduate program will prepare you as an expert in the professional financial planning and investment industry, and can even prepare you with the skills to own your own firm one day. Don't delay, apply today!
