# Our Mission

The Utah Valley University Writing Center supports writers from across campus in developing writing knowledge, skills, and confidence through a range of programs and services designed to meet the learning needs and preferences of writers from a range of academic, cultural, and linguistic backgrounds.

# Programs & Resources

- The Writing Center includes the main Writing Center, Graduate Writing Center, and Writing Fellows program
- The Writing Center is a free resource available **seven days a week** to students from **all colleges and majors**
- Consultants can assist with **any part of the writing process**, from understanding assignments and getting started to final edits and revision

# Programs & Resources

- Writers can receive individualized support from trained and certified writing consultants **in-person, online,** and via **asynchronous video feedback**
- In-person & online tutorials are **25-or-50-minutes in length,** with 5-10 minutes designated for the **Client Report Form**
- The Writing Center offers **50+ handouts** on a range of writing concepts
- English language learning support provided through writing, reading, speaking, listening, and grammar practice

# What to Expect from a Consultation

During a session, writers and consultants work together to

- identify goals for the session
- read and discuss the writer's work
- review or learn writing concepts
- apply and practice writing principles
- plan writing and revision tasks

Although consultants can assist writers with a wide range of topics and tasks, writers and consultants will determine a focus for each session rather than covering everything in a single session.

# Making the Most of Your Visit

## **Schedule Early**

While the Writing Center welcomes drop-in appointments, schedule online to guarantee a time and a location (Fulton Library 208 or online) that works best for you.

## **Come Prepared**

Bring notes and questions about your work, and be ready to participate and collaborate with a writing consultant.

Arrive or login a few minutes early, so you do not miss your appointment.

## **Share Assignments**

Attach your work and assignment guidelines to your appointment, or prepare to share them during your session.

Look for a post-session email outlining what you and your consultant discussed. This can be uploaded for assignment credit.
